## Safeguarded Investments

Are your dollars *Loafers* or *Workers*? Money that is not invested pays no returns, any more than grain in the bin will grow crops unless planted. Every man or woman with money should put that money to work. Jay Gould once said that \$100 invested in the right thing at the right time would earn as much as a man steadily employed. He died worth hundreds of millions. The average man or woman knows nothing about how or where to invest money to get good returns from it. It is our business to advise investors where and how to invest, where investments can earn the best returns with the utmost of safety.

### Brokerage Department

We buy or sell listed or unlisted stocks and bonds. If you are anxious to buy or sell let us help you. We can probably buy the stock you want cheaper than you can. We can sell your stocks at the best price or we can exchange non-dividend-paying stock for stock that is paying dividends. Write to us about it.

### Underwriting Department

We underwrite the selling of the stock of companies but before accepting an issue of stock for sale we make a most thorough and complete investigation of the proposition. It has to grade up A-1 or we will not handle it. It is this type of investment that Jay Gould alluded to in the quotation above—"The right thing at the right time."

### How to Buy Stocks

We will purchase stock for you for cash or on the deferred payment plan. We make a moderate charge for carrying stock on the deferred payment plan, but you become entitled to all dividends, bonuses, etc., the stock you buy earns from the date your first payment is recorded. Let us explain this plan fully.

### PUBLIC LIBRARY

Miss Judd the Librarian has been given a leave of absence so that she might serve the U. S. Government. Miss Judd left last week for Washington D. C. where she is employed by the government.

Catherine Long on Blessing.  
Catherine, who lives in the same town with numerous relatives, was wont to remember them all separately in her prayer each night. A few nights ago she was especially tired and sleepy and when she began to enumerate them, evidently the task looked hard, for she ended up with "and bless everybody in the telephone book."

### Don't Forget This Little Service

The Boys at the Front Want all the Magazines You Can Send Them.

Most Americans want to help the boys in France and in the training camps. But many forget to do the little things they can do. There is one little thing none should forget.

To send magazines to the front as soon as they are read. The boys want them badly. Read the following letter—written by Lieut William O. Morgan, with American Expeditionary forces in France, to his mother in this city:

"If you want to do something that will help a lot, tell everyone you know and everyone you don't know to put a stamp on their magazines and put them in the mail box. If you could see how these men stand around the mail room waiting for the magazines you would realize how many dollars worth of pleasure a stamp can give. You see the evenings are long, as it is dark at four-thirty, and they love to read. Sometimes they read even advertisements when there is nothing else.

"The Y. M. C. A. men are doing great work here. They put these magazines on their tables, and many times have I sat up with the men to look over them.

"Try to get people to send the more expensive magazines. These men would read more good stuff if they could get it. Such a book as 'The Man Without a Country' is devoured by them all. Most of them are young boys who enlisted last March and it is wonderful to talk to them for they have such a fine spirit. They must have books and magazines to read as it is absolutely essential for a soldier to have mental relaxation."

It costs so little to send magazines—just a one cent stamp for each. No wrapping, no addressing is necessary. The thing is to remember to do it yourself and to remind your friends as well. And send the magazines while they are still fresh and clean.

### DEATHS

**Mrs. Mary Hupprich**  
Mrs. Mary Hupprich, a resident of this city for the past seventeen years passed away Saturday, January nineteenth at the home of her daughter Mrs. Ernest Gleser on Green Bay Road at the age of eighty one, following an illness of several week duration. She was born in Oberhausen, Rheinpfalz, Germany, on January 19, 1837. Funeral services were held at St. Johns Evangelical church, Tuesday at one o'clock with Rev. Holke officiating. Interment was made at Northfield cemetery. Mrs. Hupprich leaves to survive her three sons, William Hupprich of Madison, Wis., George Hupprich of Baraboo, Wis., and Fred Hupprich of Nenana, Alaska, and two daughters, Mrs. Ernest Gleser and Emma Hupprich of this city.

### Mr. Henry Ohlwein

Henry Ohlwein, a long remembered citizen of Highland Park, passed away at his home on North Second Street, January 20, 1918, at the age of 76 years. He was born in Ermetheis, Kreis Fritalar, Hessen, Germany, in the year 1841. He attended the schools of Germany and later became a tailor, following the practice of his father. In the year 1867 he married Martha Kothe and a few years later, in 1871, he served his country during the Franco-Prussian war. His brother, Conrad Ohlwein, had previously departed for America and finding conditions very satisfactory in the land of liberty, beckoned his brother to come here also. In 1873 he sailed for America with his wife and two children and made his home in Chicago. He was a devoted member of St. Peter's Lutheran church of Chicago for almost 14 years. He moved with his family to Highland Park in the year 1885 where he has resided ever since. He started a milk business in conjunction with his son Dithmar, which was brought to an end in 1908 when his son met with a sudden death in a railway accident. It was said when he first arrived in Highland Park in 1885 he could not find a Lutheran church and walked the first Sunday to Deerfield and not finding his church, attended services for four years at the Lutheran church in Glencoe, near County Line. However, his ambition was to secure enough Lutheran people in Highland Park vicinity to organize a church here and he became one of the principal organizers of the Zion Evangelical Lutheran church of West Central Avenue, and remained a member of this church until his death.

