M. E. CHURCH

The Centenary in the Local Church For the information of all our people, that while to all westward appearances the centenary movement

is a somewhat negligible quantity, there has been meeting each week a small group of leaders who are working out the details of the program for the local church. As the study and work progresses, the true drawing upon the group its power, is gripping our hearts and a foretaste of the future is dawning upon us. It will not be long before we will ask our people to join us.

The Sunday School

Last Sunday 115 were present. Not so bad, is it? But we need a larger percentage on time. The presence and short address of Dr. T. R. Quayle were greatly appreciated.

Saturday Evening Open House and Entertainment

The attendance and interest on the part of the men in uniform is a source of satisfaction and reward. The short religious service; the program of readings, solos, etc., the games and refreshments are proving their value in the expressions of hearty appreciation and genuine delight from the men in the service.

Next Saturday Evening

The Ladies' Aid will give a Valentine social in the basement of the church. You will please note: 1. The regular schedule will be followed with the following exceptions:

- 1. Men in the service of the U.S. will be admitted free.
- 2. All others will pay the admission fee.

Admission will be by ticket. We are promised an evening of pleasure and delight. The ladies are equal to the occasion. We invite the public to help make this the most successful occasion in the history of the society. Will you help make it such?

Sunday Services

The Centenary work is arranged so as to include every department of church work. It will effect the S. S. the Epworth League, the Ladies' Aid Society and the Junior League soon to be organized under the efficient leadership of Mrs. D. H. Stone. The whole church with all its services Sunday and mid-week will feel the impact of this great plan, we believe, in the mind and heart of God.

Sunday morning the Sacrament of Baptism will be administered. It is the duty and business of each member to be present at this most impressive service.

The other services at 6:30 and 7:30 as usual. The air of expectancy is being generated.

February 3rd, at 10:45 a. m., a representative of the Anti-Saloon League will speak. The occasion for this service commands a full house. On the evening of the same date a special service for the K. of P. fraternity will be held.

PRESBYTERIAN CHURCH

The Bible school will begin next Sunday morning at 9:30.

The regular service will begin at eleven o'clock.

The Dorcas Society will have their regular meeting next Monday. At two o'clock in the afternoon the directors of the Woman's League will hold a conference.

The prayer-meeting will be held on Wednesday night at eight o'clock. The speaker will be Mr. James Taylor of the Fort Sheridan Y. M. C. A. Mr. Taylor served six months in France, being wounded on the battle front. A special collection for the benefit of the work at Fort Sheridan will be taken.

A bazaar will be held on the afternoon of Washington's Birthday in the Parish House of the Presbyterian Church. The proceeds are to be used for a scholarship for Marian Kincaid, a girl of unusual ability, who is a student in the Langdon Memorial School. The girls of the Senior and Intermediate departments of the Bible School have made themselves responsible for this scholarship and are planning many attractive features for the bazaar. Refreshments will be served by girls in costume; cakes, candy, pie and Sunday supper dishes will be sold and there will be a table where aprons, bags, quilts for babies, shoe trees, handkerchief cases and other articles made by the girls and their friends can be purchased. Fortune tellers and musicians have volunteered their services.

CHRISTIAN SCIENCE

TOAST--

It's defined in the dictionaries as "bread sliced and warmed over a fire." Correct of course. But there are various sorts and conditions of toast. There is the woody kind, the burned black kind, the cold kind. Yet it's possible to produce it a crispy, tasty, delightful viand that can be handed over hot. That kind of toast is the product of the
