#### Win-My-Chum Services

Throughout the week the young people are conducting services the purpose being to win the nearest one of you in friendship to Jesus as a personal saviour. The young people, under the leadership of the head of the Spiritual Work, have been thoroughly organized for this work. The attendance has been very fine. The results have been beyond anything we have ever witnessed. Tuesday evening two young men gave themselves definitely to the Christian ministry and missionary, and two others came to the altar for prayer and reconsecration and a clearer knowledge of their acceptance with the Father.

One week from next Sunday, November 25, will be Membership Day.

Next Sunday evening a young man, formerly a member of our congregation at Argos, Ind., who recently received a great experience in the city, will have charge of the service. He will be assisted by some young men from Moody.

We invite all to attend these services.

Some people who are operating high powered automobiles in the streets, would have difficulty in driving a baby carriage safely along the sidewalk.

The people who want a six hour day are kicking on the day's pay the farmer gets for working 12 hours.

Next question is whether the unionized barbers will cut the hair of the non-union man who shaves himself.

In co-operation with a concerted movement in the denomination to raise \$1,000,000 for certain specific enterprises this congregation has raised during the past two months nearly \$5,000. A spiritual propaganda connected with the financial drive has been of great value to this people and a harvest of souls should logically follow.
