LAKE COUNTY AND NEARBY NEWS NOTES

NEW ROADS BEING PUSHED

12-Cent Milk to Stay—Wheeler Thinks Price is Fair. 149th Field Artillery is Heard From. All Are Well

New Roads Being Rushed
Supervisor George Baird of Waukegan and County Superintendent of Highways Russell returned Friday from Springfield where they attended a very important meeting on roads. As a result of their visit there, overtures are to be made to the federal government at Washington imploring the government to give Lake county the first federal aid that is to come out of Washington on the matter of improving roads. It is stated that officials will go to Washington and put to the government the fact that the money for roads in this part of the states is a military necessity. They will bear down on them with all possible force and urge the government even though the general policy has been adopted of curtailing expenditures on roads, that in the case of Lake county, because of the presence of Great Lakes and Fort Sheridan, no curtailment or delay in the appropriation of money should be encountered.

As the feeling at Springfield was that because of this situation in Lake county, the government would not turn down the request to arrange for this money at once.

It was also learned at Springfield from the state highway commission officers that next week the state department will send three surveyors to Lake county to assist in laying out the state aid route through Lake county.

It is admitted that everything is going to be done now that is possible to get things in shape to that the contract for the work can be let in the spring. The plan is not to have any more delay than possible and carry this work ahead with a rush.

12-Cent Milk to Stay

North Shore housewives who have been hoping that the price of milk would take a drop as soon as the food commission took a hand in the matter appear to be doomed to disappointment, for State Food Commissioner Harry A. Wheeler who attended a meeting of Lake county food administrators and milk producers at Libertyville Saturday night, asserted that in his opinion 12 cents a quart for milk is a fair price. This is the price Highland Park consumers are paying at the present time.

The meeting was held at the Libertyville town hall. All Lake county food administrators were present. There was a big delegation of milk producers. Senator Rodney B. Swift was present as spokesman for the milk producers.

Mr. Wheeler told of the conference that was held last month when the price for the months of November and December was fixed at \$3.22 per one hundred pounds. He praised the producers for having accepted this price.

149th Heard From

Mrs. A. V. Smith of Waukegan, wife of Lieut.-Col. Smith second in command of the 149th artillery, now in France, and in which are a large number of Lake county and Highland Park men, Saturday received her first letter from her husband since he arrived in France.

The letter is brief and apparently was written shortly after the boys touched French soil and were put into their camp.

It bears no date as such letters never do. It was written "some where in France" the exact spot of course also being withheld.

Besides personal matters, Colonel Smith tells his wife that the boys of Lake County, much like himself, are all well and stood the trip very nicely. He adds that the restrictions on what may be sent home are so complete that he is unable to say very much about the battery in detail.

But the cheering news is that every one of the Lake county men is in good health, for had they not been, the color would have been permitted to mention that fact. He tells Mrs. Smith that there are lots of things he would like to tell her about their presence in France but under the censorship is not allowed to do so.

SOME NEW CHANGES IN LOCAL BUSINESS

Emma Borchardt Announces Removal of Beauty Shop to Erskine Bank Building

Miss Emma Borchardt announces the removal of the North Shore Beauty Shop from No. 10 N. Sheridan Road to Rooms 8 and 9, Erskine Bank Building, on December first. Miss Marion Craig who has successfully managed the Y. W. C. A. Home and Cafe for the past five months, has resigned her position to go into business with her sister and brother-in-law, Mr. and Mrs. Max Herring of Chicago.

They will conduct the new Sheridan Road Tea Room located at 10 North Sheridan Road in the Bloomdahl block. They expect to open on or about December tenth.

Because the second R. O. T. C. at Fort Sheridan is breaking up the local Y. W. C. A. has decided to close up the home cafe which has been operated for the past five months. If a need still exists for rooms and meals the Association will be glad to continue the work of the home, and is on the look out for one who can assume the responsibility of the work.

That the home has filled a big need in connection with the camps at Fort Sheridan is shown by the fact that over 3,000 people have been cared for in the cafe and rooming house. Over seventy five men and women have been fed at one time. The three hundred women who have been roomed at different times during the past five months have left the hospitality of the association and have been very pleasantly situated.

