

Do Your Christmas Shopping in Highland Park

FROM TIME TO TIME, especially at this time of the year, many of the women of our city journey to Chicago to do their Christmas shopping, making many purchases that should rightfully be made at home, and could be made here equally well.

How much each year do these out-of-town firms contribute toward the support of Highland Park institutions?

Do they contribute one cent toward the education of our children? Do they help to maintain our police and fire departments, which afford protection to our families and homes?

Do these out-of-town firms contribute one cent toward the paving and the upkeep of the streets of our city, the roads of our county and our public thoroughfares?

How much interest do these out-of-town houses take in the upbuilding and support of our churches and charitable institutions?

In spending your money outside of Highland Park for goods that may be purchased here, has it ever occurred to you that you are retarding the growth of your own city, that perhaps you are working against the interests of your husband, brother, father or friend?

WOMEN OF HIGHLAND PARK, you have shown your civic pride in many ways heretofore. Will you not weigh this one question carefully and devote a part of your time, energy and influence toward rectifying the evils of out-of-town buying?

Spend your money in your own town and you will find that it will come back to us in one way or another. Our merchants will be able to carry bigger and better stocks, more people will be employed and HIGHLAND PARK WILL GROW.
