Pianos returned from Summer Homes

This annual trade event to which so many look forward eagerly, will present a greater opportunity than ever

Steamers, trains and motor vans bring us back the pianos rented in Charlevoix, South Haven, Petoskey, Lake Geneva, Oconomowoc and a score of other Summer resorts. All these pianos are offered at a discount. An excellent chance to make a saving on a good piano. An unusual number of pianos were rented this year owing to abnormal conditions.

In addition to the returned-from-rental Pianos, many exchanged and odd style new Pianos are included. The list embraces hundreds. Here are a few taken at random:

- Steinway Upright, mahogany.
- Lyon & Healy Upright, oak.
- Washburn Upright, mahogany.
- Chickering Upright, ebonyized.
- Knauber Upright, mahogany.
- Kimball Upright, mahogany.
- Schultz Upright, oak.
- Kingsbury Upright, mahogany.
- Twichell Upright, walnut.
- Conover Upright, mahogany.
- Leland Upright, oak.
- Emerson Upright, mahogany.
- Huntington Upright, oak.
- Vose & Son Upright, walnut.
- Brambach Grand, mahogany.
- Steck Grand, mahogany.
- Chase Bros. Grand, mahogany.
- Lyon & Healy Apartment Grand, mahogany.
- Steinway Baby Grand, ebonyized.
- Wheclock Pianola Piano, mahogany.
- Washburn Player Piano, oak.
- Stroud Pianola Piano, mahogany.
- and many others.

Upright Pianos as low as \$125; Player-Pianos from \$450; Grands reduced to \$575. Small monthly payments may be arranged. All instruments are in good playing order and guaranteed free from hidden defects.

M. E. CHURCH

Rev. H. D. Dick, Pastor
"This has been the most prosperous year this church has ever experienced," is the statement from those in touch with matters. This cannot be said to be attributable to anything other than obedience to the larger vision that came to those bearing the responsibility of this work. The growth made during the year justifies the prediction that the coming year will be more prosperous than this year in many ways.

There has been a gradual growth along nearly every line of work. The attendance at all services has grown and the interest in others has reached a stage pleasing to God and man. The largest sums for purely benevolent purposes ever raised have been paid and the report to the conference treasurer will be in full a wide margin in other charities standing to the credit of the church. That the coming year will be even greater in its achievements is assured from the fact that new sources of income have been opened that will enable these people to enlarge their program of activities.

As minister of the church I desire to speak my sense of gratitude to all who have contributed in any way to the success of the year's work and to God who has guided us in the performance of His work. Should we return for another year we shall early in the year announce the new program.

Services

Mr. A. W. Vercoe will lead the Wednesday evening service and will have charge of the class in personal evangelism Thursday evening. The hours for these services will be 7:30 Wednesday evening and 7:45 Thursday evening. Come, and you will find rest from the things that annoy and burden.

All other services will come as usual except Sunday morning. There will be no preaching service in the morning. In the evening some minister in the conference will occupy the pulpit. We shall announce who this minister will be at the earliest time possible.

We are happy, indeed, to have Dr. Leach as the speaker last Sunday evening. Dr. Leach makes himself more popular at each visit. The services on Sunday were up to the standard in every way.

We most cordially invite the public to worship with us.

CHRISTIAN SCIENCE

Hazel Avenue, near St. John's Ave.
Subject for next Sunday's Lesson Sermon, "Are Sin, Disease and Death Real?"

Services are held in this church every Sunday morning at 10:45. Sunday school meets immediately after the morning service, and is open to pupils up to the age of 20 years. The Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock. You are cordially invited to make use of the reading room at 387 Central Avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening.

An exchange makes fun of another newspaper for speaking of a "musical concert." Considering the unusual ones that the reporters are sometimes asked to attend, the qualifying adjective seems far from superfluous.