The deceased has been ill with cancer of the stomach since last spring and it was only during the latter few months that his condition became quite acute. He leaves to survive him one brother, Conrad Ohlwein, of Oakville, Iowa; one son, Adam Ohlwein, and three daughters, Mrs. Katherine Eichler, Mrs. Chas. Geminer and Miss Anna Ohlwein, and twelve grand children all of this city. Funeral services were held at the Lutheran church, West Central Avenue yesterday, Rev. W. F. Suhr, officiating. Interment took place at Mooney's cemetery.

## We Are Going to Adopt the Cash and Carry Plan

WE HAVE noted that the "Cash and Carry Plan" has proven very successful in many other cities and have decided to try it in Highland Park. In some sections of the country the cost of food has been reduced as much as ten per cent by simply reviving the old-time custom of going to market with a basket and taking the purchases home instead of having them delivered.

### CUSTOMER TO GET THE BENEFIT

We intend to co-operate with those who express their desire to reduce their living expenses. By paying cash and carrying home your meat orders you will see a noticeable reduction in our prices.

We know that such a system is fair to both our customers and ourselves, for we reduce our expenses of delivery and of keeping accounts. One customer will get the benefit of this saving and will not have to share the extra expense of the charging and delivery service.

Please bear in mind that we do not intend to lower anything but the price. The quality of our meats will continue to be of the same high standard which has well earned our name.

### BURTON HOLMES COMING TO CHICAGO IN FEBRUARY

Series of Travelogues Will be Absolutely New in Subject Matter

Burton Holmes, whose "Around the Militant Pacific" Travelogues are to begin in Chicago the middle of February, is meeting with unusual success in New York, Boston and Brooklyn, where he began a five week's engagement last week. In view of the depression in theatrical lines, Burton Holmes should be congratulated, but as usual, "There's a reason." This is the quarter century mark for Mr. Holmes and his Travelogues. Throughout his entire career he has "delivered the goods" bringing truthful impressions, photographic and verbal, to a gradually increasing patronage at an unflinching and reasonable standard of prices for his tickets. Now he is reaping his reward in communities where high prices—especially during these troublous times—for theatrical attractions has not always meant a high quality of performance. Last spring and summer Mr. Holmes devoted nearly eight months to far-away lands never before visited by him; as

a result his coming series of Travelogues will be absolutely new in subject matter. Australia, New Zealand and Tasmania, the Pijian, Samoan and Hawaiian Islands, a new and hitherto un-Travelogued Japan, and Alaska as it looked this last summer, will be reproduced in Mr. Holmes' screen.

### ELM PLACE SCHOOL

The pupils of the 8A class gave their contest in dramatization Tuesday morning. The pupils had divided themselves some weeks ago into two groups, Irma Irons being captain of one group and John McBride of the other. The members of these groups worked especially upon the court scene of the Merchant of Venice and at the contest each group presented this scene in contest with the other. Dorothy Gardner played the part of Portia and Seymour Jones that of Shylock in the one group. In the other group, Irma Irons played the part of Portia and McKensie Shannon that of Shylock. The three judges gave their decision in favor of the former group, the score being 195 points to 180 points. The upper grade pupils

and a number of the parents furnished the audience for the occasion.

Jack Clements gave a birthday spread to the members of his class after school on Tuesday evening. The 8B pupils entertained the 8A pupils at a party last evening which began with refreshments at the school building and was followed by a sleigh ride over the country roads.

Miss Corey who has English in the upper grades has been ill this week and Mrs. George Taylor has been substituting in her place.

The pupils have been working hard to advertise the moving picture lecture on Wild Animals by McIntock which takes place this afternoon and evening. On Friday afternoon of next week, February 1, there will be three reels of motion pictures illustrating some of the most striking scenery in the Yellow Stone country and Rocky Mountains. It is planned to have a similar motion picture matinee on each Friday thereafter. These pictures will be put on the screen at four o'clock promptly each Friday afternoon. An admission fee of five cents will be charged for the afternoon of February 1, to cover expenses.
