Sometimes a telephone subscriber will call a number and if he does not get an almost instantaneous response, will hang up the receiver and try again. Had he waited a few seconds longer, the call might have been answered.

Hanging up the receiver prematurely means that your time and the time and work of the operator have been wasted. If the called party answers after you have abandoned the call, the operator must come on the line and explain, "A party called you but they have hung up. Excuse it, please."

Please allow the person you are calling a reasonable time in which to answer before abandoning your call.

The preaching services of this church are held on Sunday at 11 and 7:30. The Sunday school meets at 10 o'clock. Prayer services are held at 8 o'clock on Wednesday evenings.

The Ladies' Aid Society meets on Thursday of this week at 2 p. m., at the home of Mrs. P. Hintz, on N. Second St.

Last Thursday evening the Sunday School board had a meeting of more than usual importance at the home of Mr. and Mrs. Wm. Guyot. Plans were perfected for the energetic prosecution of the work during the fall and winter months. Several changes were made in classes and teachers to meet the new developments of the school. Sunday, Sept. 28, was designated as Rally Day. The Home department is making steady gains under the able direction of Mrs. G. L. Brand.

Special recognition was given last Sunday to the birthday of Mrs. Salome Brand, who on that date, completed the 94th year of her life. Grandma Brand has lived more than eighty years in Lake county and during all of that time she has been active in Christian work. At present she is the oldest Sunday school scholar in the county, being a member of the Home department of this school. All unite in wishing for this honored pilgrim many more days of happiness and peace, and a precious realization of the divine promise, "At evening there shall be light."
