

**UNITED EVANGELICAL**

Good things are in store for our people on next Sunday. It will be a communion day and Bishop M. T. Maze of Le Mars, Ia., will be with us to preach and to lead us in the celebration of the Lord's supper at the morning service.

Dr. H. H. Thorne will preach on Friday evening at 7:45 o'clock and the quarterly conference will meet at the close of the preaching service. The following services will be held next Sunday:

9:30 a. m. Bible School. The lessons on the history of the people of Israel are very interesting. A thorough knowledge of them is a fine preparation for a correct understanding of New Testament truth. Next Sunday's lesson is on "The Giving of the Manna." Ex. 16:1-36.

10:45 a. m., Sermon by Bishop M. T. Maze and communion service.

6:45 p. m. Christian Endeavor meeting. Topic: "The Best Things in Christian Endeavor." Titus 2:11-14, 3:8. Priscilla Noerenberg, Leader.

7:30 p. m. Song Service and sermon on, "The Joy of the Lord the Secret of Strength."

A conference on "World Evangelism and Vital Christianity After the War," will be held at the Moody Bible Institute of Chicago, Feb. 3 to 7. Vital doctrines of the Christian faith will be reaffirmed by men of recognized scholarship and piety, while others gifted to interpret them in relation to the new world conditions will give counsel as to action. Influential pastors and editors of denominational journals who are loyally witnessing for the Bible and the Saviour it reveals, in the face of rationalistic criticism, will be given a place in the programme. Evangelists and rescue mission workers, many of whom have been engaged in war work, will speak with a new vision of service for this new reconstruction period. It will be a great conference and our people are cordially invited to attend its sessions. We are reliably informed that the attendance promises to be large.

General Wood tells the American people not to be duped by their delusions but to be ready for the "next war." Vice President Marshall says: "Thus far this dream of universal peace has each succeeding time turned into a nightmare." In this connection it will be interesting and instructive to read Ezekiel 25 and 29; Matt. 24:6-8; Luke 21:25-28, and Rev. 19:11-21.

**ELM PLACE SCHOOL**

The Government film entitled "Under Four Flags" will be in the movie program of Friday, this week. This is said to be the finest film the Government has sent out. There will be the usual children's matinee at 3:45 Friday and because of general interest in the film the building will be open at 7:30 in the evening for the benefit of adults. To cover expenses children pay five cents admission and adults 10 cents.

An exhibition of war relics and other curios including loan collections of African and Philippine costumes and utensils is being held today, afternoon and evening. A special feature of the exhibit is a collection loaned by Major Fred Preston who has recently brought the collection back from overseas. This evening two groups of pupils under the direction of Mademoiselle Sachse are presenting French plays on the auditorium stage.

This week should mark the close of the first semester but owing to the enforced vacation of three weeks in October, it was decided to lengthen the first semester one week. The present semester therefore will come to an end Friday, Feb. seventh, and the new semester will begin Monday, February 10th. New pupils entering kindergarten and primary grades will be received on February 10th. The eighth grade class of February 1919 will hold their annual mid-year exercises on Friday, February 7th. The program will be announced in next week's issue of the Press.

Miss Edna Grenoble who has had charge of the English work of the 7th grades and in grade 8B finds herself obliged to withdraw for the remainder of the year and take a much needed rest. Miss Grenoble had a severe attack of influenza in October. Her resignation has been accepted with sincere regret. She has rendered excellent service in her department. Miss Lena Nixon has come to relieve Miss Grenoble and will take full charge of the work beginning Monday, February 3rd.

There must be nearly as much splendor and gold lace and furs and feathers at these receptions of President Wilson as when the Independent Order of Jihers exemplify the work of the third degree.

**FORD**  
The Universal Car

THE POLICY of the Ford Motor Company to sell its cars for the lowest possible price, consistent with dependable quality, is too well known to require comment. Therefore, because of present conditions, there can be no change in the prices on Ford cars.

Runabout	-	-	\$500.00
Touring Car	-	-	525.00
Coupelet	-	-	650.00
Sedan	-	-	775.00
Truck Chassis	-	-	550.00

These prices are f. o. b. Detroit.

**A. G. McPHERSON**

St. Johns Avenue Corner Park Avenue

United States Railroad Administration

**Important Change in Suburban Ticketing Arrangements**

Effective, February 1, 1919, all of the present multiple trip tickets (other than individual monthly tickets), sold by railroads under Federal control in the Chicago Suburban District, will be withdrawn.

As a substitute for such tickets, a 26-ride ticket, good for the purchaser or any member of his or her immediate family, limited to six months, will be sold at the rate of two cents per mile per ride.

Tickets sold at the old rate after January 25th will not be honored after January 31st, but unused rides on such tickets will be redeemed at a rate proportionate to the total cost of the ticket.

