TRINITY CHURCH

Next Sunday, February 9, is the fifth after the Epiphany, the services will be a celebration of the Holy Communion at 7:30 a. m. Sunday School at 9:30; Morning Prayer and sermon at 11, and evening prayer at 5 p. m. On Wednesdays at 9:30 the Litany is said in the church and on Thursdays at the same hour the Holy Eucharist is celebrated, this is the regular schedule in effect throughout the year.

Sunday, February 16, will be Septuagesima, Ash Wednesday falls on March 5, the Lenten schedule will be announced later.

An appeal was made last Sunday for the relief of the Armenian and Syrian sufferers, so far only \$65 has been received and this sum has been sent to the Chicago treasurer. It is hoped that considerable additions will be made to this offering as the distress among the Christian people of the Near East is appalling. The Rector will be glad to receive and forward any sums sent him for this object.

A meeting of the Woman's Auxiliary was held in the Parish House on Monday. Mrs. Ruthven Dean of St. Chrysotom's Chicago made an address and told about the annual meeting at St. Timothy's, Chicago, the week before, afterwards tea was served.

Y. W. C. A. NEWS

Important Meeting Friday

If you are interested in the work of the Y. W. C. A. come to the Annual Meeting Friday evening at 7:30 and learn more about it. Short accounts of what has been accomplished during the past year will be given and plans for the advancement of the work during the coming year will be formulated.

Miss Frances Greenough, who has been a hostess at the Great Lakes Hostess House, will give a short address on some interesting phases of Y. W. C. A. work. Miss Louise McDonald has very kindly consented to give a few vocal selections.

Each club will make a report of its accomplishments and plans for the future. Mrs. Searcy will present a report of the general achievements of the local Association. Come and help to make this meeting one of the biggest and most worth while of the entire year.

Tickets on Sale

Tickets for the card party which will be given for the benefit of the Association at Witten Hall on Saturday afternoon, February 15, are now being sold by members of the Board of Directors and of the Y. W. C. A. clubs. The tickets are being sold at a dollar each and the proceeds will be used to aid the finances of the Association in the immediate future.

All friends of the Y. W. C. A. are urged to attend this function.

Change to Monday Evening

Instead of Thursday, basketball and swimming will be carried on at the high school on Monday evenings. The new plan of having the girls' gymnasium and the swimming pool open to Y. W. C. A. and Patriotic League members had a very successful beginning last Thursday evening. Thirty girls took advantage of the privileges offered.

All girls and women who are interested in these sports are urged to take advantage of this opportunity. New vitality and better health are sure to follow systematic physical exercise, aside from the pleasure brought by participation in these sports.

Military Drill Discontinued

Because the girls' gymnasium and the swimming pool at the high school can be obtained only on Monday evenings, the girls who have been drilling at the Y. W. C. A. rooms on Monday evenings have voted to discontinue the drill and go to the high school instead. Although the drilling has proved popular and much benefit has been derived from it, the girls have decided that the time could be even more profitably spent in basketball and swimming.

Girl Reserve Initiation

Forty-five girls are now wearing the official armband of the Girl Reserves and are consequently members of a national organization which is growing rapidly throughout the country. The armband is a khaki cloth on which is stamped the Girl Reserve triangle in the Y. W. C. A. blue.

The girls were initiated into the organization with the candle ceremony which is a feature of the national club movement.

Parties for Overseas Men

Fifteen overseas men from Fort Sheridan were entertained on Friday evening, January 31, by the members of the Aster, Rainbow, and Euterpe No. clubs. The evening was spent in playing games and dancing and refreshments were served.

Twenty men were entertained on Sunday evening by the Friendship Club. Playing charades proved the most popular of the games and there were many clever impromptu skits. Partners for supper were chosen by means of a grand march.

The parties for overseas men will be continued from time to time. The aim of the Association is to entertain at least one hundred overseas men.

January Members

Twenty-five new members have come into the Association during January. This number is in addition to the renewals of membership. The following new members were cordially welcomed by the sisterhood:

Senior Members—Mrs. Walter Haight, the Misses Annie Clements, Lillian Cassidy, Emma Evans, Marie Osborn, Greta Olsen, Mabel Page, Olive Reynolds, Evelyn Towner, Anna Bohne, Ellen Daly, Goldie Garrett, Agnes Schwingie, Elizabeth Obermeit, Lulu Dittmer, Lila Dittmer.

