Narrowed in front to permit short turning radius.  
Deep channel section, four-cylinder car—41x11x5-32 inches.  
Light Six—51x11x5-32 inches. Big Six—51x11x5-32 inches.  
Frames are directly under body sills; side members are sufficiently stiff and strong to carry even the heaviest closed bodies without re-enforcement.  
Motors are given firm, but flexible support.

Kick-up in the rear allows ample jounce space.  
Frame as a whole designed to give great strength and high factor of safety, and this with light weight.  
Chassis has been designed to make all parts and units easy to get at—in the interest of the owner-driver.  
Side members at rear set wide so rear springs can be set directly under frame and close to the rear wheels, to minimize side sway.

C. G. UNANGST, Pastor

Next Sunday will mark the close of the conference year. It is fitting that we should review the year's work and note the progress that has been made. The annual conference will meet at Barrington March 21 to 24. Dr. Earl D. Fritsch has been chosen as the delegate to represent the congregation at the conference. The pastor will leave for Barrington on Tuesday, March 18.

The following services will be held next Sunday:

9:30 a. m., Bible School. Lesson on "The Cities of Refuge." Joshua 20: 1-9.

10:45 a. m., Sermon on "Hitherto, and Henceforth." 1 Samuel 7:12, 2 Tim. 4:8. Many will be interested in the summary of the year's work.

6:45 p. m., Christian Endeavor meeting. Topic, "Envy and Covetousness." Lk. 12:13-21. Mrs. Vincent, leader.

7:30 p. m., Song Service and sermon on "The Power of the Name, Jesus." Matt. 1:21.

The prayer meeting is held every Wednesday evening at 7:45 o'clock.

In his report to the Evangelistic Meeting and Bible Conference held at Terre Haute, Ind., Rev. Unangst stated that there were a number of conversions and people with sad hearts and minds troubled with unwelcome and unwholesome thoughts were shown the secret of victory. There were many testimonies from people who had found the joy and peace that are beyond the comprehension of natural man.

You are cordially invited to make use of the reading room at 287 Central Avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening.

## Now is the Time

THE tail end of winter is a good time to satisfy yourself of the lower cost of heating with

## Genuine Waukegan Oven Coke

You may need another ton or two of fuel to carry you through the cold weather. Let the fuel order be for coke.

Careful tests at the University of Illinois showed that oven coke has 11 per cent higher heating efficiency than hard coal. Coke not only gives more heat per pound—it costs less per ton. It is smokeless and free from dirt. Costs \$1.50 to \$2.00 less than hard coal.

Send in a trial order NOW and satisfy yourself that it will pay you to heat with **Genuine Waukegan Oven Coke** next winter. Instructions for burning coke furnished free.
