### The Vacuum Cleaner

It's a necessity if you want an absolutely clean house. Because it cleans — it cleans absolutely — it draws out dust and dirt and particles you don't want there from rugs, hangings, upholstery — from anything you bring to its aggressive notice.

### WAR CAMP COMMUNITY

"Well, I attended a wedding, but when it got on towards dance time at the War Camp Community at Highland Park, I just couldn't stay any longer and although they wanted me to stay I just had to come and here I am." Thus spoke a fair Miss at the dance. Just about 300 others felt the same way about it, for we had 450 on hand and somehow or other they just pitched right in at the start and had a good time and how they did encore those dreamy waltzes. That little fellow who plays the piano put the right punch in each and every one of the waltzes,

and they are coming back with the bicycle and horse racing.

Every dance has just got to have one unknown and unheralded queen among the many other luminaries, and if some one can get the list maybe she might be labeled but if not, she must remain the mystery lady and how she could dance.

"Her feet beneath her petticoat, Like little mice stole in and out As if they fear'd the light; No sun upon the Easter day Is half so fine a sight."

It may be that dancing, produces the beautiful, or giving expression to the beautiful creates in its turn beauty, but have it as you may we have a very good representation of beauties of the American Jock Rose Variety, and the blue grass region of Kentucky will have to consider the green grass region of Highland Park if we maintain our present standard for any length of time. Maybe it is this reason and not the management, the hall, the punch-bowl, the music, etc., that has made our center a success when others have failed. We have a beautiful country side and why not beautiful people and having these why not everything else in proper proportion.

The dance contest brought out a rather good natured contest between the army and navy. The navy had been winning rather consistently and Mr. Army Man decided that things must change and they did, for Miss Siljstrom and soldier partner won the box of candy and the cigarettes, and were a very correct and pleasing dancing couple.

"Just hurry up with that music, Mr. Orchestra Man," said a dainty little girl. "I want to get a dance before the big crowd comes." and ed to, for after they get "going over the top," it's a wild scramble, and yet in the deliriousness of it all everyone has a good time that spells morale for the soldier boy. We had a couple of our own Rainbow boys home and surely we have much to be thankful for in these beautiful spring days—the war is over and many of our boys are back.

### May Day Festival Next Saturday at High School

Just step along with the band of forty pieces and parade up to the High School, for you will be as welcome as the flowers in May and like the flowers in May wear a great big smile. You will have cause to do so for many reasons—the Victory Drive

Mr. Music Man had to get started just a little bit sooner than he wants over and splendidly done, and for another and bigger reason, this is May and many of our boys are home and we have a lot of boys that belong to some other location and to other mothers and fathers and we are the hosts and hostesses, so let's turn out with the entire family next Saturday afternoon and watch the following program:

2:00 P.M. At Army and Navy Center—Concert by Fort Sheridan Military Band.

2:15 P.M. March to the High School and more playing by the big band.

2:30 P.M. Athletic events by High School boys and soldiers and sailors.

3:30 P.M. May Pole dance by High School girls.

The above takes place outside and in case of rain the same thing or as near as may be indoors in the boys' gym.

5 to 7:00 P.M. Supper at Army and Navy Center and special attractions.

7 to 8:30 P.M. Short vaudeville at the girls' gym.

9 to 12:00 Dancing in boys' gym with special music, decorations, etc.
