ROOSEVELT MEMORIAL CAMPAIGN OCT. 22-27

ILLINOIS QUOTA \$750,000.00

It is the Hope to Make Oyster Bay a Roosevelt "Mount Vernon," says the Chairman

One hundred per cent American is the keynote of the campaign to be conducted in Illinois Oct. 22-27 to create a fund for a memorial to Theodore Roosevelt. The Roosevelt Memorial association is rapidly clearing the decks for a thorough campaign in this state, and it is the hope of the leaders to make Illinois showing second to none in the nation. The quota for Illinois is \$750,000.

At the meeting of congressional district and county chairmen in Chicago, a few days ago, Gov. Frank O. Lowden, state chairman of the campaign, said that while the campaign was to be for the memorial, special stress would be laid on the spreading of Roosevelt's doctrine of "America First, last and all the time."

"In this campaign," said Gov. Lowden, "we have for a rallying cry the name of the greatest American of this generation. Never in the history of the country has the time been so propitious for the spread of doctrines of true Americanism as at present."

"One cannot think Roosevelt or discuss Roosevelt without thinking and discussing Americanism. This very fact that one goes to a man and asks him to make a contribution to the memorial fund offers an opportunity to plant in that man's mind and soul the glorious principles for which the lamented colonel lived."

"There are many false doctrines filling the air at present some of which, sad to say, have found rooting places in the minds of some of our people, and any doctrine of true Americanism must be welcomed by the real Americans of the land. This is more than a campaign to erect a suitable memorial to an ex-president, even so out-standing a figure as Theodore Roosevelt; it is a campaign to emphasize those living principles which make for the safety of the future of the nation. The raising of money for this purpose is an incident to the campaign. This is a campaign to make Illinois stand for Americanism of the most robust type."

"We hope to make Oyster Bay a Roosevelt Mount Vernon, and every man, woman and child who contributes to the memorial fund will receive a certificate of membership in the Roosevelt Memorial Association. We want wide distribution on this campaign; we want the people to back up the movement, and we don't want to depend on a comparatively few large subscribers."

SUGGEST NEW COUNTY FOR NORTH SHORE

Evanston Leaders Present Plans to Establish New Cook County Comprising N. S. Cities

Proposal that the portion of Cook county comprising Evanston, Wilmette, Kenilworth, Winnetka, Hubbard Woods and Glencoe, withdraw from Cook county and join a suggested governmental unit to be known as Evanston county was made Wednesday at the noon meeting of the Chicago Bureau of Public Efficiency held in the City club, Chicago.

Fifteen representative Evanston men attended the meeting at the request of Mayor Harry P. Pearsons at which it was decided to introduce before the coming constitutional convention two plans for the improvement of local governments. The opinion of the Evanston men was expressed as favoring the creation of a county separate from Chicago as opposed to the suggestion which will be made to merge suburbs into the big municipality.

Seek Prompt Action
Evanston representatives are now considering appointment of a committee to meet with committees from all the towns interested to discuss advisability of all joining in a "Greater Evanston," all towns to be in what will comprise a new county to be known as "Evanston County."

HIGH SCHOOL TAKES TWO FOOTBALL GAMES

Trims Chicago Tech. Saturday 20 to 0, and Waukegan Yesterday, 13 to 0

The High School won their second game of the season from the Chicago Tech. Col. 20 to 0, Saturday.

The game was very exciting as the college team out weighed the high school by fifteen pounds to the man. In the second quarter Snarr the college quarterback was laid out twice the second time he was forced to leave the field.

Only at one time did the college team look as if they were going to cross the goal and that was when the entire high school lightweight team was playing the game in the last quarter.

Capt. Bolan who was injured in the Alumni game was not able to play in the game. First half ended 13 to 0. Touchdowns—Leaf, McIlwain, Stevens; Goal kicks, Parcels, 1.

Waukegan Game
The high school won their third game of the season from their old opponents, Waukegan, 13 to 0 yesterday.

Waukegan brought two car loads of rooters down and our whole school turned out.

Before two minutes were up Deerfield made its first touchdown. Charles Stewart of Lake Forest caught the kick off on our fifteen yard line and carried it eighty five yards for a touchdown. The goal was not kicked. Neither side scored again until the second quarter when Ritta made our second touchdown. Parcels kicked the goal. Both sides failed to score in the remaining quarters.

Capt. Bolan, who was injured in the Alumni game was able to play.

Matinee at two thirty.

LOCAL FOOTBALL SQUAD WINS FROM FORESTERS

George Bolan's fighting eleven brought home the Lake Forest gridiron on Sunday by a score of 6 to 0. Owing to the wet grounds fast play was prevented from running up a bigger score.

White and McCabe of the Highland Park team starred, and they were ably supported by the other members. The touchdown was made during the first quarter of the play.

