JACKIES' WORK TO BE SHOWN IN CHICAGO FEB. 2

PAGEANT TO RAISE FUNDS

Lieut. John Phillip Sousa to Conduct Navy Band of 700 Pieces. Sextets and Soloists on the Program

A miniature of the Great Lakes Naval Training station has been erected on the stage of Medinah Temple, Chicago, where, on the afternoon and evening of February 2, 1,000 blue jackets, with the 700 piece Great Lakes band under Sousa, will endeavor to convey to Chicagoans, by way of a pageant, "A Day at Great Lakes."

Some of the best known architects and artists of Chicago have been engaged for the last week in building a huge replica of the largest naval training station on earth. Their task is nearly completed. It was necessary to enlarge the stage in order to get the proper effect.

For the first time in Chicago Lieut. John Phillip Sousa will conduct the famous band of the station as a whole.

The day's doings of a Jackie from the moment he enters the station will be depicted in a series of human scenes. Exhibition drills by the crack squads from every specialty school on the station will be given.

According to the program there will be singing by a dozen quartets, sextets, and individual soloists. Some of the songsters are said to have appeared, before the war, on the leading concert stages of the country. They are the pick of 27,000 men on the station.

Capt. W. A. Moffett, commandant of the station, and his staff will be present.

The project was conceived and has the backing of society people, who, realizing the need of athletic equipment for the Jackies, suggested the pageant as the best means to raise funds for its purpose.

The pageant will be directed by Dr. John B. Kaufman, in charge of athletics at the station.

NORTH AMERICAN UNION INSTALLS NEW OFFICERS

Mr. John Pierce to Succeed Mr. James Bowden as President of Highland Council

Highland Council No. 99, North American Union held their first meeting of the year, Wednesday, Jan. 16th in the Masonic Hall.

The meeting was well attended regardless of the cold weather and a very snappy time was had during the installation of the newly elected officers.

Supreme Deputy and Field Manager Walsh assisted Mr. Chase of the Supreme Council in the installing of new officers for the year 1918. Refreshments followed in the dining hall after the meeting was adjourned.

The newly elected officers for 1918 are: President, John Pierce; Vice-President, Thomas Simson; Chancellor, James Bowden; Orator, Bert Easton; Collector, John Ralph; Secretary, John Erickson; Treasurer, John Grant; Prelate, Geo. Laurent; Conductor, E. H. Williamson, Warder, A. W. Halse; Guard, Geo. Pettis; Trustees are Messrs. Ralph, Grant and Diessga.

LADIES AID SOCIETY TO CELEBRATE JAN. 31st

Ebenezer Church Organization Plans to Give You a Real Good Time on Thursday Next

The Ladies Aid Society of the Ebenezer Church request your presence at a birthday social to be given Thursday evening January, thirty-first at the home of Mrs. E. M. Umbach on E. Park Ave. As that evening is the anniversary of the Aid Society the ladies planned to give a social in the form of a birthday party. All those who are fortunate enough to be under age will only have to pay according to his years while those above eighteen will pay the regular price. Don't forget to reserve Thursday evening, January thirty first for you will miss a good time if you forget to attend this affair.

SOBEY'S MARKET TO ADOPT CASH AND CARRY PLAN

Customers to Get Benefit of Lower Price if They Pay Cash and Carry Their Parcels

In some sections of the country the cost of food to the housekeeper has been reduced 10 per cent simply by reviving an old time custom our mothers had of going to market with a market basket and taking home instead of having them delivered.

Wherever women have expressed their willingness to carry their purchases home themselves and so reduce their cost, the grocers, almost without exception, have co-operated with them to this end.

In the stores, where the plan has worked most successfully, the grocer has marked his goods with three prices: "cash and carry" the lowest, "charge and carry" 5 per cent more and "charge and deliver" another 5 per cent more, making a possible saving of 10 per cent.

Such a system is fair to both the grocer and the purchaser, for the former reduces his expenses of delivery and of keeping accounts, while the cash customer who takes her goods with her does not have to bear the unjust expense incurred by her neighbor, who charges her purchases and has them delivered.

Believing that this system will be of great benefit to their customers as well as to themselves, Sobeys' Sanitary Market has decided to adopt it in Highland Park, and asks their customers, who desire to reduce the H. C. of L. to cooperate with them.

SCOUT ENTERTAINMENT AT ELM PLACE SCHOOL

Fathers and Mothers Should Set Aside Evening of Feb. 15th for the Boy Scouts

Highland Park will be given an opportunity to view the accomplishments of the Local Boy Scouts on Friday evening, February 15th at Elm Place School. An interesting program has been set up in which various phases of Scouting will be shown and explained and in which every Scout will take some part.

