Entertains at Luncheon
 Mrs. W. A. Alexander entertained the members of the Board of Directors of the Y. W. C. A. at a luncheon at the Blue Triangle cafeteria Tuesday, November 11. Fifteen members of the Board were present at the Board meeting preceding the luncheon at which important business was transacted and plans made for the work with the girls and women of the community. The ladies were served with a delicious luncheon and all were delighted with the new cafeteria.

Red Cross Drive a Success
 The Girl Reserves of the second and third corps have been hard at work on the Red Cross membership roll. Complete returns have not yet been handed in, but the reports show that the people of Highland Park are responding generously to the last appeal for war funds for this great organization. The girls are trying to have the Red Cross window card appear in every home in the community.

Peace Party
 Red, white and blue horns, whistles and caps were some of the favors which were given at the "peace party" which the Bluebird corps of the Girl Reserves gave at the Y. W. C. A. rooms on Wednesday evening, Nov. 12. Red, white and blue decorations gave the gymnasium an attractive appearance, and serpentine streamers which were thrown at intervals added gaiety to the party.

The girls of the club entertained some of their girl friends and a number of the high school boys. The first part of the evening was spent in playing games, and dancing occupied the remainder of the evening. Ice cream and cake were served. Everyone pronounced the "Armistice Party" a huge success.

First Aid Demonstrations
 The Girl Reserves have begun a series of lessons in first aid. At the meeting of the second and third corps Tuesday, the girls learned the uses of several kinds of bandages, and how to apply them, practicing on each other.

Glee Club Girls Enthusiastic
 Carrie Jacobs Bond's popular songs were the first ones taken up at the meeting of the Glee Club girls Tuesday evening. The girls were delighted with the songs which Miss McDonald presented. It has been thought advisable to change the evening to Monday, and to meet every week, from 8 to 9. Night school and club meetings have made it difficult to settle on an evening for the rehearsals.

The girls will sing in the wards at Fort Sheridan, as soon as they learn the songs. Any girl who is interested is invited to join the class. There are no fees.

ELM PLACE SCHOOL

The Armistice Day was observed by special exercises in each of the rooms from the kindergarten up where the story of the day was brought out and its significance discussed by teachers and pupils. At eleven o'clock all the grades before the 4th had a parade with flags around the school grounds and then marched into the auditorium for their general exercises. All the upper grades met in an assembly at 2:30 in the afternoon and enjoyed very much a talk by the father of one of the 5th grade boys, Capt. William Holmes, who was on duty on the firing line in France on Armistice Day one year ago. Capt. Holmes saw service with Pershing in the Philippines twenty years ago and had many interesting things to tell the children.

Miss Mabel L. Everett who has had charge of one of the 3B rooms, has been in a hospital in Chicago for the past six weeks and will be under medical treatment indefinitely. She has therefore been obliged to withdraw from the staff and Miss Edna Behrens formerly one of the Louisville, Ky., teachers, has been elected to succeed Miss Everett.

The first meeting of the Elm Place Parent-Teacher association was held today at the kindergarten annex. Mrs. S. J. Holland, the new president of the association had charge of the program, which was informal in nature. The occasion afforded an opportunity for patrons of the school to meet the entire staff of teachers, nine of whom are new in Highland Park. Mrs. Alvar Bourne is secretary of the association and will be pleased to enroll for the new year any who were unable to be present at this meeting.

TRINITY CHURCH

On Tuesday evening, Nov. 18, there will be a conference on the Nation-Wide Campaign in the parish house at 8:00 o'clock p. m. Mr. George K. Gibson has been asked to come and explain the plan and scope of the movement which is creating such widespread interest and enthusiasm throughout the whole church.

The Episcopal church is awakening and is going forward, and every member and friend of Trinity Church is urged to come to this conference to learn what is being done and how we can help here in Highland Park.

There will be an all day meeting of Trinity Guild in the parish house on Monday, Nov. 17, to which all the ladies of the parish are invited. Luncheon will be served at noon.

The next meeting of the Women's Auxiliary will be held on Monday, December 1, at 2:30 p. m. Mr. McIntosh, of Tanana Crossing, Alaska, will be with us to tell of his work.

The services on Sunday next will be a celebration of the Holy Communion at 7:30 o'clock and Morning Prayer at 11. Members of the congregation are specially urged to come to the latter service, at which an Information Man will tell of the Nation-Wide Campaign.

The Church School meets at nine thirty o'clock for a short service of worship in the church, followed by lessons in the parish house.

The class in Personal Religion will be held every Thursday morning at 10:45 following the celebration of the Holy Communion at 9:30. All who desire to come will be welcome.