NIGHT SCHOOL STARTS WITH BIG ATTENDANCE

MANY SIGN FOR COURSES

Business, Domestic and Trades Courses of Instruction Attract Highland Park People

The evening High School opened at Deerfield-Shields on Monday night with an attendance of over a hundred and fifty students and a promise that the numbers will pass the two hundred mark.

The work is mostly vocational in character. Classes have been organized in cooking, sewing, millinery, machine shop work, blacksmithing, mechanics and electricity, mechanical drawing, automobile drivers' course, business English, commercial arithmetic, Gregg shorthand, typewriting and gymnasium instruction for boys and girls, including swimming.

Anyone is Eligible
Anyone who is not a regular high school student is eligible for attending the night school, and not only Highland Park, but neighboring towns along the north shore are included. The school opens on Monday, Wednesday and Friday evenings at 7:15 for two hour sessions. The term is to extend through the winter and will be concluded in the spring.

The instruction is to be entirely free but a deposit of one dollar is required as evidence of good faith on the part of the students. A dime is to be deducted from this dollar each time the student is absent; and if he is not absent the money will be refunded.

The automobile drivers' course occupies Monday evening only for the double period; Millinery takes the two periods on Monday evenings and making on Wednesday evenings and cooking on Friday evenings; Business arithmetic and mechanics and electricity each occupy the first period three nights in the week. Business English occupies the second period three nights in the week, though this may grow to such proportions as to require time for a second class the first period. The industrial arts courses including mechanical drawing may occupy either one or two periods three nights in the week. There will be two classes of shorthand and two of typewriting, one the first and another the second period each night. Swimming and gymnasium work will be divided into two classes each, these classes meeting on Monday and Wednesday evenings only. The following teachers will have charge of the work: Mr. Ben Ball, Mechanics and Electricity; Miss Wilhelmina Munson, typewriting; Miss Margaret Fitzsimmons, Shorthand; Mr. Frank J. Zipp, Commercial Arithmetic; Miss Margaret Sexaner, Business English; Mr. Edward Prye, Automobile; Mr. Robert Schneider, Machine Shop and Forging; Mr. Harry Pertz, Mechanical Drawing; Miss Elsie Hessler, Millinery and Dressmaking; Miss Grace Spence, Cooking; Mr. John Rothacher, Men's Gymnasium; Miss Margaret Byrn, Woman's Gymnasium; Mr. Geo. Bolan, assistant in Swimming.

Schooling for Workers
The instruction is to be carried on by the high school teachers, excepting in the automobile drivers' course, which will be under the supervision of Mr. Prye, salesman at McPherson's garage.

A great deal of interest is being manifested in this work. The idea of the project is to furnish an opportunity for schooling for those who must work during the day. Every two weeks there will be a social entertainment, which will be conducted by each class in turn. Music, readings, talks, and dancing will be the features of these affairs.

POSTPONE SETTING ANNIVERSARY DATE

Routine business was transacted at the regular meeting of the Business Men's association, held Saturday evening.

On account of the absence of President Orville G. St. Peter, who is on his vacation in the east, and several officers and other members of the organization, the setting of the date for the celebration of the Eighth anniversary was postponed. This will, however, be decided upon at a special meeting to be held as soon as Mr. St. Peter returns. The anniversary will doubtless be held early in November. A big dinner, followed by a dance, will be the feature of the affair.

ST. JAMES CLUB HOLDS BAZAAR THIS WEEK

St. James club is holding a bazaar in Santi hall, Highland, today, tomorrow and Saturday. The affair will be held every evening, a dinner being served in connection with the bazaar. This afternoon a card party is being served with a chicken dinner to be started this evening. Saturday evening a dance will be given, music being furnished by Duffy's Orchestra of this city.

JUNIOR SERVICE CLUB TO MEET MONDAY

On Monday evening, Oct. 13, the girls of the Junior Service club will meet at the Y. W. C. A. rooms to continue the making of the paper hats for the big Halloween dance which will be given at the high school on Oct. 25.

Eighteen girls worked on the hats last Friday evening, so that a good start was made. About two hundred more hats must be made, however, and the committee is anxious to have as many girls as possible at the rooms next Monday evening.

Remember that the big Halloween party for girls will take place at the Y. W. C. A. on Tuesday evening, Oct. 21. Keep that date, for plans are being made for a rousing good time.

SUBMIT PROPOSITION FOR NEW CITY PARKS

TWO EXCEPTIONALLY GOOD

Sheaheen Tract of 98 Acres and Mooney Tract of 100 Acres Being Considered by Park Board

At a meeting of the Park board on last Friday there were a number of propositions for land for the new park presented. The two that attracted most attention were the Sheaheen tract of 98 acres extending from the Deerfield road to the Exmoor Club, and the Mooney tract extending south from the Deerfield road for nearly a mile and comprising about one hundred acres.

