We are pleased to announce that we have obtained for this city the exclusive sale of the Nationally known and Nationally favored

Wirthmor and Welworth Waists

—After a very careful investigation we have arranged to distribute these two nationally-known and nationally favored lines of Waists in this city. Before deciding on this step we learned the Wirthmor and Welworth Waists were being handled by many of the best stores in America; that they had attained through their unvarying excellence a nation-wide popularity; that because of the unique Wirthmor Plan under which they are made and sold that they always represented the highest possible standard of value in popular price Blouses, and further because of this very unusual method of making and selling Waists we would be able to show the new and wanted styles first, in many instances long in advance of their appearance in the market generally.

Under the Wirthmor Plan you will be enabled hereafter to buy here the same new Styles in Waists at the same moderate prices and at the same time that these Styles first make their appearance in the recognized Style Centers of the country.

These are America's only known priced Waists, and they are sold at the same low prices the nation over.

\$1.50 (for the Wirthmor) **\$2.50** (for the Welworth)

A new shipment of these very desirable Waists has just arrived. We urge that you come in and see them; for we know that acquaintanceship will mean substantial savings for you whenever you're in need of a popular price Blouse.

If you have household goods going to or from Chicago, call 550 for reasonable rates.
