The Wednesday Evening Service
 That the intelligent study of the Bible, a knowledge of its teachings coupled with obedience, faith and prayer, is vital and indispensable to effective Christian living is beyond controversy. That Christianity is to be a vital force and not a fairy tale, a great dynamic in the life of the individual and a solution for the many difficulties presented by present day conditions, it is absolutely necessary that we have, not only a clear intellectual grasp of the social teachings of the Bible, but that we see that back of these teachings is the great heart of the TEACHER. And that before these teachings are safe in our hands we must have our hearts as well as our brains in harmony with HIS. The Wednesday evening Bible conference and prayer service offers an opportunity to do both. The study this week covers St. John 11:1-44.

Incidentally it may be said by way of suggestion that the presence of a few more of the older people would be a very great help and inspiration. The attendance continues large and the interest fine but the largest number are young people. Now we want not less young people but more of these and an equal representation of the older people.

The Sunday School

On Wednesday, of next week, June the 18th, the S. S. will give an entertainment in the auditorium to encourage prompt, regular and increased attendance. The entertainment will be of the most interesting character and will be placed within reach of all. In fact those coming on time next Sunday morning will be glad for more reasons than one. If you do not attend S. S. you OUGHT. We owe it to our children to give them a proper education. And no intelligent person will argue that an education is safe that is not Christian. Proper church habits formed in youth insure a safe citizenship for the future nation and world. We have had enough of that beastly type of Christianity that regards neither man, woman, nor child, and that delights itself in the shedding of blood of innocents. Let us have the Christianity of Christ, The Christianity of love, mercy, justice, truth and righteousness. We will have that type in proportion that we teach our children the laws of God both by precept and example. The ENTERTAINMENT next Wednesday is intended to entertain, to please and to show our people that Christianity and pleasure are not incompatible as well as to interest you in the imperative work of the S. S. The hour will be 8 o'clock P. M.

Be on hand next Sunday morning. School opens at 9:30.

Chicago Epworth League Dinner

A letter from Bishop Nicholson and one from the three Chicago District Superintendents announces an Epworth League dinner on June 16th, at 6:30 p. m. at the Central Y. M. C. A., 19 South La Salle Street, Chicago. The purpose is to "present a tentative program to the pastors and local presidents of the Chicago area leading up to the intensive campaign next fall during Win-My-Chum week."

"The dinner will be complimentary, but acceptances will be in the hands of R. A. Dudley, 820 Westminster Bldg., Chicago ABSOLUTELY prior to Saturday noon, June 14th."

UNITED EVANGELICAL

Children's Day was celebrated in this church both morning and evening with appropriate exercises. In the morning the graduating exercises were held. About a dozen bright young children were promoted from the Junior Department and some 30 from the Primary into the Junior. The examinations showed that the little folks had been improving the time spent in the Bible school and could tell a great deal about the books of the Bible and their contents. The pastor gave a short address on the "Logis of Missions" from Rom. 10:14,15, after which a large offering was taken for Home Mission work. In the evening there was a splendid song service with readings by Miss Edna Schultz, and a short address by the pastor on "The Child in the Midst" from Matt. 18:1-14.

The program for next Sunday will be—Bible school at 9:30 A. M., morning sermon at 10:45, subject, "The Kingdom and the Church." K. L. C. E. service at 6:45 and evening sermon at 7:45, subject, "Spiritual Wings."

A cordial invitation is extended to the public.

When it appeared that the Victory Loan was largely over-subscribed, some of the people who previously couldn't afford it, felt that they made a mistake in not taking a bond.