CHARLES BOYD ROBBED OF \$49 AND WATCH

Thieves in Ford Car Stop Citizen at Moraine Road and Escape With Valuables

Last Saturday evening at ten thirty o'clock Mr. Charles Boyd, former marshal of this city and now conductor on the North Shore electric line was held up and robbed of a gold watch and \$49 at the Moraine Road viaduct.

He has finished his work for the day and had just alighted from the steps of the car station when he was stopped by four men in a Ford touring car and asked the direction to Milwaukee Ave. Two of the men stepped out of the car and were supposedly examining the wheels of the car. In an instant one man stepped in front of Mr. Boyd and the other behind him, and with revolvers stuck in his face demanded him to keep quiet while they stripped him of his valuables.

The men then backed into the car with their revolvers still pointed at Mr. Boyd and sped away. No trace of them could be found.

The Army and Navy Center on E. Central Ave., will be open all day Thanksgiving Day, and in the afternoon refreshments and music will be features. All men in uniform are invited to come.

THANKSGIVING

The President's Proclamation

IT HAS long been the honored custom of our people to turn in the fruitful Autumn of the year in praise and thanksgiving to Almighty God for His many blessings and mercies to us as a Nation. That custom we can follow now even in the midst of the tragedy of a world shaken by war and immeasurable disaster, in the midst of sorrow and great peril because even amidst the darkness that has gathered about us we can see the great blessings God has bestowed upon us, blessing that are better than mere peace of mind and prosperity of enterprise.

We have been given the opportunity to serve mankind as we once served ourselves in the great day of our Declaration of Independence by taking up arms against a tyranny that threatened to master and debase men everywhere and joining with other free peoples in demanding for all the Nations of the world what we then demanded and obtained for ourselves.

In this day of the revelation of our duty not only to defend our rights as a Nation, but to defend also the rights of free men throughout the world, there has been vouchsafed us in full and inspiring measure the resolution and spirit of united action. We have been brought to one mind and purpose. A new vigor of common counsel and common action has been revealed in us.

We should especially thank God that in such circumstances, in the midst of the greatest enterprise the spirits of men have ever entered upon, we have, if we but observe a reasonable and practical economy, abundance with which to supply the needs of those associated with us as well as our own. A new light shines about us. The great duties of a new day awaken a new and greater national spirit in us. We shall never again be divided or wonder what stuff we are made of.

And while we render thanks for these things let us pray Almighty God that in all humbleness of spirit we may look always to Him for guidance; that we may be kept constant in the spirit and purpose of service; that by His grace our minds may be directed and our hands strengthened, and that in His good time liberty and security and peace and the comradeship of a common justice may be vouchsafed all the Nations of the earth.

Wherefore, I, Woodrow Wilson, President of the United States of America, do hereby designate Thursday, the twenty-ninth day of November next, as a day of thanksgiving and prayer, and invite the people throughout the land to cease upon that day from their ordinary occupations and in their several homes and places of worship to render thanks to God, the Great Ruler of Nations.

In Witness Whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done in the District of Columbia, this seventh day of November, in the year of our Lord one thousand nine hundred and seventeen, and of the independence of the United States of America the one hundred and forty-second.

Woodrow Wilson.

By the President, Robert Lansing, Secretary of State.

C. N. S. & M. MAKING LOCAL IMPROVEMENTS

SPUR TRACK AT VINE AVE.

New Coal and Building Material Yard to be Opened by Mr. Frank Sheahan and Mr. Wiesenberg

The Chicago North Shore and Milwaukee R. R. Co. is busy these days making improvements and planning new and pleasant comforts for its patrons.

Patrons who take cars at Vine Ave., Highland Park have perhaps wondered what was going on at the station there. There is a spur track being built at Vine Ave., which will run into a building material yard, being put up by Mr. Frank Sheahan of this city and Mr. Wiesenberg of Glenview. The firm will begin to operate before January first, under the name of The Mutual Coal Company. An office with scales and other facilities will soon be completed on the grounds. The proposed waiting room at Vine Ave., is being planned and when everything is ready the building will be rushed through. The platform is now in course of construction.