Junior Members—Gladys Koon, Artemez Irons, Adelaide Reesman, Marian St. Peter, Helen Rhinehart, Margaret Johnson, Lenora Juhrend and Gladys Pearl.

Mrs. Searcy entertained her sister, Mrs. H. E. Powell, of Chicago, on Saturday and Sunday.

Miss Geraldine Falley, the daughter of Mrs. Wm. Falley, visiting nurse in Highland Park, has very kindly consented to assist in coaching basketball at the high school on Monday evenings.

YOUNG WOMEN'S PATRIOTIC LEAGUE — HIGHWOOD

"Your nose knows" this week what is happening to the old building on the corner of Walker and Waukegan avenues, the home for the past year and a half of the Young Women's Patriotic League of Highwood. Much has been in the paper lately of the extensive repairs for the vacant part of the building to be used by the War Camp Community Service for The Sheridan Club. At last the Patriotic League, realizing that the rooms would suffer in comparison to the Men's Club rooms, is also receiving its coats of fresh paint. The girls of the League have been meeting to help with curtains and decorations so that the Sheridan Club might have the benefit of the proverbial woman's touch.

In spite of the upset, necessitated by carpenters and painters, club work goes right on. The Monday night supper club met as usual, the supper could not be served on freshly painted tables. Oh yes, those old oil cloth covered Red Cross work tables are now stained a French gray with a border of robin's egg blue. Suppers on such tables can't help but taste better. These tables are also to be used for the Sunday canteen—an ever-popular feature of the League.

The fancy dancing class for the grade school girls under the direction of Miss Grace Dean of Lake Forest has grown to such proportions that the class has had to be divided. The girls under 10 meet at 3:30 and the girls over 10 come at 4:15. The older class has been meeting long enough to show pleasing results, and it will not be long before the other class can be trying the more difficult dances dear to every child's heart.

The Patriotic League tries to meet the demands of the community as far as possible. The library that was started last October on such a small scale has outgrown itself. If there are any public-spirited citizens who have good books for boys and girls which they can send to the League library, we guarantee to make good use of their investment. We consider the reading of worth while books one of the most desirable habits for any boy or girl to cultivate. We need your books.

The latest department in the League to be started is the piano class for children. At the rate of 50c per month any child, who has

a piano to practice on can take advantage of this opportunity. The children meet in class on Tuesday afternoons and have private lessons of 20 minutes on Saturday mornings.

The basket ball and swimming classes which are under the joint auspices of the Highland Park Y. W. C. A. and the Highwood Patriotic League have changed from Thursday to Monday evenings. The girls who have taken advantage of the classes are unanimous in their enthusiasm for the good times they are having. But as the pool is large and the gym floors, too, there is always room for more. It does not matter whether you are an expert or a beginner, there is a good time in store for you. All who love this kind of a good time are urged to join either the Y. W. C. A. or the Patriotic League and to come to the High School every Monday night.

This week Friday, the Junior corps of the Girls Reserves report on their contest for new members. The club has doubled in size during the past month, as the competition has been keen. The losing side will entertain the winning side at a St. Valentine's party.

Young women are on hand every Sunday afternoon acting as hostesses to the "men in uniform." The form of entertainment varies from Sunday to Sunday, but it is always interesting. Three weeks ago Mr. Drees of Evanston gave a slight-of-hand performance. Two weeks ago the Be-Square Club of the Young Women's Patriotic League of Waukegan sang and acted out the well-known song of "Good-by Pa, Good-by ma." There was the mule with his old hee-haw, and the Kaiser as a souvenir; and of course pa and ma and sweetheart were there for the last kiss and farewell. Last Sunday Mr. D. H. Stone of Highland Park hypnotized a couple of men present. A laugh a minute greeted the fun. Perhaps the best part of Sunday comes at 5:30 when men and girls sit down at the long table and eat together. Everyone loves "good eats" and the women of the community see to it that said "good eats" are always on hand.

Miss Grace Reynolds, who is an Industrial Y.W.C.A. secretary in Terre Haute, Ind., and who has large clubs of factory girls in that city, was the guest of her sister, Miss Olive Reynolds, last week end.
