Eliminating the Waste

TO win the war we must cut out the waste. It is not sufficient that we save food, coal and money; we must save the wear and tear on our industrial machinery and industrial organizations.

A useless telephone call not only wastes the time of the persons talking and the operator, but it ties up a line which might be needed for an important message having to do with winning the war.

Cut out useless calls. Use the service freely when it is really necessary.

HIGH SCHOOL NOTES

On last Wednesday, during military period, the girls enjoyed an interesting talk by Miss Spicer about the splendid work accomplished by the "farmerettes" of the Woman's Land Army of America at their farm at Libertyville. She also told about a free course in cheese and butter-making and milk testing that will be offered every Saturday to anyone who is interested.

This will mean the sacrificing of all Saturdays between January 1 and the end of March, yet it is a wonderful opportunity because milk testing is not only very useful in the home but also a very well paid profession.

Friday during the drill period both boys and girls marched to the assembly room to hear Mrs. Wicks tell of the plan for a "Students' Industrial Army" that worked out so successfully in Ravinia. Register cards were passed out on which each student recorded the kind of work he was willing to do and what time he had free, so in this way any one desirous of securing the aid of a High School boy or girl may be put in touch with such a person through communication with the secretary.

The chorus sang "Rule Britannia" as last Friday was British Day. Miss Violet Wilcox took the solo part. The high school band played several selections.

Following this Allen Mason read Eunice Knox' address on "The League of Nations." A bad cold prohibited Eunice from delivering it herself. Winifred Wadsworth then gave an interesting talk on the plan of stocking poultry farms for the benefit of the poor people in France.

Mr. Sandwick read the honor roll for the past six weeks. The first honor roll contained the names of all students who received at least E's an nothing below G; the second roll those who had no mark below G.

The councillors were presented with the badge of their offices, and were commended for their work in maintaining order.

At the last meeting of the Spanish Club an admirable program was given. Four members of the first year Spanish class dramatized "Red Riding Hood" remarkably well. Peter Lencioni and Lester Peterson told short stories, while Salome Brand's musical selection were particularly enjoyed. The second year class' contribution to the entertainment was a burlesque in costume, of Napoleon and his Landress, the parts were taken by Esther Dean and Ralph Hiscox, both of Lake Forest.

Through the courtesy of Mr. Gutierrez the members of the second and third year classes are corresponding with boys and girls who are studying English in the High Schools of the Philippines.

The next meeting will take the form of a Christmas party at which the members of the French club will be guests.

ELM PLACE SCHOOL

Miss Rena Babcock, the office secretary, has been confined at the St. Francis Hospital, Evanston, for the past week with influenza. Her place was taken by Miss Virginia Seaman of Evanston.

Miss Florence Crain, special supervisor of music, was unable to meet her classes on Monday on account of illness.

Mr. Ray Marshall, special teacher of manual training at the Elm Place and Lincoln Avenue schools, received his honorable discharge papers at Camp Grant last week and took up his work here on Friday. Mr. Marshall's wife will join him here after the holidays and they will occupy a house on Green Bay Road.

The first moving picture matinee of the school year was given last Friday afternoon. One of the government war films entitled "Pershing's Crusaders" was shown. This is an unusually valuable film, both instructive and entertaining. Another matinee will be held on Friday afternoon of this week, the program consisting of animal pictures, a travel reel, an industrial reel, and a comic.

It is found necessary to charge the children 5 cents and adults 10 cents admission in order to pay for the rental of the films and other expenses.

Thursday afternoon of this week a special meeting of the Parent-Teacher Association was held to view an industrial film in four reels sent out by the Curtis Publishing Company. The pupils of the four upper grades were also present on this occasion. The title of the film was "The Education of Thomas Jefferson Morgan," P. J. G."

The Board of Education decided on Monday evening that the holidays should last during the entire Christmas week with a holiday on New Year's Day in the following week.

Vacation, therefore, will begin on December 21st and the schools will reopen December 30th.

Here is the 1918 Red Cross Christmas Seal.

True to its established purpose, it typifies service to mankind.

The design this year is particularly appropriate. The figure in the center of the seal is that of Liberty enlightening the world. A wreath of holly surrounding a red cross forms the purely decorative features of the 1918 design.

In view of the work that has been done during the past year by the Red Cross and the enormous task which lies ahead in bringing good cheer to millions of men, women and children throughout the world, the Red Cross seal this year comes to us with unusual significance.

During the last decade the Red Cross Seal year by year has financed a nation wide program of work against tuberculosis. In Illinois the development of tuberculosis work, both state and local, has grown by leaps and bounds through the funds derived during the annual sale of these cheery holiday stickers.

The seals are not on the market this year, however. Instead, they are to be awarded, ten of them, to each member of the Red Cross obtained during the coming Christmas Roll Call.

To the millions of Illinois men and women who purchased Red Cross Seals last year, the Illinois Tuberculosis Association has issued an appeal to buy instead a 1919 membership in the Red Cross.

Use the seals when you receive them from the Red Cross campaigner. Place them on the backs of your December letters, upon your Christmas remembrances and upon your New Year's greetings.
