Dancing Classes Start

On Thursday, October 16, the dancing classes which are always so popular among the girls of the community, will start. Mrs. Humphrey will again have charge of the work, and will be assisted by Miss Jean Richardson, a very capable instructor who had charge of the dancing in the Municipal Pier entertainment this summer.

The afternoon classes for girls from 6 to 16 years of age will be held at the usual hours, 3:30, 4:30 and 5:30. The evening classes will be held at 8:30. Such a large number of girls have designated their desire to join this evening class that two classes may be formed.

In the evening, social dancing, folk dancing, or simple gymnastics will be given, according to the wishes of the class.

Here's Your Chance

To join a drama class, which will put on short plays at Fort Sheridan, and will give other entertainments. You need not have special talent along these lines. Come and learn how it is done, and get a great deal of pleasure and benefit yourself, besides. Come and learn how it is done. You will enjoy the class. Miss De Laubenfels, a Reconstruction Aide, who has had charge of dramatic work among the soldiers, will lead the class. Phone 675 that you want to join the class. The hour will be arranged to suit the convenience of the girls.

To join a glee club which will sing in the wards at the hospital, and at community entertainments. Miss Louise McDonald has very kindly consented to lead the club. If you like to sing, tell us about it.

To play basketball. The basketball practices will soon begin, so that our teams may be ready for the North Shore Y. W. C. A. tournament Oct. 16, at 8:30 p. m., under the instruction of Miss Jean Richardson and Mrs. Humphrey.

No fees will be charged Association members for any of the above activities, except for the dancing class.

Membership Supper Big Success

Two hundred guests sat down at beautifully decorated tables in the lunch room of the Deerfield-Shields high school last Friday evening and enjoyed the first annual membership supper of the local Young Women's Christian Association.

Each club had its table decorated in its colors, the Rainbow club with a large rainbow of multi-colored streamers coming from it, the Bluebird club with a large bluebird holding the ends of blue and white streamers in its beak, the Dix Amies with Hallowe'en decorations, the Aster girls with a large basket of asters, and purple and green streamers, the Friendship club with large baskets of pink and lavender wisteria, the Entre Nous with tea roses, and the Girl Reserves with a wigwam representing camp life, and large bunches of autumn leaves. The guest tables were decorated with large baskets of salvia, autumn leaves, and many kinds of fall flowers. Each table was marked with blue triangles, bearing the name of the club, or the guests.

The invocation was offered by Dr. P. C. Wolcott. After a delicious supper which Miss Hesler of the high school very kindly arranged, Mrs. W. A. Alexander introduced the Rev. Frank Fitt, who spoke on community co-operation, and the need for keeping the Army and Navy Center open during the coming year. Mrs. Alexander then presented the plans for the fall and winter months, giving the girls an opportunity to sign up for the four activities which are being offered aside from the regular club work. The result of this was:

- Drama class 20; Dancing and Gymnasium, 32; Basketball, 13; Glee Club, 16.
- After the talks a short program was given in the girls' gymnasium. Each club gave a "stunt" which was heartily applauded by the audience. The program follows:
1. Initiation Ceremony, Rainbow
 2. A Major Symphony, Aster Club
 3. Shadow Picture, Lochinvar, Dix Amies.
 4. Speaking of Operations, Entre Nous.
 5. Firefly, a dance, Marjorie Bowden, accompanied by Mrs. T. E. Stevens.
 6. Dr. Imaquack, Friendship Club.
 7. Bluebird Follies, Bluebird Club.
 8. Tenting To-night, Girl Reserves.
 9. The Jumping Jack, Mae Hesler, accompanied by Gladys Pearl.

The remainder of the evening was spent in dancing in the boys' gymnasium. An orchestra from Ft. Sheridan furnished splendid music. Everyone pronounced the evening a great success and it is our hope to have it an annual affair.

Hike and Supper

The second and third corps of Girl

Reserves enjoyed a hike and supper Tuesday afternoon, Oct. 14. The girls hiked several miles north and cooked their supper on a large bonfire on the beach. Twenty of these girls went camping this summer, and all are "strong" for outdoor life. Twenty-five girls attend the weekly meetings regularly.

Hallowe'en Party

The third and fourth corps of Girl Reserves gave a very successful Hallowe'en party at the rooms on Wednesday afternoon, Oct. 15. Many appropriate games were played, and the girls enjoyed refreshments of apples, hot coffee, sandwiches, and cookies.

Rainbow Club Sews for Orphans

The members of the Rainbow Club have started to make clothing for a small Assyrian girl at the Deerfield Orphanage, as their service work. At their meeting Tuesday evening, the girls finished mending a large pile of stockings which they are giving to the orphanage, and started several garments for their adopted ward.

Big Hallowe'en Party

Don't forget the date of the Junior Service Club's Hallowe'en party, Oct. 21, at the Y. W. C. A. rooms. Plans are being made for great festivities.

HIGH SCHOOL NOTES

Saturday the D. S. H. S. team won their fourth straight victory of the season, defeating the Thornton high school team 61 to 0.

The first period opened and after two plays Stewart carried the pigskin over the goal. He continued to do this for three times during the first period. Parcels kicked the three goals.

In the second period several subs were put into the game, Stewart, Stevens and Parcels being given a rest for most of the period. Jackson made two touchdowns and Parcels kicked one goal. Half ended 34 to 0.

The third period opened with the greater part of the team being subs. Hesler and Mellwain both crossed the line and Proctor kicked goals.

In the fourth quarter the first team back field were put into the game, Leaf and Stewart scored and Jackson kicked one of the goals. Game ended 61 to 0.

Next Saturday the team travels to New Trier.

CHRISTIAN SCIENCE

Hazel Avenue, near St. John's Ave. Subject for next Sunday's Lesson Sermon, "Doctrine of Atonement."

Services are held in this church every Sunday morning at 10:45. Sunday school meets immediately after the morning service, and is open to pupils up to the age of 20 years. The Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

You are cordially invited to make use of the reading room at 387 Central Avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening.

Many people are manifesting their trust in Providence by waiting before raking up any leaves until the same blow over into the neighbor's lawn.

And millions of people who are denouncing the profiteers, are helping the profiteers make money by cutting down their production and creating scarcities.

Cost of hair cutting going up, but much can be accomplished among plain honest people with a pair of vine clippers.

There's No Water in the Electric Heating Pad

It's a soft, flexible pad that adapts itself to any shape. It works from any lamp socket, gets into action quickly. You control the heat at the degree desired and the energy sustains it there so long as the current is turned on.

Many kinds of pain can be alleviated by a hot application. There's no heat applicer in the same class with the electric pad.

Don't you want one in your house? We sell 'em.
