ANOTHER PATRIOTIC RALLY TOMORROW

Highland Park Defense Council Invites You to be Present at Presbyterian Church

All roads lead to the Presbyterian church tomorrow evening, when the Defense Council of Highland Park, invites the citizens to the fifth in a series of patriotic rallies. What could be more attractive than a patriotic rally on George Washington's birthday? Without casting any reflections on former rallies, this one is bound to be just a little better than any which have been held before. The speakers will be, Mr. Allen D. Albert representing the Army and Navy Commission on Training Camp activities, Dr. Johnston Meyers, Pastor of the Emanuel Baptist Church, Chicago, Robert Bonsall Myers, his son and a member of the American Ambulance Field Service, and Dr. George Craig Stewart, Rector of St. Luke's Episcopal Church, Evanston.

The music will be very good, too, as it is to be under the leadership of Mr. Louis Kreidler. Nough said! Don't forget to go. Remember that the Presbyterian church holds a large number of people and appoint yourself a committee of one to see that there are no empty seats on the occasion of this rally.

MOFFETT IN CAPITAL TO OBTAIN 4 MILLION

Commandant in Conference with Secretary Daniels to Secure Appropriation for Naval Station

Confident his request for a naval training station large enough to accommodate 100,000 will be granted, Captain William A. Moffett, commandant at Great Lakes is in conference with Secretary Daniels in Washington. He is trying to persuade the head of the navy department to allow an appropriation of \$4,000,000.

The ambition of Captain Moffett is to make Camp Paul Jones the greatest aviation school in the world; to train 100,000 aviators and sailors to meet any emergency, if required; to launch a merchant marine so well manned and equipped it can master the seas even without the aid of the allies.

The commandant fully expects his request will be granted. His plan is to build 2,000 wooden "tents" in camp Paul Jones, improving all the land north of the main station, where there is natural drainage and which is particularly suited for the purpose; to use Camp Paul Jones exclusively for a ground school for aviators and to exhibit all foreign makes of airplane and seaplane motors. Already there are 1,500 enrolled in the school, which is in charge of Lieut. Lee Hammand.

BANK INSPECTORS MAKE ANNUAL EXAMINATIONS

Went Over Books of Highland Park State Bank Last Thursday

F. W. Brand of Chicago and J. F. Nickelson of Beardstown representing the State Banking Department visited Highland Park on Thursday for the purpose of making the annual examination of the Highland Park State Bank, an institution which has been operating under the supervision of the state for about fifteen years.

The examiners found the bank in the usual prosperous condition and both commented favorably upon the beauty and advantages of Highland Park as an ideal suburban residence town.

TO HOLD ORATORICAL CONTEST THIS EVENING

Woman's Missionary Society of United Evangelical Church Offers Prize to Best Speaker

The Woman's Home and Foreign Missionary Society of the United Evangelical Church will hold an oratorical contest at the church tonight at seven forty five. The ladies who are to take part will speak on a variety and interesting subjects. A silver medal will be given to the best speaker. A free will offering or a silver offering, as it has been designated, will be taken up. This money will assist the missionary work in Africa.

Women of Highland Park This is for You

Where are all the Women who Registered for WORK in the RED CROSS SHOP?

From the registration cards made by the Womens Committee of National Defense we find over six hundred women in Highland Park pledged themselves to give to Red Cross work from half a day to two or three days a week. This Registration was not compulsory, these women voluntarily promised to give the aid necessary to save the lives of American men and boys at the front.

The records at the Red Cross Shop show an average of not more than twenty five workers a day. If the women who pledged themselves for this work were doing their duty the average would be a hundred a day instead of twenty five. And even a hundred a day would not mean that Highland Park women were doing their best.

The origin of the well known phrase "Do your bit" was "Do your full duty and then a bit more." American women have the example of their English and Canadian sisters before them, those splendid women who have stood by their Government, giving their men and themselves. Are we so selfish and pleasure loving that we cannot make the small sacrifice of a few hours a week to turn out the surgical dressings and garments vital to the lives of the men and boys who are so steadily leaving us?

It is time we put personal feeling away. Suppose we do think the "red tape" of the Red Cross ridiculous, the care with which the surgical dressings are made too fussy, the sewing department not quite to our liking. Shall we forget we are citizens of the great United States which has never been beaten and which is now involved in the most terrible death struggle this Nation has ever known? Shall we fail our government, our brave men and boys who are so willingly offering up their lives to make our Country a place of safety for us to live in.

