SOCIAL ACTIVITY

The summer season of dances for soldiers and sailors which have been held at the Highland Park Club, Saturday evenings, during the past few months, closed last Saturday, for a month following a most successful season. The success of these affairs was due to the untiring efforts of Mr. and Mrs. Mason, Mr. and Mrs. Newbold and members of the Highland Park Club. Although this was the close of the summer season other features are in store for the coming winter. Every Saturday evening the parties at the Episcopal Parish House continue to be just as popular and all the girls of the G. C. C. are urgently requested to attend these parties. An experienced entertainer will have charge of the entertainments.

Haste thee, Nymph, and bring with thee, jest and youthful jollity. Even the inclement weather had no effect whatever on the success of the frolic that was given last Friday evening in the Highwood Patriotic league rooms under the most capable direction of Miss Edna Geister, national recreation secretary for the Y. W. C. A., given for soldiers and sailors. Miss Geister is a most clever young lady and in a charming way introduces unique forms of entertainment which not only attract the younger, but the older as well. Following the games very dainty refreshments were served. Pictures of the party were taken to further the interest in war recreation work. All reported a most pleasant evening.

FIRST UNITED EVAN.

We were glad to note the presence of quite a number of strangers at the services on last Sunday. It was also encouraging to note that practically all who were present at the Christian Endeavor meeting took some part in the service. At an important meeting of the official board of the church it was decided that our special evangelistic meetings shall be held before the cold weather

sets in. They will begin on Sunday, October 27th, and the pastor will be assisted by an experienced evangelist and Bible teacher.

The pastor will have some interesting things to present to the boys and girls on next Sunday morning. The following is the program for the day:

9:30 a. m., Sunday school. Bible lesson on, "Conquering Evil." 1 Kings 21:11-20. Eph. 5:11-18.

10:45 a. m., Morning worship. Sermon on, "The Ministry of Faith."

7:00 p. m., Christian Endeavor meeting. Topic, "Training Conscience and Trained by Conscience." Ps. 51: 1-13. Prov. 20:27. The meeting will be lead by the pastor.

7:45 p. m., Song service and sermon on, "The Meaning of the Cross of Christ."

At a great convention of Christian workers held last June it was stated that during the past year "runaway girls have increased fifty per cent. In forty-seven out of sixty homes visited by a company of Christian women one evening not long ago it was discovered that the girls between the ages of fifteen and twenty-five were out and the parents were totally in the dark as to the whereabouts of their daughters. These facts are significant and they call for serious consideration. Family government on Scriptural principles must be resumed. The church can contribute much toward the solution of the problem. All parents should attend divine services and it is their duty to bring their children under the renewing and uplifting influences of the house of God. Failure at this point will mean sorrow and unavailing regret hereafter.

Your Congressman

It has been truthfully said, "NEVER IN AMERICAN HISTORY HAVE BRAINS AND CHARACTER BEEN NEEDED MORE IN CONGRESS OF THE UNITED STATES THAN THEY WILL BE AT THE TIME, PROBABLY WITHIN THE LIFE OF THE NEXT CONGRESS, WHEN GERMANY BREAKS AND PEACE COMES."

The Future is at Stake

Not only is it important that a Congressman be selected who has the capacity for the place, IT IS VITAL. The war MUST be won. Rehabilitation and readjustments must be made. The Congress must do the work and provide the means. The future is at stake.

It is so time to send mediocre men to Congress. It will not do to support a candidate simply because, for political reasons, he has been put forward by a faction or organization. The day for the mere political office seeker has passed.

It is both our civic and patriotic duty to go to the polls on Wednesday, September 11th, and nominate the best talent and character available in our district. Investigate all your candidates. Inquire as to their fitness to solve the many important governmental problems now confronting us.

Nomination of the right man at the primary, in our district, is equivalent to election in November. Select your candidate with the greatest care. Be sure that he is 100% loyal.

THERE CAN BE NO INCLUSIVE PEACE.

After concluding your investigation, we feel confident you will nominate

CHARLES M. MODERWELL

PRIMARY DAY, WEDNESDAY, SEPTEMBER 11TH

VOTE FOR
FRED E. STERLING
OF ROCKFORD

CANDIDATE FOR REPUBLICAN NOMINATION FOR
STATE TREASURER

Primary Election Wed., Sept. 11.

The man who, as Chairman of the Republican State Committee, managed the successful Republican campaign in Illinois in 1916.

He comes from Big Republican Winnebago County, which has never had a Nominee on a Republican State Ticket.

He is widely known and will add strength to the Ticket at the November Election.

It may be assumed that the once important factor, "the German vote," has disappeared for good and all in American politics.

Announcement:

I desire to announce to my many friends that I am a candidate for the Republican nomination for Sheriff of Lake County, subject to the Primaries on September 11th.

In asking their support at the primary I am doing so entirely on my previous record as Sheriff during the one term I held that important office, during the year 1910-1914. If renominated and elected, I shall do all within my power to again administer the duties of the office in an efficient and satisfactory manner.

I appreciate the support already given me throughout the county and am willing to let my previous record stand as the basis for asking support at the coming primary.
