THE NORTH SHORE CATHOLIC WOMAN'S LEAGUE

The regular meeting of the N. S. C. W. L. held at the Winnetka Woman's Club, Thursday afternoon, March 13th, was a meeting of special interest.

During the business session the officers for the coming year were nominated. There followed a most delightful program given by Miss Georgiana MacPherson at the piano. Miss MacPherson is a former Chicagoan whose early training was received there. The unusual success of her early efforts made her known as a "wonder child." Later she studied abroad where equal success made her a Lauriate of the Paris Conservatoire and an accredited exponent of Raphael Jossseff. For the past ten years Miss MacPherson has concertized in New York, Chicago and the South, winning very favorable comment on her work. Her numbers for the League meeting were well chosen and deeply appreciated by those who heard her.

The address of the afternoon was given by Mrs. Elwood Mattson of the National Council of Defense and was another enjoyable feature of the meeting.

Mrs. Mattson's subject, "The League of Nations" is especially timely and her able and charming presentation won the enthusiasm of the audience.

The people who are planning a "No beer, no work" strike may succeed in it, but its scope is quite likely to be enlarged so as to become, "No beer, no work, no eat."

WAR CAMP COMMUNITY

Elm Place Division The Sunday evening tea is increasing in popularity. Refreshments are served by twenty young women, and there is a waiting list for the privilege. As a recognition of their service, they are the guests of the Center at the Tuesday evening dance. Mrs. Charles H. Merritt has been recommended to the General Board as assistant at the Center, and her formal appointment is expected in a few days.

Automobile Rides

Every available automobile was used last week in giving outings to convalescents at Ft. Sheridan. Many more are needed. This feature of the Service is one of the most appreciated by the soldiers. It breaks the terrible monotony for those who cannot obtain outside diversion unaided. Anyone who can give the use of their car should notify Mrs. Eugene A. Bourneque, Tel. 423.

PARENT-TEACHER ASS'N.

The Elm Place Parent-Teacher Association will hold its next meeting on Thursday, March twenty-seventh, at half past two. Please note the change of date.

We are to discuss the nation-wide movements, "Good Health" and "Better American Speech."

Let us come ready to voice our approval of these important campaigns and to pledge our support of both. A play room will be in charge of our eighth grade girls where the little ones will be well cared for while mothers attend the meeting.

A college student on being asked to name the greatest achievements of Holland, replied that he had been unable to decide whether it was "Dutch courage" or "Dutch Treat." "You're in Dutch," remarked the Prof.
