LINCOLN SCHOOL

The seventh and eighth grades were invited to the High School on Tuesday morning to hear a patriotic address by Prof. Maria L. Sanford of the University of Minnesota. The pupils present all reported a most interesting talk.

A service flag presented to the school by the girls of the upper grades contains twenty eight stars corresponding with the twenty-eight on the Lincoln School honor list. This number includes the one gold star for Dumaresq Spencer.

The pupils are making an effort to increase the names on the Thrift Stamp list. About fifty per cent or one-half of the children are buying stamps and they are in hopes of having a great many more names added to the list in a short time.

The fifth and sixth grades are planting tomato seeds in hot beds this week. The seeds were saved from the finest tomatoes of last year's crop.

The tulips which were planted last fall were brought in and are in full bloom. This adds a touch of spring.

The visiting day last Thursday proved a great success. After school addresses were given by the teachers and the mothers were shown an exhibit of Red Cross work, including knitted socks, quilts and garments made by the pupils.

ELM PLACE SCHOOL

Mr. U. J. Hoffman, Assistant Superintendent of Public Instruction at Springfield, Illinois, and County Supt. T. Arthur Simpson spent the morning at Elm Place on Monday, March 11th, and made very interesting talks at morning assembly. Mr. Hoffman is here to promote the motion picture films which the state is planning to prepare for the Centennial Celebration at Springfield in August next. Elm Place and Deerfield Shields are to represent the modern school in all its departments and the work of preparing the film will begin sometime in April. Mr. Hoffman is looking about for an old log house which can be fitted up as a part of the scenario for dramatization of a public school one hundred years ago. It is probable that young people of Highland Park will have a part in this project also. Further announcements will be made later.

The Parent-Teacher meeting which was to have been held yesterday afternoon at Elm Place has been postponed until next Wednesday afternoon on account of the inclement weather.

FIRST CHURCH OF CHRIST, SCIENTIST

Hazel Ave., near St. John's Ave. Subject for next Sunday's Lesson Sermon is "Substance."

Services are held in this church every Sunday morning at 10:45. Sunday School meets immediately after the morning service, and is open to pupils up to the age of 20 years. The Wednesday evening meeting, which includes testimonies of Christian Science healing is at 8 o'clock.

You are cordially invited to make use of the reading room at 387 Central Avenue, which is open every week day, from nine o'clock in the morning to 6 o'clock in the evening.

HAVE YOU LIVED IN ILLINOIS FIFTY YEARS

If You Have, or If You Know Anyone Who Has Let the Lake County Centennial Committee Know

Have you lived in Illinois fifty years? Do you know anyone who has lived in Illinois fifty years?

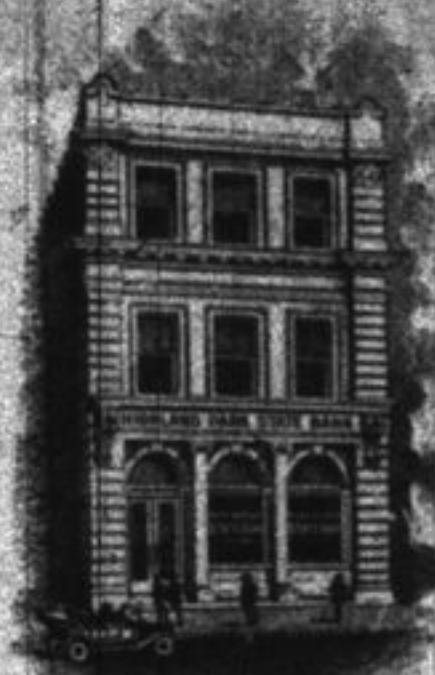

It is the desire of the Lake County Centennial Committee to secure the names of all persons, residents of the County, in this Centennial year of the State, who have lived in Illinois fifty years or more.

A partial list has been secured and has been printed but it is incomplete. All those who know of people who have resided in Illinois for fifty years or more, may communicate with either Mrs. Sewall Truax, phone 620 or Mr. Patrick Maroney, Phone 7203. This work is all under the auspices of the Lake County Centennial Committee.

WAR TOPICS BY MR. J. S. DUNCAN CLARK

Given Last Evening at an Open Meeting of the Woman's Civic Club at Ravinia Village House

A very large and enthusiastic assemblage gathered last evening at the open meeting of the Woman's Civic Club of Ravinia, at the Ravinia Village House, to listen to a most interesting address on War Topics by Mr. J. S. Duncan Clark.

