When women's hats are big, prices  
are high because of the large amount  
of material used; and when the hats  
are small, prices are high because  
of the delicacy of the work.

Some pessimists think that the  
editor who put the list of soldiers  
engaged to be married under the  
heading, "Wounded, Degree Unde-  
termined," didn't make so bad a mis-  
take after all.

However, none of the women suffra-  
gists have advocated handing the  
country back to the Indians on ac-  
count of the prohibition prospects.

However, the Bolsheviks have dis-  
covered that the great trouble in this  
country is that a lot of people are  
being paid for using their brains. If  
they can be stopped from this capi-  
talistic and wicked practice, then ev-  
eryone will be happy.

### Y. W. C. A. NEWS

**No Swimming Next Week**  
Because of the basket ball games  
between the Lake Forest and High-  
land Park Y. W. C. A. teams which  
will occur next Monday evening at  
the high school, the pool will not be  
open.

**Rummage Sale Next Week**  
Some material has already come  
to the Y. W. C. A. rooms for the  
Rummage Sale which will be held  
April 10, 11 and 12, at Goldberg's  
store on the corner of Central Ave.  
and Second Street. Much more is  
needed however. Any articles of  
household goods or clothing will find  
ready sale among those who need to  
buy at low prices.

By contributing to the Rummage  
Sale you not only help the Y. W. C.  
A. funds but many needy people of  
Highland Park.

**Community House Talk**  
A splendid talk on the need of a com-  
munity house in Highland Park and  
what it would mean to the people of  
our city was given at the Mothers'  
Club meeting on Tuesday evening,  
April 1, by Mrs. Winston. A great  
deal of interest was exhibited by the  
members of the club.

A demonstration of several folk  
dances was given by members of the  
Junior dancing classes and music  
was furnished by the Misses Eliza-  
beth Larson and Dora Krueger.

**High School Defeats "B.G.'S"**  
In a speedy game of basketball on  
Monday evening at the high school  
the High School team defeated the  
Business Girls with a score of 33-19.

**Blue Birds Enjoy Hike**  
Two long hikes and two "roasted  
suppers" have given the Blue Bird  
Corps of the Girl Reserves a great  
deal of sport in the past two weeks.  
Half the club hike to a place in the  
woods or on the beach, which is  
suitable for a bon-fire, and start the  
fire for the supper. The others fol-  
low later tracing the first group by  
beams which they have dropped and  
all are ready for the "roast."

**Work on Pageant Begun**  
"The Wayside Piper," a delightful  
pageant which is based on the idea  
of "The Pied Piper of Hamelin," will  
be given by the Y. W. C. A. girls  
early in May.

The Piper, aided by Faith, Hope  
and Love, calls all kinds of girls,  
city, country and college girls, to a  
deeper realization of the way they  
ought to serve other people.  
The costumes and scenery will be  
most attractive. Rehearsals for this  
event are now in progress.