The Railroad Co. has leased the building at No. 7 S. St. John Ave., which is being vacated by Mr. Albert Larson. A waiting room and ticket office will be opened up in that store. On account of alterations the office will not be open until January first.

On the first of November "The North Shore Bulletin" made its appearance. It's nifty little vest-pocket edition of what the "line" is doing, what it can do and what it means to do. The book contains good reading from cover to cover, and is circulated among North Shore patrons free of charge. Number two appears December first.

HOSPITAL EXTERIOR NEARLY COMPLETED

EQUIPMENT IS ORDERED

\$3500.00 Sterilizing Plant and X-Ray Outfit Are to be Installed Soon. Enough money on Hand for Payments

One hundred and sixty feet on Homewood Ave., and the same number of feet on Glenview Ave., with three hundred and fifty feet between, forms the lot upon which Highland Park's hospital now stands. In the early spring the building will be completed and ready for use.

At the present time all the exterior work on the building is done, and the roof is being completed. The plumbing and flooring are completed, and at present a number of working men are engaged in the construction. Continued on page 8

PETITIONS TO AUTHORIZE CARE OF DEAD SOLDIERS

Purple Cross Association Prepared to Give Service Abroad at Own Expense

United States citizens are being urged to sign petitions which are being circulated throughout the country urging that Congress pass the Moore Purple Cross Bill (HR 5410) now under consideration by the House of Representatives or of the Wolcott Purple Cross Bill (S 2692) now before the United States Senate and entitled "A bill to render possible the return to their home burial grounds, the bodies of our soldier dead, in a sanitary and recognizable condition."

Petitions are located in each of the three banks, in Coale's and Duffy's Real Estate offices and at Prior's undertaking rooms. Everyone is urged to sign them.

HIGHLAND PARK BOYS ALL GET COMMISSIONS

Second Camp of Reserve Officers Closes at Fort Sheridan on Last Tuesday

Two thousand nine hundred men received commissions in the army on Tuesday following the close of the second officers training camp at Fort Sheridan. The five hundred who did not receive commissions all departed for their homes on Monday.

The merchants of this city were kept very busy all day Tuesday supplying the needs of the successful candidates.

Hundreds of these men were residents of Chicago and our neighboring North Shore towns, while the other hundreds were representatives from all parts of the middle west.

Uncle Sam was very good to the men who represented this city, by awarding two of the men, Clarence Norenberg and John Honaker with the rank of first lieutenant and nine men, George Baldwin, Joseph Card, Nathan Corwith, Jr., William Meyers, Lester Levin, Robert A. Lutz, Edward Macchic, Charles G. Shields and Dudley Edwards with second lieutenancy. Not one of our representatives failed to receive a commission which speaks highly for the boys of our town.

ROYAL ARCANUM CELEBRATES BIRTHDAY

Thirtieth Anniversary of Highland Park Council No. 1066 Is Observed Monday

Highland Park Council No. 1066 of the Royal Arcanum celebrated its thirtieth anniversary on Monday, 26th inst. The orator served refreshments which were enjoyed by those present.

The attendance was not what was expected, accounted for partially from the fact that many of the members belong to the Home Guard and as their drill night occurs on same date, they were "doing their bit" elsewhere. Statistics are dry reading, but it may be of interest to note that during the thirty years of its existence in our midst there has been paid to the beneficiaries of our twenty deceased members \$48,500.00. The order has also paid about \$15,000.00 to beneficiaries resident in Highland Park, members of other councils. It is not a large sum in these days of large figures, but it represented to many of those beneficiaries sufficient to clothe and feed dependent children who without this might have gone naked or hungry, or become a charge on public charity.

Next meeting of the Council will be held in the Masonic Hall 21 N. Sheridan road on Monday, December 10th at seven thirty p. m. at which the annual election of officers will be held. All members are urged to be present and members of other councils residing here will be cordially welcomed.

