

To the Voters of Lake County:

I hereby announce that I am a candidate for re-election to the office of County Clerk, subject to the decision of the Republican Primary to be held Wednesday, September 11th, 1918.

I have served you in this capacity for nearly eight years. With this experience, coupled with a legal education, I feel that I am as capable of conducting this office for you as any one you could select.

The manner in which I have conducted my office you all know. If I have been efficient, you know it. If otherwise, you know it; therefore I need waste no words upon that subject.

It is my wish, however, to assure you that re-elected I shall render you the same service I have given you in the past with such improvement upon the same as my increased experience empowers me to add. I desire nothing other or further than the treatment accorded a tried servant, to be discharged or retained in accordance with the fidelity or lack of it with which I have performed my duties.

I therefore respectfully solicit your vote and support.

LEW A. HENDEE
County Clerk.
