A memorial service for Joy Curtis Bournique will be held at the church at 3:30 on Sunday afternoon.

The Litany will be said on Wednesday morning at 9:30 as usual with special prayers for our soldiers and sailors and aviators and the Holy Communion will be celebrated at the same hour on Thursday according to our custom.

Friday, November 1st, is All Saints Day, and there will be a celebration of the Holy Communion in the church at 9:30.

CARD OF THANKS

We wish to thank our many friends, especially the visiting nurse, Miss Heffner, and Dr. Bergen for their kindness during the recent sickness and death of our boy, Mr. and Mrs. John Hart and family.

There is little danger of revolution in Germany until their supply of beer is cut off.

HIGH SCHOOL NOTES

Deerfield-Shields is soon to have a on hundred per cent Red Cross membership. The Juniors and Seniors are such already, and the two lower classes soon will be.

School reopened on Monday after being closed three weeks because of the influenza. Every precaution is being taken to safeguard the health of the pupils, and we hope thus to have no trouble in school.

Mrs. R. M. Hofner, V. N., from Chicago is visiting half of each day at the High School. When Miss Johnson recovers she is to do the work.

Many of the teachers and students of the high school are expecting to do volunteer work at Fort Sheridan when it becomes a base hospital. Mr. Wallace, the "Y" director of athletic and educational activities, was at school on Monday to enlist our aid.

This week a campaign for thrift is being inaugurated.

Plans are under way for using the school gymnasium and lunch room and the Fort over Saturday night, thus doing the work that has been done by Ravinia during the summer. It has been found desirable to keep these men interested locally, thus avoiding the less favorable conditions in Chicago.

Robert Cowie, of the class of 1915, was one of the first twenty men selected from the University of Chicago S. A. T. C. to go immediately to an O. T. C. This honor was due largely to his training in the Deerfield cadet corps.

The class of 1918 memorial for Dumaresq Spencer has been placed in the assembly hall. This is a very fine portrait from the Koehne Studios in the city. Later his citation for bravery is to be placed beside the picture.

The boys in the shop, under the factory methods, are undertaking to make furniture needed in the camps and in the "Y" huts. In the wood shop a new plane is to be installed, while in the machine shop two small metal lathes are already in use.

The new officers of the French Club are as follows:

President, Eunice Knox; Vice-President, Jane Gordon; Secretary, David Kimball; Treasurer, Adella Bird.

The Club voted to pay dues of forty cents a year and adopt a French orphan with the income.

Miss Griswold, the French teacher, is conducting three large classes for townpeople on Monday and Tuesday evenings.

PRESBYTERIAN CHURCH

Herbert L. Willitt, Jr., Field Secretary of the Chicago Committee of the Armenian & Syrian Relief, will speak on "Turkey and the War" at the morning service at 11 o'clock. The Armenian and Syrian Relief is the Red Cross at work in Asia Minor and has the full sanction of the government in its attempt to raise funds. Mr. Willitt's father is a well known speaker in Highland Park.

The Sunday school will meet at 9:30 a. m.

The topic of the Children's sermon will be "The Truthful Compass."

The prayer meeting will be held at 8:00 o'clock next Wednesday night.

Rally Day will take place on the morning of Sunday week.

The first vesper service under the leadership of Mr. Louis Kreidler will be given on the afternoon of Sunday week.

The Women's Missionary Union will hold its next meeting on November 10th.

Congratulations

THE PEOPLE of Highland Park and vicinity are to be congratulated upon their zeal, energy and substantial patriotism displayed during the Liberty Loan campaign, just closed, and upon their success in reaching and surpassing the quota fixed by the Government.

In a measure, this was made possible because the people of this community, as a whole, are a thrifty people who open and accumulate savings accounts in this good old bank, hence were in a position to meet promptly the government's request to buy a bond.

Now is the time to plan and prepare for the Fifth Loan, for the demands of the Red Cross, Y M C A and other deserving war activities, by enlisting in OUR ARMY OF SAVING DEPOSITORS, putting your nickels and dollars where they are safe and productive, and where they are available when further demands are made.

\$1.00 will start the account.

TAG DAY FOR THE CHILDREN OF FRANCE
(Continued from Page One)

thanks to the members of the American Committee for their touching remembrance of the anniversary of the Battle of the Marne. I cannot resist the pleasure of again expressing to you the recognition of all France for the generosity with which America has so spontaneously come to the assistance of our widows and orphans.

I have been told of the new effort that you are about to make in behalf of our common interest. I commend it with all my heart. It will in truth be a mighty consolation and a precious encouragement for our soldiers to know that, thanks to you, even though they should die a glorious death on the field of battle, their wives and their children will not be abandoned.

This assurance will give them to the end the strength that shall bring victory and draw still closer the sacred bonds which already unite them to their new companions in arms. Thus shall be sealed for all time the brotherhood of two great peoples, the United States of America and France.

Yours sincerely devoted,
J. JOFFRE

CHRISTMAS FOR THE BOYS "OVER THERE"
(Continued from Page One)

Christmas parcel which will not keep fresh from the time of packing until Christmas.

Dried fruits or other food product should be packed in small tin or wooden boxes, one quarter to one half pound in size.

Hard candy, including chocolate, would probably be safe in tin foil or heavy cardboard, but no soft chocolates nor anything that could possibly be crushed should be used, as the remaining contents of the packages might be spoiled thereby.

Several dainties packed in oblong boxes holding each a quarter of a pound will provide a better variety for a packet than a larger quantity of a single confection.

No liquids or articles packed in glass should be placed in the package.

For wrapping the gifts, use a kind-colored handkerchief, twenty-seven inches square.

The influenza epidemic is considered an act of God among the people who sleep with closed windows.
