Any Man Who Works

HE is familiar with the policy of avoiding unnecessary labor which is part of the creed of every wide-awake business concern.

THERE are various mechanical devices that relieve the work of human hands and minds in offices of concerns that believe in the wisdom of being efficient.

THEY'RE made for the house also. For instance

FEDERAL Electric Washing Machines

They take over the big job for wages in electricity consumed that come to a few pence a week.

When the Hun talks real good and peaceable, about then look out for his soft football somewhere else.

The merchants who are perfectly satisfied with the amount of business they are doing, should not advertise, as they might get some more that they didn't know what to do with.

Grave injustice is being done the boys who can't get into college, as it makes it doubly difficult for them to become professional ball players.

Reason why people don't plant more trees nowadays is that no known variety will grow up and give them shade in 60 days before they move somewhere else.

First Baseball Game April 22

Deerfield opens her baseball season next Saturday at La Grange, but her first home game is scheduled for Tuesday, April 22, with Merton.

Profound indignation is felt at the cost of school houses among the people who help spend millions of dollars for chewing gum.
