Highland Park's Honor Roll

Someone has said that "Food will win the war," that's true, but we think that Highland Park is going to be a great factor in winning the war. Witness the following Honor Roll which The Highland Park Press is publishing occasionally. There are some two hundred names on this honor roll. The Press is mighty proud of the young men of this city who are enrolled in Uncle Sam's army. That's why we publish the list.

Of course we need a little help in this work and our readers are the ones we look to for help. If you chance to know of some youth who is in service and whose name does not appear in our list, let us know his name. If there is an error of any kind, and you see it, let us know about that, too. All we ask is that you remember that it is very hard to get a complete list, and we need cooperation. Our telephone numbers are 657 and 558. Thank you.
