### Y. W. C. A. NEWS

#### North Shore Champions

As a result of the victory of the Business Girls' Basketball team over the Waukegan girls last Friday evening, April 11, at Waukegan, the Highland Park girls hold the championship of the North Shore Y. W. C. A. Tournament. The Speedy Six have been victorious in the three games which they have played, and if they win the last game of the season, which will occur next week, they will hold the championship of the Y. W. C. A. High School teams.

The game was an exciting one in which the teams were evenly matched. At the end of the first half, the score was tied for a few moments. The local team was finally victorious, with a score of 18 to 16.

The kindness of Mr. Pertz, who refereed the game, was greatly appreciated. After the game the girls were entertained at a delicious supper in the attractively decorated Patriotic League rooms. The fine spirit of sportsmanship which was shown by all the girls was splendid.

#### Rummage Sale Big Success

The Y. W. C. A. Rummage Sale, which was held in the Goldberg building on April 10, 11 and 12, was very successful. The rooms were crowded most of the time and the sales were large.

The Y. W. C. A. wishes to thank all the generous contributors, who made the sale possible. A large amount of good clothing and household goods was given, and it was greatly appreciated.

The sale was continued for a short time on Monday and Tuesday to dispose of the material which was left.

#### Rummage Sale Each Week

Every Wednesday is Rummage Day at the Y. W. C. A. Anyone who wishes to take advantage of this continuous Rummage Sale at the headquarters is urged to come to the rooms on Wednesdays. Articles for distribution in this manner will be gladly received at any time.

The net result of the investigations of the last Congress was that the next Congress should take up these questions and do something about them.

The President persistently refuses to return to this country and attend to his duty throwing the first ball in the league season.

Easter Time  
is

# Garden Time
