A Good Tire Year

You have doubtless noticed the growing preponderance of United States Tires.

Every one is asking for tires of known value and proved dependability.

And that is precisely what United States Tires represent in the minds of motorists here and everywhere.

The idea back of United States Tires—to build good tires—the best tires that can be built, is appealing to rapidly growing numbers.

We can provide you with United States Tires to meet—and meet exactly—your individual needs.

United States Tires are Good Tires

United States RUBBER COMPANY AND ASSOCIATED COMPANIES

We know United States Tires are good tires. That's why we sell them
