HAVE YOU VISITED THE LIBRARY LATELY?

Miss Margaret Riddon is in charge. Large Numbers of New Books Lately Received

Which will you be?
Rich man, poor man,
Beggars, thief,
Doctor, lawyer
Merchant chief?

The Public Library has books to help you decide.

Because of the great demand for Gerard's "My Four Years in Germany" after the showing of that film a week ago at the Pearl Theatre, the Public Library has secured several additional copies of the book.

The Library is open from 9 a. m. until 9 p. m. every day except Sunday, except for an hour at noon (12 to 1 o'clock) and in the evening (6 to 7 o'clock). "It is the most cheerful place in town," said a woman coming into the Library last Saturday. There were seven children sitting round the open fire reading and a new magazine lay open on the table beside the speaker. Out of doors it was cold and raw, but the log fire indoors and the rows of smiling books were cheerful, so were the children, so were the grown-ups. Such is contentment. Do you like a good book? Do you need inspiration for your work? Do you want to know the latest Food Administration directions? Come to the Library. It is your Library. You pay for it. Why don't you use it?

Here are some of the new books received last week:

Austin: Uncle Sam's Boy at War. (Showing the way the Yanks do things.)

Deland: The Waring Girls. (A good story for girls.)

James: Arizona. (A beautiful edition, charmingly illustrated.)

Porter: A Daughter of the Land. (The latest Gene Stratton Porter Novel.)

Rinehart: The Amazing Interlude. (Second copy.)

Teasdale: Love Songs. (The Columbia University prize winner, and the only volume of poetry ever awarded a prize in America.)

White: The Martial Adventures of Henry and Me. (A personal chronicle, humorously illustrated.)

HIGH SCHOOL NOTES

Thursday, after school, all four classes held election of officers and councilors. The Senior class re-elected Harry Bell president, Henrietta Shreve was elected vice-president; Winifred Wadsworth, secretary and Clorihew Morgan, treasurer. The Juniors also re-elected their last year's president, Carl Schaefer. The other successful candidates among the "Jolly Juniors" were Mary Tapper, vice-president, Eugene Tremaine, secretary and Florence McGath, treasurer. The Sophomores chose Frank Barr as their president while the Freshmen elected Marshall Sampson.

A meeting of the councilors elected Thursday was called Friday morning for the purpose of organizing the work. Harry Bell made such a good chief councilor last year that he was re-elected. The councilors have all been assigned their different beats, and the system is in splendid shape.

Friday, during military drill period, a general assembly was held in honor of General Pershing's birthday. Mr. Sandwick read a sketch on the life of Pershing. Mrs. Winston, president of the P. T. A., talked to the students about the plan for uniforms. After singing, "Just Like Washington Crossed the Delaware," General Pershing will Cross the Rhine," the meeting was dismissed.

NORTH CHICAGO PAPER HAS NEW OWNER

Charles Busch, for Many Years Editor, Has Severed His Connection with That Paper

Charles Busch, for many years editor of the North Chicago Times Review, last week severed his connection with that newspaper. Mr. Busch has been succeeded by Meritt Howard, well known Lake county printer. Mr. Howard has been employed by the Waukegan papers and also was identified with the Libertyville newspaper.

Mr. Busch was unable to make the Times Review a financial success, and the plant suspended operations several times. Howard is a member of Waukegan Typographical Union No. 294.

JUDGE PERSONS NAMED AS DELEGATE BY GOV. LOWDEN

According to a dispatch received Tuesday from Springfield, Governor Lowden has appointed Judge Persons of Waukegan a delegate to the Annual Conference of the American Prisoners Associations to be held in New York Oct. 14-16.

The Man with money and his wife put their money in the Bank where it is safe from fire burglars and their own temptation to spend it.

Here is a picture of a young couple doing the right and wise thing, a picture of real patriots—they are saving their money instead of wasting it.

When the next Liberty Loan comes along these young people will be happy in their ability to "do their bit" and share in the great privilege of winning the world war.

When the war is over the bonds so purchased can be converted into a home or into a business, either of which will conduce to happiness and independence.

Every young couple can make the start. The simple way is to open an account in this bank where savings are safe and earn 3% interest as they grow.

ENTRANCE OF NORTH SHORE CEMETERY

North Shore Cemetery will be a place of special interest to bird lovers. Already it has several attractive birdhouses which are occupied by the feathered warblers and the number will be increased from year to year.

North Shore Cemetery will not be a senseless hodge-podge, nor will it look like a stone-yard. It is and will be a beautiful interment park.
