DEERFIELD SUCCESSFUL IN BASKET BALL GAMES
(Continued from Page One)

clever basket work on both sides. Lakeview lead at the end of the first half, but they saw that the Deerfield teamwork was likely to take the lead away from them and they resorted to a defensive game hoping to keep the home lights from scoring. Deerfield, however, persisted in scoring and finally won the game, although it was necessary to play five minutes extra time to do it. The lightweight game was too one-sided to be interesting, our heavies being altogether too much for the Lakeviewites. Lineup follows:

- Lightweights**
Deerfield — RF, Holmes; LG, Smith; C. Gibson; RG, Sheridan; LG, Denzel.
Lakeview — RF, Izard; LF, Holquist; Smith; C. Hathaway; RG, Low; LG, Knowles.
Referee, McCormack.
- Heavyweights**
Deerfield: RF, Olson; LF, C. Morgan; Johnson; C. W. Kimball, D. Kimball; RG, Bell; LG, Ritta, Cole.
Lakeview: RG, Waterson; LF, Koehler; C. Sitter; RG, Buford; LG, McCarthy, Kent, De Forest.
Referee, McCormack.

The returning soldier who has to stand around idle because no one will give him any work, must wonder what has become of all those cheering crowds that saw him leave.

Some of the young men seen at the parties, have not, as one might suppose, been painting a house, but merely dancing with a girl with beautified arms.

Some of these soldiers may have been kissed by a thousand beautiful women of France, but they would probably rather be back in the old town seeing Mary Jane home from the church social.

One of the principal signs of winter weather is a case of very cold feet on the part of everybody who has to pay the present prices for provisions.

SONS IN SERVICE
Continued from Page 3

The same day on which the following letter came to the office of The Press for publication in this column, came this telegram sent by William Morton from San Mateo, Cal.: "Word received of the death of Lt. James A. Parnell, formerly residing at 230 N. Green Bay Road, Highland Park. Date undeterminable. Was somewhere on German soil at the time of death."

W. MORTON.
Following is the letter received by The Press:

Mayen, Germany, December 20, 1918.
Mr. W. H. Thomas, Highland Park, Ill.
Dear Friend and Brother:—
Late with my dues but it is the best I could do under the circumstances, for the post officers over here are not always available for every one, but, however, the good old U. S. mail reached most every little crook in the road through Europe, and Uncle Sam has kept many a homesick lad in fine spirits by supplying lots of mail to them from loved ones back there.

Will give you just an idea what a grand time we are having, in fact, have had since we left Camp Custer, Mich. Left camp July 11 for Camp Mills, Long Island, remaining in the latter place eight days—busy every minute of the day and as late as 12 and 1 o'clock at night equipping and outfitting the men.

Sailed from Pier 57, N. Y., the afternoon of July 21, on board the S. S. Minnehaha with 4000 aboard. Trip of 14 days was made with very little excitement—all willing to try their balance on land, entrained immediately for South Hampton, Eng., rest camp there for two days, bathing and giving us a chance for a rest, but found no such animal. From So. Hampton we embarked on board the old "Harvard," (she used to run from N. Y. to Boston and later went on the Pacific coast, running from San Francisco to San Diego) crossed the English Channel to Le Havre, France, another rest camp, bear in mind, "Rest Camp" in name only. Here we remained for three days, entraining for San Cere, France, a very beautiful little village located on top of a very high and small mountain, commanding a beautiful view of valleys, flourishing with vineyards for miles in every direction.

On August 20 we received our orders to proceed without delay to Toul, France, this only pertaining to the 310th F. S. Bn., the Div. 85th which we were assigned to was a depot Div. therefore remained in vicinity of Sancerre with Hqs. at Pauly. We were on the train for three days and finally arrived at Toul. Here we were placed in an old French garrison, fixed ourselves up very nicely for our short period of 10 days "rest" there, this being only fourteen miles distant from the front lines, we were beginning to look forward to our next move and wondering if we were ever going to see the war we had heard so much about.

Well, we did. We were stationed pretty close to the front lines on September 2 and were there in the St. Mihiel-Pont-o-Mousson drive of September 12—and thereafter until cessation of hostilities, and then we were honored by being chosen for the Army of Occupation of which trip I have enjoyed every mile thus far. We followed the Moselle river from Grevenmacher, Luxembourg, to Coblenz, and then to Mayen where we are now stationed and will likely winter here or be on our way homeward before the winter is over.

I have seen a great deal of the surrounding country as we came along, our organization being motorized made the trip really pleasant for us all. We have 18 trucks, 4 Dodges, one of which is at my disposal, and 21 motorcycles with side cars.

Have had rain nearly every day since Oct. 1. Give all my friends my very best regards. Very best wishes for a Merry Christmas and Happy New Year, I am
Your friend and brother,
JAMES A. PARNELL.

DEATHS

WESLEY HERBERT FRITSCHE

Mr. Wesley Herbert Fritsch was born April 11, 1885, at Highwood, Ill., and died at his home at 324 Walker Avenue, on last Sunday afternoon at the age of 30 years, nine months and 15 days. He was united in marriage with Miss Effie Steele May 21, 1910. He was a son of Mr. Frank Fritsch who died ten years ago. His companion, three children, his mother, Mrs. Ellen Fritsch, one brother, Dr. Earl Fritsch, and three sisters, with many relatives and friends, mourn his seemingly untimely death.

Through the deep piety and faithful instruction of his parents he was strongly influenced toward Christ and the church. At an early age he definitely accepted Christ as his Saviour at the time of his death he was a member of the First United Evangelical Church of Highland Park. A few days before the end came, he assured his pastor that he was still trusting in God.

Funeral services were held at one thirty Tuesday at the residence. The remains were placed in a vault in Memorial Park cemetery.
