LIBERTY BOND

The Third Liberty Loan campaign closes on Saturday, May 4th. It has been a spectacular one and gives promise of most gratifying results.

Districts all over the nation have rivaled to put over their respective quotas and to accomplish this men, women and children prompted only by unselfish patriotic motives, with sleeves rolled up, have devoted time, labor and energy.

Highland Park is determined to do its part, but there must be no slackers. Every one should share in this splendid privilege. Let our beautiful city add a star to its firmament of good reputation by coming up 100% American on the 3d Liberty Loan.

When the roll of honor is called your answer should be "Here." When the districts are lined up in the great Victory parade you will want to march in the procession.

When the Liberty flag is floating in the breeze of Highland Park let it be our flag, your flag, my flag.

File your subscription today. It spells and represents

Duty, Honor, Privilege, Patriotism