Recently the President of the United States has asked the Boy Scouts to enroll as Government Dispatch Bearers. This request following the one in connection with the Liberty Loan well establishes the important place the Boy Scouts of America occupy today.

A nominal admission will be charged, the proceeds of which will go to the Boy Scouts Fund.

CLOSE UP BUSINESS TO SHOVEL SNOW

Highland Park Business Men and Employees Help to Remove Much Snow

Last Thursday the Highland Park Business Men's association declared a full holiday and turned out in a body, with their employees and helped to clear the streets of snow. By evening all the snow had been carted away from the business district, Central Ave. St. Johns Ave. and a part of Sheridan Road. The snow was loaded on to wagons, furnished by the merchants and dumped into the vacant lot next to the Public Library.

PUT YOUR SHOULDER TO THE WHEEL

The schools of the country are becoming "Schools of Thrift." The War Savings Campaign established by the act of Congress means more than merely selling \$2,000,000,000 worth of War Savings Certificates and Thrift Stamps. It means that the schools of the nation can help families of the nation to render patriotic service by saving what they too often squander.

We believe that every school ought to organize a War Savings Society, and that the children should be urged to interest their parents in this great patriotic undertaking. The stamps can be obtained at the local post office and banks. You, yourself, may become an agent, if you so desire, by applying at the post office or to Martin A. Ryerson, State Director.

Remember that these stamps are of two sorts. Thrift Stamps which sell for 25 cents each, and War Savings Certificates which are really "Baby Bonds" worth 5.00 each on January 1, 1923.

GERMAN ALIEN ENEMIES REQUIRED TO REGISTER BETWEEN FEB. 4th AND 9th

All Male German Aliens of 14 Years and Over Must Report at Post Office in the District where they Reside

In accordance with the President's Proclamation dated November 16, 1917, all male German alien enemies of fourteen years of age and upward, residing in this post office district are required to register under the direction of the Postmaster, who has been appointed Assistant Registrar. This registration commences at 6 a. m. on February 4th, 1918, and continues each day successively thereafter, between the hours of 6 a. m. and 8 p. m. up to and including the 9th day of February 1918, at 8 p. m.

PERSONS REQUIRED TO REGISTER: All natives, citizens, denizens or subjects of the German Empire, or Imperial German Government, being males of the age of fourteen years and upwards, who are within the United States and not actually naturalized as American citizens are required to register as alien enemies. The fact of having first or declarant papers, or a permit for restricted zones issued by the United States Marshal, does not exempt the possessor thereof from registering as a German alien enemy.

German alien enemies are hereby directed to report to the post office located in the district in which they reside.

Each German alien enemy is required to bring with him to the place of registration four photographs not larger than 3x3 inches, on thin paper with light background. At the place of registration he will be given full instructions as to procedure in filling application for registration.

An alien enemy required to register and who fails to complete his registration within the time fixed therefor, in addition to all other penalties prescribed by law, is liable to restraint, imprisonment and detention for the duration of the war. W. B. Carlile, Chief Registrar. For Nonurban areas in the Northern District of Illinois.

FUEL ADMINISTRATOR HALTS COAL DELIVERY

33 Ton Consignment to Exmoor Club is Divided Among Club and Local Citizens

Lake county Fuel Administrator Erskine on Tuesday morning halted delivery of a 33 ton carload of anthracite coal to the Exmoor Club the membership of which includes many millionaires.

The car was consigned to the Highland Park Fuel Company, but officials of this concern refused to take the risk of delivering the fuel and instead notified Mr. Erskine.

"Do not deliver the car, but hold it subject to my orders," said Mr. Erskine.

Later the dealer called up and said officials of the club had notified him that Exmoor gladly would take only thirty days' supply, or six tons instead of 33, from the car, and that the remaining 27 tons could be devoted to meeting the pressing Highland Park community needs.

Accordingly the 27 tons was delivered to homes in Highland Park in lots of 500 lbs. 1/2 tons and tons.

Mr. Erskine's action and the cooperation of the club were regarded as further evidence of the thorough democratization of the fuel administration and of recognition of that fact by all "classes" of society. The fuel administration is credited with making a definite business of seeing to it that the rich can not get too much coal and that the poor can get enough.

GENERAL SHUT-DOWN OF BUSINESS MONDAYS

Nearly All Places of Business in Highland Park Affected by Garfield Order

You've heard the beautiful little ditty, "Every day will be Sunday By and By". It may be sooner than we think if the present coal situation doesn't clear up. Garfield has started us out by putting our Mondays on a Sunday schedule. Well, anyway, we're all game, and Highland Park, we think, is a little "gamer" than all the rest. Everything, hit by the order, in this burg was closed tighter than a drum last Monday. The Press job printing department was the only business in Highland Park affected by the five day closing.

