CATHOLIC SCHOOL HOLDS COMMENCEMENT

Excellent Program Given by Pupils at Ravinia Park Theatre Tuesday Night

On Tuesday evening, June 24th, occurred the annual commencement exercises of the Immaculate Conception school at Ravinia Theatre.

An excellent program was given consisting of drills, a short play, and lastly, the presentation of diplomas and the address.

A very pretty song, "Water Lilies," was rendered by the grammar grades and an attractive Red Cross and military drill by the third and fourth grades. The little tots were indeed cunning as they sang, "Over in the Corner Where the Dark Comes Most."

"The Rising of the Moon," a one-act play dealing with life in an army camp, was given by the High School boys. Much credit is due the boys for their exceptionally good work, and especially Samuel Martin who took the lead as Captain Edward Arder. Samuel has true dramatic ability. Herman Hart also deserves praise for his interpretation of Captain Tom Crawford, as do Jerome Berube, the drummer boy, Howard Meaney, Vencil Muzik and George Ohlwein, guerrilla soldiers who entertained one another around the camp fire by recitation and song.

The high school girls presented "Woodland Revels" an extremely pretty drill.

Equal honors were shared by George Ohlwein and Samuel Martin as Valedictorians, and after the conferring of the diplomas and a short talk by Dr. J. D. O'Neill, an interesting address was given by the Rev. Charles F. Meyers, of California.

Sixteen pupils were graduated this year, thirteen from the eighth grade and three from the high school.

The Sisters of Loretto and Dr. O'Neill surely deserve a great deal of praise for their untiring efforts in making the exercises the success that they were.

Following are the graduates:
Eighth Grade:
Catherine McNicholls, Phyllis Dean, Elizabeth Repholz, Charles Cary, Cornelius Dogier, Anna Witten, Richard O'Brien, Elizabeth O'Connor, Len, Anna Cawley, Lawrence Berube, Theodore Barr.
High School:
Herman Hart, Samuel Martin, George Ohlwein.

LOCAL TEAM DOWNS LIBERTY BOYS, 11-3

Highland Park's young and thriving baseball team played rings around their opponents Sunday both at the bat and on the field, and consequently emerged triumphant on the long end of an 11 to 3 score.

The boys took an especial liking to the brand of ball dished up by the opposing pitcher and hammered his offerings to all corners of the lot for a total of fifteen hits and 11 runs.

Greenslade was on the mound for the locals and pitched great ball. The Liberty boys were helpless before his baffling assortment of benders and he could easily have shut them out but he Jet up a little after the locals had the game safe on ice.

Greenslade's appearance made possible a few changes in the lineup that has materially strengthened the team. The present lineup is strong and well balanced and it is a safe bet that they will win a large majority of their games.

The Highland Park life saving support so don't fail to be on hand Sunday to see them play the Boulevard Billiards, one of the strongest of the Junior League teams. The game will be played at Central Park and will start at 3 p. m.

BUSINESS MEN HOLD ANNUAL PICNIC SUNDAY

The members of the Highland Park Business Men's Association and their families held their annual picnic at Louis Krueger's Grove, located between Half Day and Diamond Lake last Sunday. The largest crowd that has ever attended the Business Men's picnic gathered at Central avenue and Second street and were transported by means of automobiles to the picnic grounds. Games of all kinds and a general good time was enjoyed by all. Baseball proved most popular with the men.

SMALL CHILD LEFT ON FRITZ BAHR'S DOORSTEP

Last Saturday evening at eleven o'clock a six weeks old baby boy was left on Fritz Bahr's doorstep. The child was taken to the Highland Park hospital, where it is at the present time. The parents have not been located as yet. What will be done with the child is undecided. Several people have offered to adopt it.

Helping to Build Up the Town

HAVE YOU ever thought of your bank as one of the most unselfish, public spirited and patriotic institutions of your town? It is all of that.

Are you aware that the bank's business must come almost exclusively from the immediate community and that therefore it must help to build up the town if it expects to build a bank that is worth while?

If you will stop and think how you would like to live in a town without a bank and if you will pause to consider the value of the service rendered by this bank to its five thousand depositors, you will agree with us that this bank has been a potent factor in HELPING TO BUILD UP THE TOWN and is therefore deserving of your good will and patronage.