Owing to the great importance of making a proper selection the Board has both tracts under careful consideration, and a majority of the Commissioners spent last Saturday morning in going over these tracts with Mr. Jens Jensen, formerly Superintendent of the West Park Board of Chicago. The Board now proposes to visit these sites with some prominent golf expert who will help them to decide which is the most suitable for a municipal golf course, which, with the help of the City Commissioners, it is hoped a decision can be arrived at the next meeting to be held at the City Hall on Friday, the 17th, although it may be decided to await the return of Mayor Hastings before taking final action.

EIGHT STORES BURN IN WINNETKA TUESDAY

Damage Estimated at \$50,000.00. Chinese Loses \$2,000 in Liberty Bonds

ANNUAL RUMMAGE SALE IS NOW IN PROGRESS

Affair Being Held at 513 West Central Avenue, Proceeds to be Used for Educational Work

The D. A. R. Rummage sale is now in progress and is being held at 513 West Central avenue, two doors east of the old Highland Park theatre. The hours of the sale are from 9:30 to 12:30, 1:30 to 4:30, today and tomorrow.

The proceeds of this affair are to be used for educational purposes. Scholarships for the children of the poor mountain whites who are so eager for an education, will be procured with the funds.

ATTENDED WEDDING AT OSSINNING, N. Y.

Mrs. O. L. Oleson returned Tuesday evening from Ossinzing, N. Y., where she attended the wedding of Miss Marylee Nally, formerly of this city, and Frederick Hahn.

The wedding occurred Saturday evening, Oct. 4, at "The Trees," the fine home of the bride's parents, Mr. and Mrs. Edward J. Nally.

Mrs. Oleson spent a few days visiting her daughter, Miss Alma Oleson, who is attending St. Mary's school at Peckskill, on the Hudson. Miss Alma also attended the wedding ceremonies.

VOLIVA TELES WORLD ABOUT ZION'S IDEALS

Large Sign Boards on Sheridan Rd. Tells Policy and Ideals of Zion City

Voliva has announced to the world, through two immense bulletin boards which he is having painted on the main street of Zion City, just what the policy and ideals are of that community. An immense bulletin board faces Sheridan road, and a sign painter is busy telling the public in large letters that Zion City has "one leader, one people, one place of worship," that it was established as "a place of refuge for God's children, as an object lesson to the whole world—as a light to all nations."

It further says that "every inhabitant is a Christian."

A family altar and daily worship in every home.

Every inhabitant believing and living Divine Healing.

Educationally, the ideals of the Zion City schools are set forth as:

Where the Bible is the principle Text Book. Where God is acknowledged as Savior, Healer, Cleaner and Keeper.

The motto for the Zion factories under the control of Wilbur Glenn Voliva is "Where God rules, Man prospers." The bulletin board further informs the traveller that in these factories every day's work is begun with a prayer service, and that "Christian cooperation is taught and practiced. Where mind, money and muscle are recognized as absolutely necessary and each one is properly rewarded."

Politically, the motto is set forth in the following words:

"Where all think, pray and vote for the highest good of the state and the nation."

Perhaps Voliva is having these signs set up as a rebuke to the beer runners and their fraternity.

CLIP YOUR COUPONS OCTOBER FIFTEENTH

Reinvest Your Interest in War Savings Stamps of Treasury Certificates

Another one of Uncle Sam's big pay days comes on October 13. Then you will again have an opportunity to clip your Liberty Bond coupons and reinvest the interest in another form of Government security—War Savings stamps or the new Treasury Savings certificates.

Interest on Liberty Bonds to the total amount of \$78,102,249.28 will be paid by the Treasury department on October 15.

Keep your dollars working for you. That is what the wise investor does, and with the purchasing power of the dollar lower than it ever was, it is the part of wisdom to keep your income increasing until money is worth more.

You can do that by reinvesting your Liberty Bond interest in War Savings stamps which pay four per cent interest compounded quarterly.

The procedure is easy. All you have to do is to take your Liberty Bond Coupons to any post office and almost any bank and exchange them for War Savings stamps, which are non-depreciable and non-fluctuating.

In case you need the money you can always cash them on ten days' notice. Each purchaser of War Savings stamps gains sure profit and insurance for the future. The Government gains some money and assures and stabilizes its financial safety and prosperity by assuring the financial security of its citizens.

Following are Uncle Sam's other pay days this year and the amount of Liberty bond interest it is possible to reinvest in War Savings Stamps:

November 15 \$148,517,248.75
December 15 36,658,376.65
Dec. 15, (5th loan) ... 106,875,000.00

Don't forget these dates. Go to a post office or bank and put your Liberty bond interest into War Savings stamps.

