## Announcement

Pasteurized Milk is Good Clean Milk heated to ap-  
proximately 145 degrees Fahrenheit and held at  
that temperature for 30 minutes, then cooled sud-  
denly.

This process in no way destroys the nutritive value  
of the Milk. It does however, destroy harmful  
germ life that Milk may contain.

We say "May" because there is always a chance  
that Milk "may" contain harmful bacteria no mat-  
ter how carefully handled before it reaches us.  
So to Safeguard you we Perfectly Pasteurize it—  
then cool it—then automatically bottle and cap it.  
So it comes to you untouched by human hands.

## What the Bell System Doing

THE picturesque figure of the military dis-  
patch carrier, with his foam-flecked horse,  
has given place to the Bell Telephone System.

Eighteen new cantonment camps, each having  
a capacity of 30,000 men, are approaching com-  
pletion. The ultimate number of these camps is  
set at thirty-two.

Each camp is provided with an elaborate system  
of telephonic communication, both local and long  
distance.

At every Army Post and Department Head-  
quarters the telephone facilities have been greatly  
increased, so much so that in some cases it has  
been necessary to make complete new switchboard  
installations.

These new and enlarged activities call for enor-  
mous stores of telephone equipment and supplies,  
in order that the thousands of new stations may be  
properly served.

The Bell System is rapidly taking care of this  
extension of its service and doing so without  
appreciable impairment of its commercial and in-  
dustrial responsibilities.

## HIGH SCHOOL NOTES

By the Students

It has been decided to postpone the  
final heavyweight basketball class  
game indefinitely, but the other  
games have been completed. The  
Junior heavyweights have every hope  
of showing their Senior rivals some  
superior stuff when the great day  
arrives.

Basketball practice for the school  
teams began Monday, with a big  
bunch of candidates. Chances for  
excellent teams are very good in-  
deed.

Election of officers for the re-or-  
ganized Athletic Association resulted  
in the election of Truman Metzel for  
president; Mary Card for vice pres-  
ident and Clarithew Morgan for sec-  
retary and treasurer.

Basketball season tickets will be on  
sale soon and an effort will be made  
to interest the townspeople in our  
school basketball. A season ticket  
will enable the holder to see the  
game at exactly half the usual price.

The girls as well as the boys are  
getting ready for the basketball sea-  
son. They are practicing now for  
the class games which will take  
place in a few weeks.
