

NUMBER 29

HIGHLAND PARK, ILLINOIS, THURSDAY, SEPTEMBER 12, 1918

VOLUME 8

RAVINIA PARK TO BE KEPT OPEN FOR THE SOLDIERS AND SAILORS

WAR RECREATION WORK TO CONTINUE INDEFINITELY

Special Events Interesting to the Public as Well as to Men in Uniform is Provided for this Coming Week End

The Ravinia Club announces that the splendid attendance at the "Great Lakes All-Star Vaudeville" in the Ravinia Park Pavilion last Saturday and Sunday, the entire proceeds of which was approximately \$3000 from which go into the War Recreation Fund of the Club, has provided a substantial fund which insures the successful continuance of the entertainment of large number of sailors and soldiers at Ravinia Park every Saturday and Sunday as long as it is reasonably possible.

The Club has increased its organization to include the work as long as it is reasonably possible. The Ravinia Company has generally given the use of the park and buildings. The entire first floor of the Casino has been turned into a most attractive club, providing reading, writing and lounge rooms for the men in uniform. The second floor of the Casino, which is the ball room, will be used for the Saturday night dances and for serving supper when the inclement weather drives the boys inside. The enclosed theatre, which will seat over 1,000 boys, will be the scene every Saturday and Sunday night of high class vaudeville performances. Foot-ball, base-ball, athletics, races, stunts, band concerts, and military events will keep things going with a rush every Saturday and Sunday afternoon, and supper will be served, without charge, both days to every man in uniform. Needless to add that the program for Saturday and Sunday provides entertainment and good cheer for the boys from the minute they set foot in the park till they take the last train back to camp.

As was expected of them, the boys from the Great Lakes put on a great show, and a large majority of those who saw them have expressed the feeling that they never got more for their money. The War Recreation Board of Illinois has promised further financial assistance for the continuation of the work at Ravinia Park.

A representative of the War Department made the statement at a meeting the other day that the War Recreation Work at Ravinia Park was the largest of the kind being carried on anywhere in the country. The statement of the Ravinia Club made within the week shows that more than 35,000 boys in uniform were entertained at the Park during the ten weeks of the season, the week-end attendance only once falling below 2,000 and averaging well over 3,000. 3,000 boys have attended the suppers on Saturdays and more than 5,000 have attended the Sunday evening entertainments in the Club rooms and in the theatre. But something of the huge accomplishment of the Ravinia Club may be judged from the fact that, with the splendid co-operation of the Club sub-committees in the various North Shore towns, more than 45,000 suppers were served free to the sailor and soldier boys between June 29 and September 2.

The officers of the Club, referring briefly to the great number of evidences of the value of this War Recreation work, say that they can testify, to the great credit of their guests in uniform, that not one in all the 35,000 boys has abused the hospitality offered him.

H. S. MASS MEETING LARGELY ATTENDED

JUDGE LINDSEY IS SPEAKER

Music by Great Lakes Concert Quintette. Community Singing Was Led by Mr. Carl Booth

It has been said that in all other wars home life has been swept away from the soldiers. It was clearly demonstrated last Friday night at the Deerfield-Shields High School, upon the occasion of the first mass meeting of this community, that if present plans carry, that this war and this Community will not abruptly sweep from our soldiers the home life from which they have temporarily been severed.

The Committee in charge had placarded the north shore from Glenocoe on the south to Lake Forest on the North, and as a result the Girls' Gymnasium was comfortably filled when the hour of calling the meeting arrived.

The Rev. P. C. Wolcott called the meeting to order and briefly outlined the work of the Board in charge of our War Camp Community Service and called upon Mr. Carl Booth to lead in a community singing, which clearly indicated that our community is capable in this particular line of endeavor.

Mr. W. A. Alexander was then introduced and called particular attention to the necessity of quick action.

EVANSTON HIGH TO TEACH HUN LANGUAGE

The German language will be taught in Evanston Township high school this year. Refusing to follow the example of Waukegan, Highland Park, Wilmette and other north shore schools which have eliminated the German language, registrations for this year's German classes were started yesterday. Evanston high school will be the only one on the north shore teaching the language this year. The Township high school board of education, in a meeting, decided to continue teaching it.

Government Orders

EVERY SUBSCRIBER SHOULD READ THE ORDER CAREFULLY

Every Newspaper in the Country has Received the Following Official Order from the War Industries Board: "Discontinue Sending Paper After Date of Expiration of Subscription Unless Subscription is Renewed and Paid for Within Three Months." (This Ruling Goes Into Effect Oct. 1, '18.)

This means that all outstanding accounts (or arrearages) must be paid, and that no paper in the United States can be sent by mail unless paid for in advance.

In the past the Press has allowed subscribers to owe for a year and in some cases longer. Under the new order all must pay in advance if they wish the paper sent them. We have no voice in the matter. It is a Government order.

The label on your paper will show to what date your subscription is paid. If it is not now paid in advance, please attend to the matter at once.

The Government has laid down the rule that we must follow. We ask you to co-operate with us in carrying it out.

Although Shurtleff and McDonough ran ahead in Lake County for Representative, unofficial returns show the nomination of Shurtleff and Vickers in the District.

OUT-DOOR WEDDING AT GREAT LAKES

Military Ceremony Witnessed by 3000 Jackies in Ravine Theatre. Three thousand jackets seated on the sloping sides of the beautiful Ravine Theatre between Camps Farragut and Decatur, furnished the setting for Friday for the wedding of Miss Joan Weeks, a pretty young Evanston girl, to Chief Quartermaster Ned Bawth, commanding officer of the Ninth Regiment.

The altar in the depths of the Ravine Theatre where the ceremony was performed, was draped with a large American flag, while flowers were profusely but tastefully arranged on either side.

It was a strictly military wedding. The bride and bridegroom were united in marriage by Chaplain W. P. Williams and after the completion of the ceremony marched from the Ravine, up the long flight of steps through a "fighting arch" formed by the crossing of swords and rifles carried by company commanders and sergeants who were stationed at intervals along the stairway which led up from the altar.