SOLDIERS GO THROUGH CITY ON WAY TO GARY

The entire Fourth division, which is stationed at the division headquarters at Fort Sheridan, has been sent to the riot zone at Gary, where the striking workers are raising trouble.

Monday afternoon scores of army trucks carrying the men and all of their equipment passed through Highland Park on their way from the Fort to Gary.

Y. W. C. A. ACQUIRES WARREN PROPERTY

WILL FEATURE CAFETERIA

First Step Toward Solving Highland Park's Housing Problem. To Open Next Week

Highland Park is going to have a "Y" cafeteria. One of the long-felt wants of this growing community is about to be realized, and it is coming just as it has come in many cities of this size throughout the country, through the medium of the Y. W. C. A.

Last week the local Y. W. C. A. purchased the Charles Warren property at the corner of Central avenue and Green Bay road where they will open at an early date the Blue Triangle Cafeteria. For a long time the Young Women's Christian association of Highland Park has realized the need for a home of this kind for the many young women employed within this city, and they have carefully examined all available property in the community which might lend itself to the housing needs of the organization and at the same time be located in a central position.

When school opened this fall it brought up the ever recurring problem of housing the teachers, a need which Highland Park has felt for many years. The demand for rooms for the teachers of this community came to the Y. W. C. A. for settlement as it is in the province of this association to take care of this kind of service. In so far as the association can provide quarters for the teachers, it will be one of its chief aims to do so, but, for the immediate future, its housing capacity will not be adequate to fill all the demands.

The Reconstruction hospital at Ft. Sheridan has brought to Highland Park several hundred aides who are compelled to live outside the Post. The majority have been comfortably located in the many homes in the community, together with those who availed themselves of Mr. Cushing's very generous offer, and found quarters at the Moraine.

However, the crying need for a boarding home will be met and filled with the opening of the Blue Triangle Cafeteria. It is hoped that the establishment of a cafeteria in this town will help largely to solve the help question which yearly becomes more difficult and menaces the peace of many a home. Kankakee, Ill., has a "Y" cafeteria as well as a very beautiful home for the Y. M. C. A. all under one roof. Meals are offered there at almost nominal prices with the result that the "Y" is so popular it seems as if the whole town had turned out for their dinner between six and seven o'clock in the evening. But Kankakee is not unlike many a "Y" cafeteria they have a "Y" cafeteria—the "Y" is the pivotal center where everybody meets, and about which everything seems to revolve.

The Highland Park cafeteria will be under the competent management of Mrs. C. G. Wright whose experience from every standpoint fits her for this important post. Aside from her years of previous training along the lines of domestic science and household arts, she comes to this work fresh from a summer course at Teachers' College, Columbia university.

The house on Central avenue is being rapidly put in shape for the opening of the cafeteria which will be sometime between the 15th and 20th of October. The furniture and equipment have been furnished by the National War Work council of the Y. W. C. A. The administrative department, however, will remain in its present quarters for the present, pending the erection of an adequate building on the newly acquired property. All classes and clubs will continue to meet in the same rooms as formerly. For the immediate present the new cafeteria will serve only luncheons and dinners.

SHERIDAN CAFE IS SOLD TO MR. KEMPER

Harvey Kemper has purchased the Sheridan Cafe on Sheridan Rd. north of Central avenue and will take charge of the establishment next week.

The place was sold by Miss Marian Craig, who has been operating this restaurant since its opening. She has bought a restaurant in Chicago and will go to that city in the near future to take charge of it.

BOWLING SHARKS HAVE ISSUED CHALLENGE

Sunday afternoon Richard Turelli and Louis Guerri won in a bowling match from I. Ori and R. Minori, taking four games out of seven. These men represent some of the city's best bowling material. Ori made a score of 446 last year at the world's tournament at Cincinnati.

Rubini's team, composed of Richard Turelli, Louis Guerri, Peter Marchi, Joe Guerri, and A. Minori, have issued a challenge to any team in Highland Park.

DABE BROTHERS ARE OPEN FOR BUSINESS

The Dabe Brothers cleaning, pressing and dyeing establishment was opened yesterday (Wednesday) morning. The concern is being run by Thomas and Ralph Dabe of this city, who have had ten years of experience in this line of work. The interior of the building, at 394 Central avenue, has been refurnished and new equipment installed.

COLLEGE TAKES GAME FROM FORT SHERIDAN

In a closely contested skirmish Saturday afternoon Lake Forest college defeated the Fort Sheridan football squad on the college gridiron, by a score of 14 to 6.

Fort Sheridan made the first touchdown, and fought every inch of the way. The team from the fort were much heavier than the Lake Forest eleven.
