For the Teacher.  
 No one is too young or too old to be impressed with the fact that obedience is the key of life. Show its rewards and its best of discipline. When one wills to obey, he throws into gear machinery the like of which is not known anywhere else on earth.

**WEST RIDGE SCHOOL**

Improvements at the West Ridge school have been started. These include an addition to the schoolhouse which will house a hot water plant, a kitchenette, indoor toilets and a cloak room. The well which was drilled this summer will provide water necessary for these modern improvements. The present room will be made larger by the removal of the present cloak room thus giving the much needed space for the crowds which patronize the monthly meeting of the West Ridge Community Club. When these improvements have been completed we will have a rural school of which we can be proud. It will be classed as "Superior" and will give the boys and girls privileges to which they are justly entitled.

Well, well, President Wilson! Sorry to see you in bed. Hope you are better soon. Don't always agree with you. But you never struck for less work and more pay, you always took hard hitting with a smile, and you have worn yourself out trying to create a better country and a better world. Our best wishes to you, and hopes for your speedy recovery!
