**Last Sunday's Church Activities**

The S. S. was marked by an increased attendance, a fine spiritual atmosphere and an offering commensurate with both. The devotion, consecration and spiritual insight and outlook of the officers and teachers will surely lead to an abundant harvest. After faithfully preparing the soil, planting and watering the seed, God most certainly gives the increase.

The absence of the pastor did not in the least interfere with the carrying out of the Sunday school program. Upon invitation he spoke to fully two hundred soldiers at Fort Sheridan. He was rewarded not only with a large attendance but the most perfect attendance.

**The Epworth League Service**

This service was well attended, snappy and strictly up to the minute in every way. The music and discussions were timely up-to-date and gave evidence of a fair knowledge of the interest in the "Foreigner in Our Midst." Win My Chum Week will be observed this year by the League. This means an evangelistic campaign by our young people. Plans, dates, etc., will be announced later.

**The Evening Church Service**

The Spirit, blessing and power of the Divine Father were present, instructing, inspiring, convincing, and comforting us all.

**H. P. WOMAN'S CLUB**

The Highland Park Woman's Club met at Witten's Hall last Tuesday at 2:30 o'clock. It was an exceptionally fine afternoon both in the talent presented and the large audience, generous in showing their appreciation.

Mr. Herbert L. Willett, Jr., Field Secretary of the Chicago Committee of the Armenian and Syrian Relief, transferred his audience to Syria, Constantinople and up into Germany, giving experiences that were his on the homeward trip.

Bluejackets Coch and English provided a number of thoroughly fine musical numbers. Mr. English gave a group at the piano and Mr. Coch in song received a hearty response.

Dr. Cecile L. Griel spoke in the interests of the United War Work campaign. She was organizer of the first Red Cross hospitals in northern Italy, has worked on the French front, and is the only American witness for the United States in the sinking of the Ancona. Dr. Griel told of the torpedoing of the Ancona and of her rescue. Her coming to the club proved a big opportunity. Her every word carried a deep and thrilling message to our countrymen and all others represented in the war.

The next meeting will be Tuesday, November 19th, at Witten Hall. At two o'clock there will be a business meeting followed at three o'clock by a talk on "Better American Speech" by Mrs. Grace Williamson Willett.
