Save Your Trees

It takes a lifetime to grow a fine shade tree. A colony of leaf-eating insects can destroy it in one season. Tree Tanglefoot will effectually protect shade and fruit trees from most of our destructive insect pests, i. e.:

Tussock Moths
 Climbing cut worms Canker worms
 Brown-tail moths
Woolly aphis Gypsy moths Ants

One application stays sticky three months and longer, outlasting ten to twenty times any other substance. Easily applied with a wooden paddle. One pound makes about ten lineal feet of band. It will not soften, run or melt, yet is always elastic, expanding with growth of tree. Effective rain or shine. Needs no mixing, used exactly as bought. Endorsed by prominent Park and Cemetery Superintendents.

WAR CAMP COMMUNITY

It may have been the decorations to which we fell heir, left us by the Junior Prom dance of the night before, or it may have been that we were just a nice lot of people and entitled to special favors, but whatever the cause we had a very successful party. It was a very pretty party and in addition thereto it was the gathering of a very happy group.

The Junior Prom decorations were very effective; ribbons of colored tissue paper stretched from the running track to the center of the room in such abundance that the real ceiling of the boys' gym was completely obscured from view and peeping through Japanese lanterns were arranged as to give a starry canopy effect that brought one very close to fairy-land and then, too, some good souls had donated some palms and they were scattered around the gym in a very effective manner. Many of the boys wanted to know "what was up" and the only answer that could be given was "nothing much of anything except our usual good time."

One sailor it was learned had been making the journey from Harvey, Ill., to attend this dance and quite a number came up from one of the suburbs south of us because they liked our dance just a wee bit more.

By actual count the attendance was 425 and this is about all you can get into the boys' gym at one time. Over sea nurses and over sea soldiers were on hand and it is mighty pleasing to see these fine looking chaps and girls enjoying themselves. To anyone who has any doubt about America's future there is a tonic in store for them if they will just drop in and give the assembly the "once over." One madame remarked that the dances had resulted in her losing one of her girls, and then she added, "but I do not mind a bit, he is just a splendid young man," and for the most part they are all splendid young men. If we never get any farther with our memorial than the activities of the War Camp Community it may be sufficient, for undoubtedly several will remember that it was through this activity of war time that "Ma met Pa back in 1919."

The star attraction last Saturday evening was the Dance Competition and you know we have some very good dancers; practice makes perfect and with weekly effort in this direction Highland Park can now boast of having several Mr. and Mrs. Vernon Castles in our midst. The girls suggested that they dance together and the boys likewise in a series of fox-trots, one-steps and waltzes and the selected pairs then dance together in competition and the plan was carried out successfully altho the judges, three in number, had a very hard time trying to make the selection on account of the clever dancing of all. Fifteen pairs of girls danced a one-step fox trot and waltz and two groups were then selected, and then the boys were asked to do likewise and it was thought that possibly the boys would renege, but out they came ten pairs strong and put up a very creditable performance and finally the contest narrowed down to selected couples—two in number—and a brand new couple walked away with the prize. Instantly a challenge came from the defeated couples and the entire performance had to be renewed one hour later, when the winning couples sustained themselves by defeating the challengers. It was all good fun and afforded everybody a form of entertainment that was very pleasing.

A group of university men from Champaign were visitors and although they had not intended to dance were soon out on the floor and having a good time. The exact purpose of their visit was not learned but if they are to make a report to Illinois it will be favorable.

May Day War Camp Community Festival Postponed

Owing to the fact that all available men in uniform at both Great Lakes and at Fort Sheridan are to be pressed into service next Saturday afternoon on the occasion of the Victory Loan parade in Chicago, it was necessary to fix some other day for our out-door May Festival which was to have been presented on the grounds of the Deerfield-Shields High School.

The Festival program when given will consist of soldiers and sailors in foot races, tug of war, etc., and the girls of the High School are to dance the May Pole dance while it is hoped that either Fort Sheridan or our own High School will furnish music.

The usual dance at the High School will be given next Saturday, starting at 8:00 p. m.
