PURCHASE YOUR WAR SAVINGS STAMPS HERE

Highland Park Does Not Get Any Credit for Stamps Purchased Elsewhere

Many people have been going to neighboring towns and purchasing their Stamps from banks or merchants. Instead of purchasing them from their own postmaster.

A letter has just been received by the Lake County War Savings Committee from Dr. Shailer Matthews, State Secretary, which reads as follows:

"So far as the standing of offices is concerned, however, it should be borne in mind that our records give credit to the office in which the Stamps are actually purchased regardless of the residence of the purchaser. I am sure you can see that that is the only way we could ever keep count."

If you have any pride in your own town, do not fail to purchase your stamps at your own postoffice; otherwise your city may be classed in the slacker column at the end of the year.
