Y. W. C. A. NEWS

The Vesper service at 5:00 p. m. will be led by Mrs. Bletsch. All girls, especially those who are away from home, are invited to attend this meeting. Mrs. W. E. Bletsch will give a splendid talk which no girl can afford to miss.

Tea will be served after the informal service. These Sunday afternoon meetings give an opportunity for becoming acquainted with other girls and gaining helpful ideas for every-day life.

Basketball Practice

Two Y. W. C. A. basketball teams will compete for the championship of the north shore again this year.

The first practice was held on Monday evening, Nov. 17, from 8:30 to 9:15 in the girls' gymnasium at the high school.

The teams will practice each Monday evening, beginning promptly at 8:30.

Friendship Club Get-Together

The members of the Friendship club and their friends among the girls of the community will get together on Sunday evening, at 7:30.

Invitations have been sent to many new girls in the community. Any girls who want to make new friends and to have all the advantages and opportunities which the Y. W. C. A. club give are invited to come to this get-together.

Aster Club Dinner

The members of the Aster club will meet for a dinner at the Blue Triangle cafeteria on Thursday evening, Nov. 20, at 7:30. At the last meeting of the club it was decided to give a short play within a few weeks. Rehearsals will begin Thursday evening.

Girl Reserves Entertain

An evening of wholesome fun will be given by the Second Corps of the Girl Reserves to their boy friends on Friday, Nov. 21. Many amusing games have been planned and prizes will be awarded to the winners.

Mothers Take Notice

The mother of each Y. W. C. A. girl is urged to plan to attend the next meeting of the Mothers' Club on Tuesday evening, December 2.

Entertain Soldiers

A group of girls and soldiers were entertained at a party arranged by Miss Janet Swanson, on Wednesday evening of this week. The affair was in honor of one of the boys, who has recently received his discharge. Games and dancing, and refreshments made the evening a delightful one for each guest.

UNITED EVANGELICAL

The evangelistic meetings are still on and will continue during this week and longer if the interest warrants it. The attendance has been very good on the part of church people, but very few unsaved have been in the congregations. The singing is especially good and attractive and forms a very interesting part of the services. There is a short gospel talk by the pastor, and the rest of the time is devoted to prayer and testimony. At the close of the service on Monday night a number gathered in the church parlors to say farewell to Mr. Charles Kuist, who left on Tuesday night for Montana to visit two of his sons. Mr. Kuist is a faithful worker and member of the church and will be missed by all. His friends wished him a safe journey and expressed the hope that he would soon return.

The program for next Sunday is as follows:

Bible school at 9:30 sharp.

Morning sermon by the pastor at 10:45.

Junior meeting at 2:30 in charge of Miss Frances Fritch.

K. L. C. E. meeting at 6:45 led by Miss Edna Shultz. Subject: "How May we Practice Thanksgiving?"—Eph. 5:20.

Evangelistic services at 7:30. Everybody invited.

CHRISTIAN SCIENCE

Hazel Avenue, near St. John's Ave. Subject for next Sunday's Lesson Sermon, "Soul and Body."

Services are held in this church every Sunday morning at 10:45.

Sunday school meets immediately after the morning service, and is open to pupils up to the age of 29 years.

The Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

You are cordially invited to make use of the reading room at 387 Central Avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening.

Shoplifting in stores said to be increasing owing to high prices. The public should show its sympathy with these hard up folks by offering them a year's board in the state's free lodging house, instead of 90 days as formerly.

There is almost hot air enough left off in this country to heat with, even if no coal were mined.

The children of course could play by spy in the back yard instead of in the street, but they couldn't have any fun with automobile drivers making believe they were going to get run over.

Now if sugar were only a luxury like candy, instead of being merely a necessity, it would be possible to get it.

People used to be said to laugh in their sleeves, but a good deal of the time the girls don't have any.
