Party Saturday Afternoon
 Ten girls from Highland Park will attend the wheel chair party at Ft. Sheridan Saturday afternoon. The present plan is to have girls from Waukegan, Lake Forest, Highwood and Highland Park entertain the men at the same party, so that the girls from these different towns may become better acquainted, as well as giving pleasure to the boys at the Fort. These parties are proving very popular and are greatly appreciated by the boys.

Junior Service Class to Meet
 Are you a member of the Junior Service club? If you are, come out to the next meeting, Tuesday evening, Sept. 15, at 8 p. m. If you are not, and if you attend the Saturday evening dances, at the high school, COME. What are we going to do that evening? We are going to hear a splendid talk by Mrs. F. D. Everett on "Child Labor and Compulsory Education," we are going to sing, and dance, and eat.

If you fail to attend this meeting you will miss something very worth while, which will broaden your views on the child labor question, and you will miss a good time.

Recreation Leaders Meet
 The recreation leaders of the No. Shore Young Women's Christian Associations and Patriotic Leagues met at the Association rooms last Tuesday. Plans were made for meets in swimming, tennis, and basketball, during the coming fall and winter months.

The secretaries were entertained at lunch at the Y. W. C. A. cafeteria at Fort Sheridan and visited the new hostess house, which will be opened within a few weeks. Those who attended the meeting were Miss Helen Moses, Lake Forest; Miss Marion Phillips, Waukegan, Miss Lois Dick, Highwood and Miss Olive Reynolds from the local Association.

Tennis Meet Scheduled
 Any Y. W. C. A. girl desiring to enter the tennis tournament which will occur during the last week in September and the first week in October between members of the Young Women's Christian Associations and Patriotic Leagues of Waukegan, Highwood, Lake Forest and Highland Park are urged to communicate with Olive Reynolds, phone 675. We want our Association to have a number of entries, and to equal the splendid basketball record made by the girls last season.

UNITED EVANGELICAL

Well, the surprise perpetrated by the Baraca class on the congregation was a good one. It was nothing more or less than the introduction of a Church Bulletin. It is very neat and tasty and will be very helpful in many ways, especially to strangers who may not be familiar with our methods of worship.

We have entered upon the great "Forward Movement" in our denomination and the Highland Park church will want to try for an honorable part in its ultimate victory. The chief ends of this great campaign are first to bring the members of the United Evangelical Church to a correct, abiding and compelling understanding of The Membership Covenant of the Church. An understanding that will make that covenant a thing of meaning to every one. A proper understanding of the obligations of Church Membership will show itself in the following objectives: 1. Every member a student of the Bible. 2. Every member an intercessor for the coming of the Kingdom. 3. Every member's home a temple of worship. 4. Every member in the weekly prayer meeting unless prevented by what our Lord will accept as a reason for absence. 5. Every member a steward in the household of God. The campaign asks nothing new but urges the return to the "Old Way." In a direct way the members of our churches are asked to renew their covenant and the campaign, in its later developments will without a doubt contribute to the successful bringing to pass of its second great end, namely, the pledging of \$1,000,000 for the prosecution of the following enterprises of our denomination: Missions, Church Extension, Education, Superannuation Fund, United Evangelical Home.

The services for the coming Sunday are as follows: Sunday School at 9:30; morning sermon at 10:45, subject, "The Bible and Pentecost." Junior service conducted by Miss Frances Fritsch; K. L. C. E. service at 6:45, subject, "The Great Companion"—Luke 24:1 3-32; Evening sermon at 8:45, subject, "The Healing of Naaman." You are invited to attend these services.

On account of the cost of living, a lot of people are striking so as to be able to raise the cost of living for everyone else.

The cub reporter may be able to get up a good article on the peace settlement, but if you want the ball games properly reported you must have an experienced writer.

There is a growing number of people who feel that the Mexicans at least should take out hunters' licenses before shooting any more Americans.

In these times of social unrest and disturbance the only way to get peace and quiet is to resort to a boiler factory or trip hammer plant.

Most women on their summer outings do not feel properly equipped for summer without high heeled shoes in which to turn their ankles on rough walks.

Of course the advance of the woman suffrage movement, and the haste of the Congressmen to abolish the ice cream tax have nothing to do with each other.

Are You Giving Your Trees and Shrubs Proper Care?

A LITTLE expert advice now and then may not only save them from dying, but may help to preserve their beauty. Let me give your premises a little personal attention. I can furnish men by the hour or by the day or will take the work by contract.

I am specializing at this time in the beautifying of driveways by placing ornamental shrubbery so as to add to the general appearance of the premises.

Your work will receive my earnest and careful attention.