Mr. Clark said "The American people need to have no anxiety as to the report of the defenses to be launched at the front this spring. The enemy has never broken the lines on any front without first corrupting the lines with propaganda and inducing the soldiers to lay down their arms. When war began the enemy held all the points of observation and advantage along the western front so that the enemy could make no moves in daylight without being fully observed by the Germans. As a result of what has been taken in 1917 the allied armies hold all but one of the points of observation and advantage. This is a great gain. The enemy now may be able to mass an equal force against the allies. The Germans have been able to increase artillery forces because many of their guns have been brought from the east. At present the Allied forces have superior artillery forces and superior aero forces. The difference between the attack by an aero force of the enemy and the allies is that the Germans have made their attacks to terrorize the enemy, while the allies have been using their planes to do actual damage to the military centers, and organizations. As a result of this warring of planes by the Germans, the Zeppelins discarded months ago were used in a recent air raid because she is now trying to save her planes for other attacks. The Allies need not have any serious alarm as to the outcome of the war. Always Germany has had in mind by military decision, that she would gain a peace offensive through negotiations. She has to end this war by whatever she accomplishes in the next six months. At the end of that time the United States will be so prepared that a military decision will be impossible for Germany."

The two points which were emphasized most were, that the Allies need not be alarmed at the outcome of the war, and that great precaution should be taken against the decline of morals at home even more than at the front.

SUCCESSORS TO MENINGITIS AFTER ONE DAY'S ILLNESS
Percy W. Oke, of Lake Forest, a former Basket Ball Star of Deerfield Shields
Percy W. Oke, son of William Oke superintendent of the E. J. Walters estate at Lake Forest died Monday morning at eight thirty o'clock in Lake Forest of spinal meningitis, after one day's illness. Oke, who was 20 years old was a star basketball player at Lake Forest college and at Deerfield High school. He was a graduate of the class of 1916 of the Deerfield-Shields High School. On Saturday night he played with the Young Men's club team of Lake Forest. After the game he complained of feeling slightly ill but attached no importance to it. Sunday morning he suffered another attack and became unconscious. A private funeral was held Tuesday afternoon. Burial took place in Lake Forest. He leaves to survive him, his father and mother, a brother, Sydney and sister Eva.

MANY APPLY FOR CLERICAL GOVERNMENT WORK

Thousands of Loyal Citizens Respond to Their Country's Call to Aid in War Work

That American men and women are eager to accept every opportunity to help in the nation's greatest undertaking is evidenced by the responses received to the announcement of the United States Civil Service Commission of the need for general clerks. The commission sent out a call for clerks to be employed in the departments in Washington, and January 5, February 9 and March 9 were set as examination dates. About 35,000 persons applied for admission to these examinations. A large percentage of the applications came from persons whose sole purpose in seeking Government employment was to help keep the war machine moving. This prompt and heavy response has made it unnecessary to hold further examinations for general clerks in the near future. Examination for stenographers and typewriters and for clerks trained in certain special or technical lines are still being held.

The most pressing need of the Government service in Washington right now is for a large number of well qualified stenographers. The Civil Service Commission urges persons who are equipped to pass the stenography part of the examination to apply at once. Examinations are held at least once a week in 450 of the principal cities. Definite information and application blanks may be obtained from representatives of the Civil Service Commission at post offices.

LADY BOXER AT FORT SHERIDAN TONIGHT

Helen Hildrith, Bantam Weight to Meet John Atkinson at Post Gymnasium

Helen Hildrith, champion lady bantam weight boxer, will meet John E. Atkinson at the Fort Sheridan gymnasium tonight.

Six other bouts are on the program.

PRESBYTERIAN CHURCH

NOTICE

I hereby announce myself a candidate for re-election to the office of Township Assessor. Election, Tuesday April 2nd, 1918.

James H. Duffy.

NOTICE

Bids for the construction of a sheeting breakwater 150 feet, more or less, in length to extend into Lake Michigan near the water works on the general plan of the U. S. Government south sheeting break water at Fort Sheridan, will be opened on Monday, March 18 at 8:00 p. m. at the office of the Park Board in the City Hall. Specifications may be seen at that office.

F. W. Cushing, President, Highland Park East Park District.

Sherman was right. A chewing gum factory has been started in England as a result of the war.

SCOUT ENTERTAINMENT TO BE REPEATED

Local Organizations Ask to See Exhibition Recently Given at Elm Place Given Again Mar. 22

The Boy Scout Exhibition, which took place a few weeks ago is to be repeated on March 22nd 1918, at the Elm Place School, at eight o'clock p. m. The local administration, headed by Mayor Hastings, the Highland Park Business Mens Association, and the Highland Park Club have joined in a request to the Scout masters to repeat the exhibition for the purpose of displaying as generally as possible just what Scout work does for the boy. No admission will be charged.

There are a great many boys of scout age in Highland Park that are not identified with this world wide movement, and there are as many parents who are not familiar with it. It is hoped that parents who have sons twelve years of age or older will attend this exhibition, and in doing so determine whether scouting does not add materially to a boys training. The administration from President Wilson down is actively behind the Scout movement.

Despite the very large attendance at the previous exhibition, it is felt that many parents with boys of Scout age might be reached if the exhibition were repeated. Therefore anyone interested is cordially invited.

CLASSIFIED More Classified will be found on page Eight FOR SALE

For Sale - 1 antique mahog. finish four post bed, box spring and mattress; green denim covered over stuffed davenport; gray enameled wicker bird cage and stand. Call today or this evening. Tel. 1183 H. P.
