He is weland I feel sure he will appreciate it after what I learn of his experience with two other branches of the family who had but one hope, that he would die, and one vision, the inheritance of That settled it, and at heart Myre

was glad. Two evenings later Uncle Cyrus arrived with an old hide-bound trunk and a ragged, time-worn carpet-

home-like spot I've struck for five years," he stated complacently, as, after an appetizing meal which he fully enjoyed, he was shown up the cozily furnished room apportioned "Now, then, nephew and niece, I'm tired of being palavered and petted by a brood of harpies, who tolerate something when I die. You folks won't poison or smother me, I am sure and I want to say at the outset that if I have any fortune left when I come to pass away it will all go to charity.' "We have never had any expectations concerning you, Uncle Cyrus,"

spoke Robert bluntly, "and don't intend to have." Now, then, to get down to busines a city bank. Each month I shall hand you a check for one hundred dollars as long as I live. When I die the pay-

amount," began Robert, definitely, but Uncle Cyrus intercepted him with: You've got a daughter to marry off and a son to educate. The money will help out. Nuff sed. There's your first check."

Uncle Cyrus proved to be very tle trouble. He fitted comfortably and quite cheerily into the little family handed Robert a check drawn on a city bank, and the money proved very accoptable and beneficial to the family. With the fall it was planned to ar-