Women of Highland Park it is time to wake up and do your duty! The American Red Cross carries to our wounded lying desolate "somewhere in France" the supplies vital for life. These supplies are made by the women and if we fail the lives of thousands will be lost.

The Central Red Cross Shop is in the Presbyterian Church rooms and is fully equipped with materials of all kinds for surgical dressings and garments.

Your Country needs your help. Come and do your best and a bit more. The Shop is open every day except Saturday from nine to four.

TO EXAMINE ALL CLASS ONE MEN AT ONCE

Draft Board Gets New Orders Affecting All Men in First Class From This District

An order received by the Waukegan draft board Tuesday shows that the government is going to examine everybody in class 1 immediately.

This is contrary to the general expectation because it was expected that only a portion sufficient to get the quota that is to go to Rockford Sunday would be examined.

However, the order came in Tuesday and the draft boards begin examining next Tuesday the balance of the five or six hundred men in this district in class 1. And, they are going to keep at it every day until they have gone through the entire lot which has been classified in class 1. The board has been examining on the average of 75 or 80 a day, so it is seen it will take them about a week to finish up that work in class 1.

COMMUNITY SINGING PLANNED FOR MONDAY

Miss Jewett of Elm Place School to Conduct Affair. All are Invited to Join In

Monday evening at eight o'clock there is to be a class of community singing held in the Kindergarten annex at Elm Place. Miss Jewett will conduct the singing and will use a special collection of favorite songs. The Parent-Teacher Association is behind this movement and three such meetings as this will be held during the next few months. The enthusiasm aroused at yesterday's meeting over the children's singing and the discussion of music in the home led to the extending of this invitation to all the people of this community. There will be no expense attached to the movement and it will only require one hour's time of the evening designated. Further notice as to the next meeting will be given out at a later date.

MRS. PHILIP BRAND IS OLDEST WOMAN PIONEER

Lake County Centennial Committee is Compiling a Record of All Old Settlers

Mrs. Philip Brand, 93, who resides in Highland Park, is believed to be the oldest resident in Lake County, according to T. Arthur Simpson, member of the Lake County Centennial committee, who is assisting in compiling a record of all the old settlers of the county.

Mrs. Brand was born in Germany in 1825. She came to the United States in 1827, settling in Pennsylvania. In 1836 she moved from that state to Lake county, settling at Deerfield.

Mrs. Brand has been a resident of this county for 82 years. Her health is good and the condition of her eyesight is such that she is still able to read whenever she likes.

SEVENTY-FIVE DRAFTED MEN TO LEAVE SUNDAY

Highland Park Defense Council to Give Big Farewell Party Saturday Evening

The Highland Park Defense Council is going to give a house party over the week end and its guests will number seventy-five, all drafted men from local district number one, who, early Sunday morning will leave Highland Park for Rockford to enter Camp Grant, where they will train in the new National Army.

The men will go to the Highland Park club on Saturday evening for dinner, after which they will march to the Pearl theatre where they will be guests of the Council at the "movies". The boys will be accommodated over night at the club house. The hall room, parlors and library will be converted into sleeping quarters for these men. Cots and blankets will be brought from Fort Sheridan.

Breakfast will be served early Sunday morning and at seven twenty the special train will leave Highland Park, carrying on it the last quota of the first draft from this district. The following boys from this city will be among those who will entrain:

- James J. Flanagan.
- Paul Boernhoft.
- Wills Dever.
- Owen L. Patten.
- Marcello Rice.
- Vannazi Premo.
- George Kirby.
- Thomas James Peters.
- Dwight Livingston Merrill.

Under instructions received Monday from the office of the Provost Marshall General, Lake County, is called to supply an additional draft of 150 men for the National Army. District No. 2 which includes Waukegan and vicinity is called upon to supply one-half the draft, or 75 men. They will entrain at Waukegan at 7:05 a. m. Sunday. The additional seventy-five men entraining here.

Additional drafts will board the train at Willmette, Evanston, Kenmore station, and other places. By the time the train reaches Chicago, there will be over 450 men from Lake and Cook counties aboard. Arrangements have been made to route the train direct to Camp Grant.

DEFENSE COUNCIL PLANS DINNER FOR DRAFT MEN

FOUR MINUTE MEN ACTIVE

Mr. George R. Roberts Gives Report on House Campaign of Red Cross Membership Campaign

The regular meeting of the Highland Park Defense Council was held Tuesday evening, Mr. Mason in the chair.

