With closed schools and soap conservation enforced, the small boy can now be a reg'lar seller without running away from home.

FIRST UNITED EVAN.

Corner Green Bay Road and Laurel Avenue. C. G. Unangst, Pastor.

Mr. Howard Kust preached a very pleasing sermon on "The Great Salvation," last Sunday evening. His many friends were glad to hear him again. He and Rev. Unangst left the early part of the week for Dixon, Ill., to attend the annual conference. Mr. Unangst intends to be back in Highland Park and occupy the pulpit as usual a week from Sunday, March 31st.

During his absence next Sunday, a substitute from the Moody Bible Institute will be supplied and the order of services will be as follows:

9:30 a. m. Bible School Lesson, "Jesus Ministers to the Multitude," Mark 6:32-56.

10:45 a. m. Preaching service.

6:30 p. m. K. L. C. E. prayer meeting. Topic "Remedies for Intemperance." Leader, Dr. Earl Fritsch.

7:30 p. m. Preaching service.

English prayer meetings are held in the church on Wednesday evenings at 7:45 o'clock.

PATRIOTIC LEAGUE

Mr. F. S. Munro of this city, and Mayor John Meyers and the Rev. E. Tetreau of Highwood, and Chaplain Renier of Fort Sheridan, are to be the speakers at the launching of the Smiley Book Campaign which will take place at the Patriotic League Rooms, Highwood, on Saturday afternoon.

On the same afternoon Highwood's Service Flag will be publicly unfurled at the League Rooms where it has been presented for display.

The young women of the League will be assisted in their efforts by the Fortieth United States Infantry Band from Fort Sheridan.

Festivities will begin at two o'clock and after four o'clock the rooms will not be open to the public.

The League members have asked the speakers and the members of the band to remain after the program, to have supper at six o'clock. Those on the entertainment committee are Miss Katherine Kenry, Chairman, assisted by Miss Helen McQuillan, Miss Aileen Fritsch and Miss Marion Moore.

With closed schools and soap conservation enforced, the small boy can now be a reg'lar seller without running away from home.

HIGH SCHOOL NOTES

Tied for first place in the second division of the Suburban League, with Bloom, the basket ball team is deprived of the chance of playing off the tie by a Suburban League ruling.

The track team started out well by beating LeGrange in a meet and last Saturday we came out creditably at the All-Suburban League annual track-meet held in Bartlett Gymnasium.

We beat New Trier out in both Junior and Senior bills. David Kimball was high man in the Junior meet capturing 19½ points out of 22½ in that class.

Kimball bettered the record in the high jump by 3½ inches and won the 220, low hurdles and broad jump.

He shows the stuff and if he will try next year he should exhibit winning form.

Bamforth lost the mile run by a foot or two, but ran in winning form.

Last Thursday the Boys' Gymnasium was crowded to the walls by a host of spectators who had come to see the women of the faculty play the junior girls, and the men of the faculty play the senior boys. The students won both games, the first one by only four points.

Today the senior boys and the junior boys are fighting it out; a game between the fat men and the thin men is also being played. These will probably be the last basket ball games of the season.

At the end of this week Miss Marguerite Tucker, who for the past four years has been at the head of the Domestic Science Department, will leave for Kankakee, Illinois, where she will take up the work as Adviser for the Kankakee County Home Improvement Association.

We are sorry to lose Miss Tucker and are willing to let her go only because in her new work she will find wider opportunity to make use of the training she has recently had in Columbia University and because the field she is entering is in need of trained workers.

The Lake County Teacher's Institute met at the High School on Friday of last week. An excellent luncheon was served to about two hundred and fifty people in less than 35 minutes, proving once more the efficiency of Deerfield's lunch room.

In the afternoon the Mandolin Club played and the chorus sang two numbers, adding much to the program by their appearances.

On the day of the Institute a fine new service flag made its appearance in the Assembly Room.

This flag, with its 16 stars, including the one gold star in honor of Du-

mresco Spencer, is the gift of the High School Section of the Parent-Teacher Association.

All the English classes are much interested in the study of a new book called "Democracy Today." This book consists of the speeches of prominent Americans collected with the definite idea of teaching patriotism.

We believe that its effect will be seen in all the homes of the school district.

This book, selling for the small sum of thirty-five cents, is one which all loyal Americans, who desire to keep well-posted on the reasons for their Americanism, might be glad to have in their libraries.

Tomorrow evening the annual concert and cadet drill exhibitions take place. A fuller notice appears in another part of this issue.