GO TO SEE INTOLERANCE SATURDAY, DEC. 1st

Swell Highland Park's Number of Y. M. C. A. War Fund Subscriptions

All public spirited citizens and those interested in the welfare of the boys in the service of Uncle Sam are urged to purchase tickets for "Intolerance" to be given at Pearl Theatre on December first. Now, if you have seen the picture of this powerful story, buy a ticket and give to some friends who might enjoy it.

Lake Forest is trying to "slip it over" on Highland Park by subscribing more to the Y. M. C. A. War Fund than Highland Park did. Let each one put forth his effort to go over the top and help swell the number of subscribers to the fund.

D. W. Griffith's \$2,000,000 spectacle should attract a very large crowd of people and if the three shows are witnessed by "full houses" Highland Park will beat Lake Forest as to the numbers of subscribers.

The hours for the shows are: 2:15 in the afternoon, and 6:30 and 9:15 in the evening. Larson's string orchestra will furnish the music for the evening performances and six of Highland Park's prettiest girls gowned in red, white and blue will act as ushers.

SALE OF RED CROSS SEALS BEGINS MONDAY

NEED GREATER THAN EVER

Reports from the War Zones Show a Fifty Per Cent Increase in Tuberculosis During Past 2 Years

By Dr. Lloyd M. Bergen

The sale of Red Cross seals begins next Monday. In the midst of war's confusion and the innumerable and ever increasing appeals for financial help, we are very apt to lose sight of the ordinary and ever present benevolences at home. This year however and probably next year the utmost personal and financial activity must be put forth, not only in behalf of the three hundred thousand tubercular individuals at present in Illinois, but especially in preparation for the return of thousands of our own fighting troops who will be sent home with active forms of the disease.

Do you know that since the war began over two hundred thousand French soldiers have been brought back from the trenches with open active tuberculosis?

Do you know that Berlin reports fifty per cent increase in tuberculosis in Germany during the past two years?

Do you know that the other allies have suffered almost correspondingly?

And do you know that none of these countries were prepared to properly house and care for these splendid, heroic sufferers. Have we not had sufficient illustration of unpreparedness in our own country, and is it not a wise, humane and patriotic plan to start right here and now to provide for this one emergency which we know almost to a certainty is coming.

Let us for once in our lives anticipate and prepare to save thousands of them—otherwise lost. Let us prepare to smooth the road for those more unfortunate whom our efforts will not rescue.

Highland Park must sell this year at least four times the number of seals disposed of in former years.

All of the proceeds of Illinois sales will be used in fighting the disease among Illinois citizens and soldiers.

Therefore, when you are approached by a Blue Cross or Red Cross girl or woman or by any one of the other numerous agencies, including our wonderful boy scouts—don't hesitate, but dig instantly for your quarter or dollar or ten dollars and smile.

Think just once of the fellows "over there" before deciding the amount of your purchase. Let's "go over the top" after the great arch enemy of all mankind.

J. EDWIN JOHNSON TO SING SUNDAY

Regular Monthly Musical Vesper Service to be Held at Presbyterian Church

The December Vesper Service to be held at the Presbyterian Church, will take place next Sunday afternoon at half after four o'clock. The soloist for the afternoon will be Mr. J. Edwin Johnson who is training at the Naval Station, Great Lakes. Mr. Johnson is formerly of Birmingham, Alabama and has attained a great reputation in southern musical circles. He has sacrificed his musical career in order to go into service for his country. All those who can should make an effort to hear him. Encourage him by a large audience.

A beautiful musical program will be given. The Rev. James G. K. McClure will address the meeting.

ARDEN SHORE ASS'N. TO MEET DEC. 5th

First Meeting Under New President. Mrs. Ridgway to be Held in Chicago

A meeting of the officers and directors of the Arden Shore Association will take place on December fifth, in Chicago. Notice will be sent to those who are expected to attend. This is the first meeting under the new president, Mrs. Grant Ridgway who succeeds Mrs. Phillip Post, who is retiring. Mrs. Charles Thorn, who has served on the Board of Directors calls for Frances in the very near future in the interests of the American Red Cross. Mrs. Thorn will teach surgical dressings.
