

Let's Keep the Ball Rolling

THERE CAN be no doubt but what the articles printed in this space for the last six months have been of great benefit to this community. They have shown us the folly of sending our money to other cities that they might profit by our loss.

It **NOW REMAINS** for us to keep alive this spirit "COMMUNITY LOYALTY" that has been preached to us in strong terms.

We can go on for years reaping the benefits of these teachings if each one of us will individually accept it as a duty to spend our money with our friends and neighbors—the home merchants.

The Doctor, the lawyer, the farmer, the merchant, the wage-earner can each do his part. **WILL YOU?**

LET'S KEEP THE BALL ROLLING.

Let's help make Highland Park the best, the most prosperous and the liveliest city in this state.

Let's remember always the slogan "Highland Park can serve you best"

Be liberal, be loyal and be true to your home town.

Don't forget the duty you owe to your home merchants.