Tickets sold prior to January 25th will be honored for passage to and including February 28th, and will be subject to redemption after that date at proportionate rates.

Note: No Change Will Be Made in Rates Charged for Individual Monthly Tickets.

**M. E. CHURCH**

The Centenary

The World Program Conference for the Chicago Area at Orchestra Hall stands out without precedent among the great religious gatherings of this generation. There was not a dead number on the entire program. Every man spoke with authority and not as the Scribes and Pharisees.

There was a glow and animation, a spiritual fervor and passion running throughout all the speeches and addresses. This coupled with a carefully prepared and thoroughly scientific survey of the fields beyond the sea and those at home presented in the form of charts and maps by men fresh from the fields, made the entire program from start to finish one continuous feast of intellectual and spiritual good things. Then there were the never-to-be-forgotten addresses of the incomparable Dr. C. A. Tindley, colored scholar, educator, orator and pastor, who at his own will and pleasure, carried his audience with him from height to height until more than once the vans throng sprang to their feet and burst forth with tremendous applause.

Then there were the two masterly addresses at the close of the great program by Dr. John R. Mott and Bishop W. F. McDowell, not to mention the special provisions made to reach the last man and woman thru the noon hour luncheons for women at Marshall Field's, the German Conf. at the Italian Restaurant; the Cent. Ill. Conf. at the Ivory Room, Mandel's Restaurant; the North Ind. N. W. Ind. Conf. at the Morrison; the Rock River Conf. at Carson-Pirie's South Tea Room and the Ill. Conf. at Steven's Restaurant. At each of these luncheons some of the outstanding men of the movement addressed those gathered. Then there were the great laymen's and ministers' banquets at 5:30 p. m. at the Auditorium and the Morrison hotel respectively.

The following topics were presented by means of maps, charts and lantern slides: Frontier, Rural Work, City Work, and the Negro in the North. "Special Chicago Area Problems" including the following speakers and topics: City, Dr. John Thompson, Calumet, Dr. H. R. De Bra and Rural, Dr. J. H. Ryah.

This was followed by a presentation of the general topic, "The Centenary Working Program" including

these sub-topics — Stewardship, Life Service, The Minute Men, The Centenary and the Sunday School and the Centenary and the Epworth League. Then followed the Fellowship of Intercession, the National Organization, the Intensive Financial Drive and the Victory in the Central New York Conference.

Monday evening, the 27th the Methodist churches of Lake County met at Waukegan in the sub-district meeting. The purpose being to bring the greatest of all programs down to local churches. There are to be "Echo" meetings in each of the churches in the district. The Methodist Minute Men are to get busy (in fact are already on the job) in all the churches. The units for prayer and service will soon be in action in our own church. Nothing short of a great spiritual victory can follow these activities in all the churches of Methodism. Many churches have already experienced the great change and speakers after the Lord are found at the altars of the church at each of their services. We of Highland Park may as well prepare for the great event. We must sit our spiritual houses in order, for the King of Glory is drawing near. He even now stands at the door, as of old, knocking. Many are going to allow him to enter. Even now the doors are open

on their creaking hinges and the King of Glory is entering. It cannot be otherwise for we are harkening back to resume those practices so long forsaken and forgotten. Here they are: "Will a man rob God?—Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of Hosts, if I will not open the windows of Heaven, and pour you out a blessing, that there shall not be room enough to receive it." Mark, please AA the TITHES. The tithe of prayer or intercession, the tithe of time, the tithe of life service, and the tithe of money or possessions. Read also Micha 6:8 also Acts 1:4-5. The sermon subjects for next Sunday are: 11:34, "Some Things the Modern Church Can Learn from the Apostolic Church." Evening, 7:30, "Priority in the Divine Order." You are always welcome.

**HIGH-SCHOOL NOTES**

The dinner at the high school on Tuesday night was well attended by representatives of all the schools. Mr. Smith told of the excellent system of taking the school census that is used at Elm Place. Mr. Wright told of the unifying courses of study in

various schools and of further work that might be done. Dr. W. S. Gray, Dean of the College of Education of the University of Chicago, spoke on educational measures and standard tests which many city schools are using in order to learn how their work compares with that of other cities. Mr. Sandwick acted as toastmaster. The High School had an exhibit of charts containing statistics indicative of the value of educational work to individuals, states and nations.

Last Friday the students heard a very interesting talk by Col. Bradley, who has just returned from France.

Examinations are due next week; and so reviews are now the order of the day in most classes.

Also the book-agents are going to welcome the heroes back from France, by selling them six volume gilt edge and russia calf bound histories of the war, for \$10 more than they can be bought in a book store.

A lot of the boys and girls who won't go back to school because they know enough already, will be wondering in about ten years why they don't get any more pay than they were getting when they started in.