Mr. Spenser spoke of the proposed dinner for the last quota of drafted men. This dinner will be held at the Highland Park Club Saturday evening and about seventy five will be present. The boys are to leave Highland Park Sunday morning at seven thirty on a special train which makes it necessary to provide a place for them to sleep. The present plan is to put cots in the Club and make them as comfortable as possible.

The mass meeting to be held Friday night, Washington's birthday was a capstone of good speakers are assured. Mr. George Jones, chairman of the "Four Minute Men" gave an outline of plans for the coming week. To illustrate how these short speeches get home, a request was sent out for field glasses, for the navy. The response was very slow until the "Four Minute Men" took the matter up and in a week more glasses had been turned in than the written appeal had been able to get in many weeks.

A letter was read from Mr. George Roberts in regard to the membership campaign for the Red Cross. It seems some people could not understand why they were not personally asked to contribute. Mr. Roberts showed that his committee had visited every house not once, but sometimes several times and were unable to find any one at home. The campaign was widely advertised and all any one had to do was to send in a membership even though the direct personal request was not made.

Mrs. Jones spoke of new plans for the Army and Navy Centre and is to have a full report at the next meeting of the Defense Council.

Miss Brown has a number of very interesting plans on foot for the education of our people. At her request the following Chairman of Committees were added to the Defense Council: Relief, Mrs. Otis L. Beardsley; Food Conservation, Mrs. C. C. Hughes; Thrift, Mrs. Roland Hastings. A food conservation exhibit is planned for the near future. Also cook books containing recipes for the use of the new materials are on sale at the Red Cross shop, price ten cents.

RED CROSS ENTERTAINMENT IS SUCCESS

Good Crowd Attends Program at Bartlett's Theatre Last Evening. Mr. Munro Speaks

A full house greeted the artists who presented an entertainment last evening at Bartlett's Theatre, Highland Park. The proceeds are to benefit the Red Cross Shop at Highwood, and judging from the good crowd the shop will be the recipient of many needed articles. Miss Priscilla Carter, pianist, Mr. George Jones, violinist, Mr. Rollin Pease, soloist, and Mr. Oscar Meyers, pianist all made the entertainment musically attractive.

The Fortieth Infantry Band, through the courtesy of the Post Commander furnished orchestra selections which gave a delightful touch of sentiment to the affair. Mrs. A. S. Richards gave a reading. A humorous selection was given by Mr. William Ludwig. Mr. R. E. Winters presented the city with a service flag, on which appeared thirty-nine stars, representing the men who have left Highland to enter the army or navy.

In his usual direct and pleasing way, Mr. Fayette S. Munro spoke to the company. The program ended with a tableau done by Miss Alma Kelley, a Jackie and a Sammy and six girls.

SIX ROUND BOUT POST GYM TONIGHT

Tonight there will be a six round boxing match at the Post Gymnasium, Fort Sheridan. Soldier Lee and Battling Tracey are to take part.

LAKE COUNTY AND NEARBY NEWS NOTES

ENLARGE GREAT LAKES

Subway Flooded at Lake Bluff. Lake County to Have Service Flag. Fort Sheridan to House New Cavalry

To Enlarge Great Lake's Band The Navy Department has ordered Capt. William A. Moffett to send part of his Great Lakes band to France.

When the call for volunteers across the seas was issued yesterday afternoon, every one of the 700 musicians under Lieut. John Philip Sousa stepped forward.

Captain Moffett has not announced how many musicians are to leave. An invitation has been sent to Armin Hand, son and successor of the late Johnny Hand of Chicago, to come to Great Lakes as bandmaster and to enroll as many bandmen as he can.

When the commandant realized the 700 piece band, now grown to be the largest in the world, was to be disrupted, he resolved to increase its size to 1,728 members—a navy regiment.

Subway Flooded at Lake Bluff

The tracks of the Chicago North Shore Electric on the Lake Bluff Libertyville line were entirely submerged for about one quarter mile at Lake Bluff Junction Thursday. The water raised very suddenly at about 3 o'clock in the afternoon until it was at least three feet deep in the subway, and the car in going east found it necessary to stop one quarter mile west of the main line and passengers were compelled to walk through the deep slush several blocks in order to reach Lake Bluff.
