SOCIAL ACTIVITY

Miss Johanna Zumph and Miss Mary Carson, assisted by the Misses Bertha Witt, Lynda Delbert, Edith Witt, Hilda Nelson, Esther Peterson and Laura Dresdow, entertained several soldiers and sailors at a beach party Saturday evening, August 24th. There were forty guests present and all enjoyed a delightful evening. Miss Zumph is especially interested in planning entertainments for our soldiers and sailors.

Mrs. W. A. Alexander was one of the enthusiastic patronesses who helped furnish such delightful entertainment for the 500 boys in khaki and blue, who were the guests of Ravinia Club over the week end.

The 300 delicious cakes contributed for the occasion, although heartily welcomed by the boys, were not half enough. There is a great deal of rivalry among the patronesses, each one anxious to provide the best, and they are making it themselves.

On Tuesday evening last week the Weisenberg family of Winnetka were entertained at the Frank Sheahan home on Central Avenue.

Miss Margaret Carry of Washington, D. C., and formerly of Highland Park, is being entertained at the Lake Forest home of the D. Mark Cummings. Miss Carry will remain in town until after the King-Mitchell nuptials, at which both she and Miss Edith Cummings will be among the bride's attendants.

The Misses Violet and Florence Knudson of McGovern St., were the hostesses at an informal jackie party on Sunday evening.

On Saturday evening Bob-o-Link Country Club gave its regular dinner dance.

The Sunday hostesses at the Army and Navy Center included Mesdames Frank Terry, Catherine Vail, John Croke and Harry Mills.

Mrs. J. McGregor Adams has charge of the suppers to be given for 3000 jackies at Ravinia Park August 31 and September second. A program will follow.

Miss Edna Geister, the national recreation secretary for the Y. W. C. A., will give a demonstration game party for soldiers and sailors at the Young Ladies' Patriotic League rooms in Highwood tomorrow evening.

The Misses Siljstrom were hostesses at several informal jackie parties last week.

The Labor Day Dinner will be held Saturday evening, August thirty-first. The marriage of Miss Anne Coffin of Montgomery, Ala., and the Rev. Francis Coffin a former resident of this city, will take place Monday in Montgomery.

The Highwood Red Cross Auxillary will give a luncheon tomorrow for Mrs. Frank R. Cain who expects to leave shortly for France in Red Cross service.

A very delightful dinner party was given at the Highwood Patriotic League last Saturday evening by several young ladies after which they attended the party at the Episcopal Parish House in charge of Miss Geister.

Miss Marie Rafferty and Miss Margaret Farmer attended a beach party at Glencoe Sunday evening.

Several Highland Parkers were among the guests at Miss Seery's dinner party which was given at her home in Evanston on Tuesday evening. It was a farewell party for Ensign Harry Eichler and Ensign Budd Long of Chicago who are leaving Friday for Princeton University. After the dinner the young people attended the jackie dance at the Woman's club.

On Thursday of last week Miss Irene Needham, who has been visiting in Highland Park, was entertained at an informal dancing party at the Carolan home. The guests present were Ensigns and C. P. O's, from Great Lakes.

This evening, Ensign Harry Eichler will be the guest of honor at a dinner dance to be given by Miss Irene Needham at her home on Michigan Ave.

Civilization has been amazing patient with its autoerats. It has taken them several thousand years in which to make good, and would rid itself of them now without bloodshed did they not fatuously resist the march of progress.

ANNOUNCEMENT OF COLORS OF PRIMARY BALLOTS

Announcement is hereby made that the Colors of the Primary Ballots to be used at a Primary Election to be held in Lake County, Illinois, on Wednesday, the eleventh day of September, A. D. 1918, by the respective parties will be as follows:
Republican Party, White.
Democratic Party, Green.
Socialist Party, Pink.
Dated the 26 day of August, A. D. 1918.

LEW A. HENDEE,
County Clerk.

Barefooted Berliners will be enthusiastic over the news that a Hun General and his staff have been captured wearing pink silk pajamas.

German prisoners say American soldiers are foolhardy. Better be foolhardy than just plain Kaiser's tools.

An American soldier found his own father among a batch of German prisoners. Can the Yankees fight? Ask dad; he knows.

Charles M. Moderwell,

candidate for Congress in the Tenth District, was born in Geneseo, Illinois, in 1868. He is of Scotch-Irish parentage, his ancestors having come to America in 1690. He has lived in Illinois all his life, in Chicago for nearly thirty years and in the Tenth District for nineteen years.

Mr. Moderwell received his early education in the public schools of this state and later attended Wooster College at Wooster, Ohio, where he graduated in 1889.

Mr. Moderwell is an independent coal operator of many years' experience. Last year he went to Washington as a member of the committee on coal production of the Council of National Defence, where he remained continuously for about nine months. Later he assisted the state fuel administrator of Cook county during the coal crisis of last winter.

Mr. Moderwell is a member of the Presbyterian Church, vice-president of the City Club of Chicago, chairman of the Political Action Committee of the Union League Club, and a member of the Executive Committee of the Chicago Association of Commerce.

He is married and has one child, a boy fourteen years of age. He resides at 5944 Winthrop Avenue, Chicago.

In submitting his candidacy to you, we do not appeal to any particular faction in our party. This is no time for factional politics among candidates for Congress. We ask the support of all voters regardless of factional lines.

The supreme demand today is to win the war. As a member of Congress, Mr. Moderwell will devote his full energy with that end in view. He will give whole-hearted support to every administrative measure for the accomplishment of this great purpose. He is for the country first and the party next. He is 100% loyal, by deed, training and ancestry.

Mr. Moderwell is unalterably opposed to any form of an inconclusive peace. He is an advocate of a national budget system, a central appropriating body in the House of Representatives, and the elimination of the many useless and inactive committees. He is free to give his entire time and attention to congressional work.

Mr. Moderwell possesses the known talent and character to meet and solve intelligently the vast governmental problems which confront us. We ask the support of all good loyal citizens.

MODERWELL CAMPAIGN COMMITTEE.

Remember the date of the primary, September 11, 1918.
It is more important to vote then, than at the November election.

German and Austrian legislators may howl against militarism in speeches, but they invariably vote the war credits that militarism demands.

Announcement:

I desire to announce to my many friends that I am a candidate for the Republican nomination for Sheriff of Lake County, subject to the Primaries on September 11th.

In asking their support at the primary I am doing so entirely on my previous record as Sheriff during the one term I held that important office, during the year 1910-1914. If renominated and elected, I shall do all within my power to again administer the duties of the office in an efficient and satisfactory manner.

I appreciate the support already given me throughout the county and am willing to let my previous record stand as the basis for asking support at the coming primary.
