HIGH SCHOOL NOTES

By the Students

We publish below a letter received from Washington, which will, we think speak for itself. The contestant mentioned is Theodore Moffett, a member of the class of 1919 who has had his English training in this school, so that the English Department feels justly proud of his success.

Washington, D. C. February 6, 1918.

Mr. R. L. Sandwick, Principal, The Deerfield-Shields Township High School, Highland Park, Illinois.

Dear Sir: I beg to advise that in the Liberty Loan Essay Contest held by the National Committee of Patriotic Societies that your school tied for seventh place. The judges in the contest were Dr. H. H. Wheaton of the Bureau of Education, Mrs. Antoinette Funk of the Woman's Liberty Loan Committee and Mrs. Philander P. Claxton. There were some three thousand contestants in all.

We regret we were able to give only a first prize but we are sure that the honor of being for seventh highest place for the school will be satisfaction enough for your contestant.

The National Committee of Patriotic Societies is to hold a similar contest for the Third Liberty Loan and we trust that your school will be largely represented.

Faithfully yours, (Signed) W. M. Lewis, Executive Secretary.

On the evening of February 9 a dance was given in the boys' gymnasium of the Deerfield-Shields High School for the benefit of cadet uniforms. The dance was directed by the Parent-Teachers Association under whose auspices it was well managed. An orchestra from Chicago furnished the music and Mrs. Schubnell served the refreshments. The dance was well attended, there being many from Fort Sheridan and Lake Forest as well as a large representation from Highland Park.

On February the sixth, Mr. R. Pease, an alumnus of Deerfield, entertained the school during the eighth period with songs. Mr. Pease has sung here before, and was greatly applauded by all. On Friday of the same week an assembly was called to further the interest in Thrift Stamps, and also to explain the system. Following Secretary McAdoo's appeal to the American school children, read by Charles Beckwith, a dialogue was given by Bernice Rundquist and Ruth Glos, one girl asking the questions and the other answering them, thus giving the audience a clear and detailed account of the way to buy a Thrift Stamp. The last number on the program was a paper read by Bowen Schumacher.

Wednesday, February sixth, we played three basketball games at the close of school. After some good cheers from the rooters, our lightweights started; things humming with the first game which was against Libertyville. Deerfield started the ball our way the first thing by making a basket through a good pass from center. Libertyville was a little slow and we were soon far ahead in the score. The teams were pretty even in weight, and it looked as if they would put up a good fight, but after the end of the half Libertyville was far behind.

The opponents brought some enthusiastic students to cheer for them, but the Deerfield rooters outdid them. Our lightweights scored a victory of 33-13 without much hard fighting. They had some good team work and showed the stuff for a good heavyweight team next year. Three cheers for them!

The second game was the first girls' fray of the season—the red Juniors played the purple sophomores. Mr. Pertz blew the whistle and the game started with lusty cheers for both sides. The first quarter was rather slow, but after the players had warmed up both sides did some fine work. The Reds had the lead for a short time but the Purples soon made it a tie, and finally after a good, fast fight, the Juniors won the day by one point, the score being eleven to ten. On Wednesday of this week the Senior girls play the Freshmen.

The third game was a contest between our heavyweights and the Proviso team. Deerfield kept well spread out and it was hard for our opponents to guard us. The first half was peppy and full of pretty plays with Deerfield in the lead and Proviso fast on our heels. The last half, also, was played in good form, and brought us another victory of 24-9, making three victories in one day. Three cheers for the team! A fine day's work!

Deerfield added another victory to her record when she played La Grange last Saturday night, winning the game by a score of 21-15. Today we play Thornton on our floor.
