

### Is Your Time Worth 10 Cents Per Hour?

"I would like to send my washing to the laundry, but I cannot afford it." In the days before women caught the larger vision of their role in life, this used to be said often. Women never thought of their time as having a money value. But it is different today. Women now know that their time is worth something.

Usually it requires from 10 to 15 hours to complete the family washing. If you value your time at only 10 cents an hour, you spend from \$1.00 to \$1.50 worth of it on your family washing. And if you value your time at 20 cents an hour—which certainly wouldn't be excessive, you spend from \$2.00 to \$3.00 worth of it on washday. This does not include other costs like wear on yourself and soaps, powder and fuel.

Why continue this wastage of self? Ours is an economical cloth-saving laundry method. A plant, airy and bright with sunshine. Employees healthy and capable. Soft water and fluffy suds for your clothes. Ironing in a modern, steam-heated way that gives a glossy finish to your things.

If washday has vexed you in the past, gain freedom in the future by sending your family bundle to us. A telephone call will bring our driver.

### Mark Your Laundry With Woven Name Tapes

IN our campaign for family laundry work we want to make it an impossibility for any article to get lost or misplaced through the possibility of faded marking or articles not being marked. We have tried to formulate a plan whereby all articles will be marked with a permanent mark.

Here is our plan: Families desiring to send us their family work will be furnished sufficient woven name tapes, necessary to mark their entire family wash. Sew these tapes on every article you send us. These tapes to be paid for. When your laundry work sent us amounts to ten times the cost of these tapes, we will refund you the amount you paid us for them.

This will insure your laundry against loss and will also make a permanent mark which will be neat and attractive and a positive identification at all times.

Send us your order for as many name tapes as you need. Give us the style number and allow us about two weeks to secure the tapes. Phone us at once.

### SOCIAL ACTIVITY

The Junior Service club gave a very delightful Hallowe'en party at the Y. W. C. A. rooms on Tuesday evening. The affair was planned to be strictly feminine, but before the evening was over the opposite sex were apparent to participate in the affair were Monsieur Shoehorn and Madame Butterfly. Monsieur Shoehorn or Miss Mae Siljestrom, and Madame Butterfly, Alice Johnston, were the prize winners of the evening. Most all of the girls dressed in costume, and there was a great deal of guessing as to who hid behind the masks. Mrs. Morrison and Miss Sheldon, the "Doughnut Queen," of the Salvation Army, gave short talks about the campaign which the girls will carry on in cooperation with the Woman's Club, and the girls were most enthusiastic over their presentation of the work. Following their talk, games and dancing were enjoyed by the girls, after which delightful refreshments appropriate to Hallowe'en were served. The whole evening proved to be a most delightful one.

Miss Charlotte Brand will be hostess to the Friday Evening club at her home tomorrow evening.

The marriage of Miss Edna Langer of Davenport, Ia., and Mr. Gervase Brown of this city will take place Saturday evening at the home of Mr. and Mrs. Elmer Brown on N. St. Johns Place, with the Rev. Several members of the Luther league of the Highland Park Lutheran church will attend the convention of the North Shore leagues which will be held in Libertyville next Sunday afternoon at 3:30. Delegates from all leagues in this district will be present.

The members of the Elks club will enjoy a Hallowe'en party and dance in the club rooms Oct. 30. Invitations are being sent out.

The Ossoli Club will hold its first meeting of the season next Tuesday at the Highland Park club.

### THE AMERICAN LEGION

A very important meeting of the Dumaresq, Spencer Post No. 135, American Legion, will be held on Monday evening, Oct. 27, at the Deerfield-Shields High School. At this meeting election of new post officials will take place and a local constitution will be drawn up for future guidance.

Mr. Robert M. Cobb who was sent to Peoria as delegate from this post, will give a talk concerning the events which transpired at the state convention, which will be of very great interest to all the members.

A partial consignment of American Legion buttons have been received for distribution at 25 cents each. There will not be sufficient buttons for all the members and in order to make a fair distribution, the Secretary advises that they will be distributed first to the chartered members of the organization who will appear on Monday evening.

New Posts of the American Legion have been organized at Waukegan and Lake Forest. On last Saturday Libertyville started a campaign to enroll new members in order to organize a post in that town, making it the fourth post to be organized in Lake County.

### PUBLIC LIBRARY

In the Methodist Review of September, 1918, A. J. Price wrote:

"My library is Aladdin's Lamp to me. At my library's shelf I change my lamp, battered by the day's fret and worry, for a new Aladdin's Lamp. In a quiet corner I rub it and genie appear to bow and ask my bidding. Space and time vanish at their coming. They build for me against the Eternal City—and destroy it. In another mood, in another moment, I bid them build for me old Babel and, spellbound, I listen to the confusion of tongues.....Before tomorrow I have them build for me the Panama Canal, make a new continent, upheave a mountain, or build a coral isle in a tropical sea. They do my Herculean bidding, for I have my magic lamp. They do more; they bring eternity to me, for yesterday and tomorrow both become today. . . . All this my library is to me—and more!"

"What is the Shantung question, and what has it to do with me?" someone asked the other day. He did not want a newspaper article. We gave him the magazine Asia. Have you seen it? It deals with the orient and its problems and possibilities. It is one of the interesting new magazines in our library.

Birmingham who wrote "Spanish Gold," "The Search Party," and other delightful novels of Irish life which have been so popular, has just published a new volume. It is "Our Casualty,"—laughable yarns of the left-overs at home.

The American Library Association library at Ft. Sheridan says that they cannot supply the demand for the following magazines:

- Red Book
- Green Book
- Cosmopolitan
- Life
- Judge
- Photo Play

If you have any RECENT numbers which you are not using, or which you are willing to sacrifice for those fine, wounded soldiers at the Fort, will you bring them in as you pass the public library, and let us send them up; or will you take them up to the Fort Library (in Building 81)? Other magazines of CURRENT DATE are also desired, but these named few are especially wanted by the men.

A Children's Book Week will be held at the Public Library Nov. 10 to 15. Special exhibits will be held, and lists for Christmas buying will be distributed free. The library staff will be ready to consult with parents and children about books, for Christmas and birthday purchase. Specimens of volumes renewed in extra strong bindings will be shown, as well as inexpensive but attractive books for children. All the volumes are Public Library property and not for sale, but they will be suggestions for buying, and a book-dealer will be present from Larson's Book Store, to take all orders that anyone may wish to give. Even if you do not intend to buy, or if you have no one for whom to buy, you will be interested to see what the library has in Children's books. It will be an interesting exhibit. Plan to come.

Clara Louise Burnham's "In Apple Blossom Time" is a love story on the fairy-tale for grown-ups order. She always writes charmingly, and this time adds a quaint setting to her love story. Some have accused her of being rapid, but her cheerful wholesomeness is certainly a relief after some of the over-sped problems we have found in some of the "most discussed" books of the month. A great many people will welcome a new novel by this favorite writer.

"The Charm School" may not have the popularity or wide appeal that Alice Duer Miller's "Come Out of the Kitchen" had, but it will certainly be a "best seller" in the shops, and a most popular novel in the Public Library. A handsome youth of twenty-

Many telephone subscribers are careless in their treatment of the mouthpiece. It becomes chipped and cracked, and oftentimes it is broken off entirely. The mouthpiece serves to gather the sound waves of your voice, and when speech is directed at an instrument where the mouthpiece is damaged or gone, the voice carries very faintly to the other end of the line. Better satisfaction results if the mouthpiece is not abused. In case the mouthpiece is broken, call Local Repair Department, and a new one will be mailed. CHICAGO TELEPHONE COMPANY
