UNITED EVANGELICAL

Notwithstanding the stormy morning there was a good attendance at the Bible school and the morning preaching service. Preparations are going on for Rally Day which will be observed the first Sunday in October. The pastor preached in the morning on "The Abundant Life," and in the evening on "Helping Jesus to His Kingdom."

The Endeavor service was well attended and presented a helpful program. The attendance at the evening preaching services is very encouraging and is growing continually.

The services for the coming Sabbath are as follows: 9:30 a. m., Bible School; 10:45 a. m., morning sermon; 2:30 p. m., Junior service, directed by Miss Frances Fritsch; 7 p. m., Christian Endeavor, led by Herbert Moon, subject, "The Christian Athlete and His Training," 1 Cor. 19-27; 7:45, evening song and sermon. A cordial invitation is extended to the public.

NATURALIZING BULBS

There is nothing more fascinating than the naturalization of hardy bulbs and ferns, except it be that of songbirds.

These may be planted either in the woods, amongst the shrubs, or in front of the perennial border. For early bloom some of them beat the bluebirds in earliness, and they give an abundance of flowers from early March until June, at a really very small cost, since they are permanent.

A list of such absolutely hardy bulbs and ferns may be had by writing to O. C. DOERRIER, Landscape Architect and Forester, Melody Woods, Box 314.

NATIVE TREES AND SHRUBS

Melody Woods contains a great number of fine shaped crabapples, crataegus crus galli, (hawthorns), sasafrazz, dogwoods, American elms, ash, and clusters of linden or basswood (Tilia Americana). They are all very handsome specimens, most of them root pruned, and will therefore transplant well. I will move them only in the Fall, in order to make them grow. This is without question the best time to do it in. If you are a nature lover, let me quote you my prices—they are in line. In perennials I handle Mr. Fritz Bahr's famous strains of Paeonias, Engl. Larkspurs, Fox gloves, Sweet Williams, Phloxes, Columbines, Irises and an immense and popular collection of bulbs, like Hyacinths, Tulips, Crocus, Narcissus, Madonna Lilies, etc. Where improvements are contemplated, kindly consult me. I will do my utmost to get results. O. C. DOERRIER, Landscape Architect and Forester, Melody Woods, Box 314.

SPECIAL ASSESSMENT NOTICE
 Docket No. 71

Notice is hereby given to all persons interested, that the City Council of the City of Highwood, County of Lake and State of Illinois, have ordered that Railway Avenue shall be improved by excavating and grading, constructing a storm water and sub-soil drainage system including brick catch basins with cast iron inlet tops and a concrete outlet wall, constructing a portland cement concrete pavement with integral curb edges, replacing or extending connecting cross walks and otherwise improving said Railway Avenue from the paved roadway at the south line of Washington Avenue, southerly to its intersection with the paved roadway of Highwood Avenue, including the roadways of connecting streets, within Railway Avenue, all in the City of Highwood, County of Lake and State of Illinois. The ordinance for the same being on file in the office of the City Clerk of said City, and the said City having applied to the County Court of Lake County, State of Illinois, for an assessment for the cost of said improvement according to the benefits, and an assessment therefor having been made and returned to said Court, same being "Docket No. 71." The Final hearing thereon will be held on the 13th day of October, A. D. 1919, or as soon thereafter as the business of the Court will permit.

Said ordinance provides that the aggregate amount of said assessment shall be divided into ten (10) installments bearing interest at the rate of five (5) per cent per annum. All persons desiring may file objections in said County Court before said day and may appear on the hearing and make their defense.

R. G. SMITH,
 The person appointed by the President of the Board of Local Improvements to make said assessment.
 Dated at Highwood, Illinois, this 25th day of September, A. D. 1919. (30-31)

Your Dollar and Our Dollar

Your Dollar and Our Dollar are alike. But why mention it? Because that seems the simplest way to point out to our customers how present-day prices have boosted the cost of providing good gas service.

To Quote from Uncle Sam's Reports and other reliable and authentic sources, your dollar today will buy only 55% as much food as before the war—only 45% as much clothing—only 53% as much labor—only 42% as much of commodities of all kinds! This means that your dollar's purchasing power is about half what it is was before the war.

Again, We Say, our dollar is just like yours.

The Costs of Coal, Oil, Labor and general supplies for making and delivering gas are the highest in the history of the gas industry. They have increased on the same scale as household necessities. These costs are beyond our control. We have to meet them in order to continue good gas service.

A Recitation of the Details of these costs makes a very long and dull story. Part of the figures would tell you little or nothing. All of them would bore you and would mean nothing to you unless you are an engineer.

But We Want to Point Out to our customers that Old High Cost of Living has chopped the purchasing power of our dollar in half the same as he has yours.

How All the Facts and Figures on this subject are brought together and the price of gas fixed accordingly will be outlined in our next statement to appear in this newspaper next week.

NOTICE OF LETTING CONTRACT
 ASSESSMENT NO. 244

Board of Local Improvements of the City of Highland Park

NOTICE IS HEREBY GIVEN that bids will be received for the grading, draining, providing an asphaltic concrete paved roadway with a curb edge and otherwise improving Kincaid Street, St. Johns Avenue, Lambert Tree Avenue, Woodland Avenue, Oakland Avenue, Ashland Place and Briarwood Place, all in the City of Highland Park, County of Lake and State of Illinois, as a whole in accordance with the ordinance therefor.

Said bids will be opened on the 3rd day of October, A. D. 1919, at the hour of 5:15 o'clock p. m., at the office of the Board of Local Improvements in the City Hall of the City of Highland Park.

The specifications and blank proposals will be furnished at the office of the Board of Local Improvements in the City Hall in said City. The contractor will be paid in bonds, which bonds will draw interest at the rate of five (5) per cent per annum.

All proposals or bids must be accompanied by a certified check payable to the President of the Board of Local Improvements of the City

of Highland Park for the sum of not less than ten (10) per cent of the aggregate of the proposal.

Said proposal must be delivered to the President of the Board of Local Improvements in open session of said Board at the time and place fixed herein for the opening of the same.

No proposal or bid will be considered unless accompanied by check here-in provided.

The Board of Local Improvements reserves the right to reject any or all bids if they deem it best for the public good.

FRANK L. CHENEY,
 EDWARD G. HUBER,
 ARTHUR G. BROWN,
 Board of Local Improvements, City of Highland Park.
