right now are a few million of McCutcheon's "Smiley Glads." What we need as an antidote of anarchy is a campaign of American OPTIMISM—the brand that made Plymouth Rock the stepping stone to a new and better world, the brand that gave Washington faith and courage in the Valley Forge days, the brand that sent Fremont into the western wilderness, the brand that made Lincoln the great leader of '61.

We need the smiling optimism that carried John Paul Jones to victory after his ship was all but gone, the smiling optimism that took Farragut across the torpedo fields at Mobile Bay, the smiling optimism of Hobson, of Peary, of Whittlesey and all those others who—dauntless and unafraid—have made the American WILL TO WIN respected throughout the world. We need eighteen columns and more each day of FAITH and COURAGE and HOPE; eighteen columns of UNITY and LOYALTY and CONFIDENCE.

These are the things that will kill anarchy dead in this country before it is born, the things that will make business boom, the things that will keep the workingman employed at war-time wages.

If the United States is ever turned into a Russia or a Germany—if honest liberty is ever destroyed in this country—it will be the "Lugubrious Blues" who are to blame.

MEN are in demand today—real flesh-and-blood men. There is no room in this new world of ours for the mental or physical coward.

FEAR and WORRY—the twin ogres of failure—must go.

Stiff upper lips and backbone are the things that count. Square jaws and iron wills will decide not only the destiny of individuals but of mankind.

As a great American once said: "Only an optimist can win in America."

And—certain it is—that only optimists can win FOR America.

LET THE CRAPE-HANGERS SIT DOWN!

### Y. W. C. A. NEWS

#### National Secretary Will Visit Here

The club leaders, women who are interested in forming a Girls' Work committee, and the eighty Girl Reserves in our Y. W. C. A. will have the pleasure of meeting Miss Lola Baumgardner, National Y. W. C. A. Girls' Work Secretary for the states of Wisconsin, Illinois, Michigan and Indiana, on Dec. 3. The women who will form a Girls' Work Committee, to assist in planning the work of the girls' clubs of our Association, will talk with Miss Baumgardner at 10:30 a. m. The leaders of the clubs, and other young women who are interested in girls' Clubs will meet at 3:30, and will be entertained at dinner at the Blue Triangle cafeteria. They will undoubtedly receive a great deal of benefit and many new ideas for the work.

All the Girl Reserves, from the high school girls down to the youngest girls in the fifth and sixth grades, will meet in the evening for a big rally. Miss Baumgardner will talk to them on the Girl Reserve movement, and there will be stunts by each club, besides games for all. This will be a big event in the Girl Reserve year.

#### Mothers' Club Meeting

On Tuesday evening, Dec. 2, at 8 o'clock, the mothers of all Y. W. C. A. girls are invited to meet at the Association rooms. Mrs. Sylvia Morrison, Staff Captain of the Salvation Army, who is known to many Highland Park people, will talk to the mothers about some of her experiences in her work. Her talk promises to be most interesting and all mothers are urged to attend the meeting. Refreshments and a social hour will follow Mrs. Morrison's address.

#### Vespers Next Sunday

Sunday afternoon at 5 o'clock, another vesper service will be held. All girls and women are invited. Last Sunday, the attendance was good, and all who were present enjoyed the meeting. Mrs. W. E. Bletsch gave a splendid talk on "Our Obligation to Christ." An interesting program is being prepared for the next meeting.

#### Girl Reserves

The second corps of Girl Reserves, now led by Miss Marion Moseley, gave a party to their boy friends on Friday evening. Many games made the party a lively one. Prizes were given to the winners of several contests. Refreshments were served at small tables, and everyone pronounced the evening a jolly one.

#### Practices Monday

The Glee club meets regularly each Monday evening at 8:00 and practices for an hour. Any girls who enjoy singing are welcome.

Basketball practices are being conducted each Monday from 8:30 to 9:15 p. m. in the Girls' Gym at the high school.

#### Aster Club Elects

At the last meeting of the Aster Club on Thursday evening Gladys

Tucker was elected president, and Dora Krueger secretary and treasurer. The girls met for dinner at the Blue Triangle cafeteria and adjourned to the headquarters after the dinner. It was decided to send Christmas gifts to the children at the Deerfield Orphanage. Each girl chose the name of a child and will make gifts for it, putting them into large Christmas stockings.

After a jolly tuckering from 25 to 50 per cent profits into their inside pocket, some people get terribly angry over the greed of labor.

When the public kicks on the small size of their piece of pie, the restaurants increase the size and charge a higher price. Then when the people kick on the price, the restaurants lower that and reduce the size of the piece.

Raking up the leaves is endorsed by the doctors as just as beneficial exercise as football, but you can't make the boys believe it.

THE past year has seen a large increase in the number of Electric Washing Machines, Electric Irons and Vacuum Cleaners in use in homes.

THE reason is easily understood. They are Labor Savers.

THE Washing Machine does the work. You need only watch it. The Vacuum Cleaner demands only that guide it. No amount of preparation is required when you use the Electric Iron other than to connect it to the nearest socket.