Grocery stores and markets were open until noon Monday. Drug stores and newspaper stands were allowed to be open, but their business was confined to the sale of drugs and newspapers only. Billiard parlors, theaters and bowling alleys were allowed to remain open Mondays, but were closed on Tuesday.

Other places of business not affected by Monday closing are, doctors' and dentists' offices, banks, post office, bakery shops, city hall, and laundries. For the next nine Mondays Hardware stores, jewelry stores, printing offices, dry goods stores, barber shops, harness shops, tailors, shoe stores, repair shops, etc. will be closed. The grocery stores and markets will be open until noon for the sale of food only.

IS DOING GOOD WORK IN SOUTHERN ARMY CAMP

Letter From Mr. Newbold's Relative Brings Word of Rev. R. Calvin Dobson, Augusta, Ga.

Mr. Arthur Newbold of the Highland Park Club has had a letter from his nephew John J. Mongan who is stationed at Camp Hancock, Ga. with the Field Artillery. Mr. Mongan wrote of Dr. R. Calvin Dobson, formerly pastor of the Presbyterian Church in this city. Dr. Dobson is secretary of the Army Y. M. C. A. at Camp Hancock, and according to Mr. Mongan is "doing a world of good" among the boys in camp.

The following is a clipping from "Trench and Camp", a newspaper published at the camp for the soldiers.

"The religious service conducted by Secretary Dobson on last Sunday evening had an unusually large attendance and there were many responses to his appeal to the men to hold up their hands for prayer. Dr. Dobson's subject was, 'The Word Christian', and his audience sat tense and evidently deeply interested in the discourse from start to finish.

TELEPHONE FRANCHISE WINS BY 203 VOTES

ONLY 355 VOTES ARE CAST

Majority in Ravinia (Fourth Precinct) Against Franchise; Vote Being 15 "Yes" and 22 "No"

The Chicago Telephone Franchise carried at Saturday's special election by a vote of 279 to 76, the majority being 203 votes.

This was the first time in the history of Highland Park that the citizens had a direct voice in the granting of a franchise, and the decisive vote favoring the granting of the franchise to the Telephone Company indicates that the Highland Park public approve the work of the special commission and the administration.

Under the Commission form of Government the Mayor and Commissioners cannot grant a franchise of any kind without first submitting the proposition to the vote of the people. This is a particular advantage over the old aldermanic form of Government and one which puts the entire responsibility upon the voters of the city.

A little over a year ago the city council appointed a special commission to look into the question of the renewal of the Chicago Telephone Company Franchise. The Commission submitted a full report together with recommendations which were accepted by the council later, and which was the outgrowth of the franchise ordinance which was voted on at the special election last Saturday, Jan. 19th. The results of the election by precincts are as follows:

	1st	2nd	3rd	4th
Men, Yes	52	5	11	17
Women, Yes	28	15	5	4
Men, No	36	8	5	12
Women, No	2	2	1	10
Total Number of Votes, Yes	79			
Total Number of Votes, No	276			
Majority in favor of adopting said ordinance	203			

LOCAL Y. W. C. A. HOLDS ANNUAL MEETING TUESDAY

Reports of Work Done During the Year Shows a Flourishing Condition of Affairs

The annual meeting of the Y. W. C. A. was held Tuesday evening, January 22nd in the assembly room of the association. Very interesting reports were given from all of the clubs and classes showing the flourishing condition of the association. The following members appeared on the program, Agnes McNeill, Frances Borchardt, Mary Fay, Darlene Jones, Frieda Krueger, Margaret Wilhelm, Margaret Mayer and Mrs. Oscar Larson. The treasurer, Mrs. Clow and general secretary, Mrs. Searcy also gave annual reports. The committee on nominations of officers made its report and the following were unanimously elected for the ensuing year, which insures a safe guidance of the association's affairs: President, Mrs. W. A. Alexander, 1st Vice President, Mrs. Geo. Campbell, 2nd Vice President, Mrs. Geo. Bard, Recording Secretary, Miss Adele M. Everett, Treasurer, Mrs. Fred Clow.

The guest of honor was Mrs. Edgar Goodspeed of Chicago, a member of the Central Field Committee, who gave an address filled with help and inspiration. It is very desirable as well as pleasant for the members of the Central Field to visit the different organizations and come in close touch with the work as it really is and hear from the members themselves what has been accomplished and Highland Park was especially fortunate in entertaining Mrs. Goodspeed and have her bring the message of value and encouragement she gave Tuesday evening.

BOB SLEIGHS ARE USED INSTEAD OF HEARSE

Highland Parkers See Unique Funeral Procession, Owing to Bad Road Condition

Owing to bad road conditions these two funerals of Mrs. Mary F. [unclear] and Mr. Henry Obilweh held the earlier part of the week, bob sleighs were used instead of the hearse.
