AFTER disgruntled winter has left us on the doorstep of a hopeful springtime our health is rejuvenated and our ambitions revived. This is quite the proper time to attend to the plumbing needed in your home and we are quite the proper plumbers to attend to it.

George Bachelder Cummings

Former Resident Who Died March 22nd at Chicago Home

George Bachelder Cummings late of Highland Park entered into rest March 22nd after a long illness. For thirty six years he owned and conducted a drug store here, retiring in 1909 because of failing health. During his residence Mr. Cummings served on the Board of Education, was postmaster seven years, was elected City Treasurer three terms and served the city in other offices. In all positions of public trust his integrity was never questioned. Although left an orphan while young, the heritage of New England ancestors developed a character fearless for the right. When Mr. Cummings was in active business a young man who had grown up in Highland Park made this statement:

"Mr. Cummings had a greater influence for good among boys of this town than any other man who ever lived here. If he thought we had been sowing a few wild oats he would talk to us like a grand father and we respected him and honored him for it."

Mr. Cummings leaves a widow, a son George Willis Cummings and a wife, and a grandson, Willis Bachelder Cummings.

Miss Gertrude Shaw of the Racine Public Schools spent Monday with her sister, Miss Lucille Shaw. Other visitors of the week included Miss Fannie Cress and Miss Ely of Oak Park.

The children are making up their lists of trees and shrubs to send to the nursery. Governor Lowden has set apart April 19th as arbor day and it is hoped to have considerable planting by individual children this year as has been the case in past years. State Superintendent Blair has urged every school in the state to plant a Centennial tree, and each of the Elm Place children has been invited to contribute one cent towards a tree fund. It has been decided to plant a fine specimen each of Elm, hard maple and oak, on the parkways.

H. P. WOMAN'S CLUB

The Highland Park Woman's Club held an evening meeting open to guests, last Tuesday at the city hall, in order to have the privilege of hearing Major Funkhouser of Chicago, on the censorship of movies. The program was in charge of the civics committee, Mrs. Carl Pfanstiel, chairman to whom the club is grateful for this opportunity brought to them.

The club also wishes to express its thanks to Mr. Bahr for the gift of two beautiful baskets of Easter flowers for the occasion.
